

Weekly Phone Message

October 4, 2020

Good Afternoon Mauldin Middle School Family.

It's hard to believe October is here! We are three weeks away from the end of the first quarter. As a reminder, the end of the first quarter is October 22nd, and report cards will be sent home on October 29th. As we close in on the first quarter, we want to provide ways your student can finish the quarter strong. A few suggestions include:

- Know your teacher's Office Hours
- Email questions and needs to your teachers and then attend their Office Hours on eLearning days
- Find out what missing assignments you have, complete, and submit them to your teachers
- Use your student agenda to list test and quiz dates, along with deadlines for projects so you can manage your time most effectively
- Meet your Mathia goal each week
- Communicate with teachers and counselors when you need help

Thank you for your support by joining our PTA. While this year looks different, our PTA is still aiming for 100% participation. Membership is \$5.00 and the link to join is on our school web page and in the link below.

Congratulations to our volleyball team! They are currently undefeated and so much fun to watch. While we are not allowed to have spectators other than family at this time, the team certainly appreciates your support. Go Mustangs!

That is all of our announcements for this week. As always, thank you for your support of Mauldin Middle School.

Let's have a great week!
Principal Greene
