

2019-2020 Mauldin Middle School Physical Education Uniform Purchase Form

All students are **required to purchase or own** a Mauldin Middle School PE uniform for Physical Education class this year. The uniform consists of navy blue shorts and a navy blue t-shirt with each item bearing the Mauldin Middle School logo. It can be purchased through our Physical Education Department for **\$20.00**. Sizes range from Youth Medium to Adult XL (2XL and 3XL are available for order).

The purpose of the required uniform is two-fold:

1. For health and hygiene, it is important that students completely change their apparel for class participation. Proper athletic attire permits easy movement for activity, and a change of clothes aids in cleanliness of all involved.
2. All students being in the same uniform serves as their student ID for quick and precise identification of students when we travel out to the fields and the outdoor courts.

Students may use the same uniform for all three years of school. PE uniforms from last year can be used if your student still has their uniform or has received a uniform from a former student. We will also accept the older gray MMS uniform t-shirt.

The best way to purchase a uniform is to send your student to school with their payment during the first week of school. We will keep most sizes on-hand so that the student can receive their uniform immediately and secure a proper fit. (There may be instances when we may have to order an item if we have sold out of their size). Students will be permitted to try the uniform on to be certain they are happy with the fit. Uniforms may be exchanged until the time the student wears it for class. Once they have played in it, we will not be able to exchange it.

Please complete the form below, cut along the dotted line, and return the form and payment (cash or check). **We must receive payment before uniform items will be provided.**
