

September 6, 2020 Parent Message

Good Afternoon Mustang Family,

This is Karen Greene with our weekly update. We had another successful week of school this week and we are ready to move to Attendance Plan 2. Please take a moment to look at the link below that explains the plan and which days your student will be in school. We will all continue with eLearning on Fridays.

Greenville County Attendance Plan 2

Parents, please continue to monitor your child's health and do not send them to school if they are sick. If you are not sure if you should keep your child home or not based on symptoms, please call the school nurse to discuss it with her. It is very important that you communicate with the school if your child has been exposed to COVID-19 or has received a positive COVID-19 test result.

Please remind your students that they should bring in fully charged chromebooks on their days in school. With students only being in school two days each week, we need them to be prepared so that we can utilize all the time we have with them.

Mauldin Middle School has a very strong, supportive PTA and we are encouraging everyone to join again this year. It only costs \$5.00 to join and they use the money to support students in our school. I have included the link below for more information and the link to join.

[Link to join PTA](#)

Parents, all students, both traditional and virtual, are required to complete tech forms for computer usage. If you have not completed these forms, please take care of this as soon as possible. I have included the link below to make this as easy as possible.

[Link to 2020-2021 Tech Forms](#)

Tomorrow is Labor Day so this is a holiday for students and schools will be closed.

Remember that you have the opportunity to pre-order take home meals for the week. Students will be charged the same rate they pay for lunch as if they were in school. We have not had many families take this opportunity but we want you to know that it is there. The link to sign up is on the front of our web page and you can pre-order several weeks out.

Lastly, our ELA classes across all grade levels are utilizing workbooks this year. There is a student fee for the workbooks and these can be taken care of on MySchoolBucks. The workbooks for 7th and 8th grades are \$6.41 and the 6th grade workbooks are \$9.50. Reach out to your student's ELA teacher if you have any questions.
