

Mission Statement

The mission of Mauldin Middle School is to prepare all students to succeed in becoming lifelong learners and responsible, productive citizens.

Vision

The vision of Mauldin Middle School is to develop 21st Century learners by creating a collaborative learning community. We will ensure lifelong learners who are responsible, productive citizens by encouraging discovery and exploration through personalized learning.

Beliefs

All students can learn.

Students are the center of the educational process.

Students should be actively engaged in the learning process through the use of a variety of teaching and assessment strategies.

Students should have equal access to educational opportunities.

Students should learn in a safe, positive, and inviting environment.

Education is the shared responsibility of home, school, and the community.

Curriculum and instruction should meet the needs of all students.

Curriculum should be based on the South Carolina Curriculum Standards.
