

## August 30 Parent Message

Good afternoon Mauldin Middle School family! This is Karen Greene calling with our weekly message.

We had an amazing first week back for all of our students. Our teachers were thrilled to have students back in the building for the first time since March. We are energized, excited and ready for week two.

This week, we will remain on the one day per week plan for students. Beginning, Tuesday, September 8 we will move to the two days a week plan.

[Click here for Greenville County School Attendance Plan Announcement](#)

Students are required to login to every class each day in order to be counted present. Students should be using their school issued Chromebook to login.

Parents please remember that any students who are returning from international travel are required to quarantine for 14 days before coming to school

As part of our efforts to form relationships with students and their families, our staff has divided all students into small advocate groups. One adult in our building will be checking in each week with you and your student. If you have not received an initial phone call yet, you will be receiving one this week.

In order to finalize the Parent Backpack process, you must send a valid ID, a driver's license is perfect, to our registrar Mrs. Monaghan as the final step. You can bring this by the school or email a scanned copy to her. Her contact information is on our web page.
