

Mauldin Middle School PTA

2020-2021

Welcome to the 2020-2021 year! We are entering a new and different school year, but we are committed to continue helping and supporting the students, staff, and families of Mauldin Middle School. We are not able to be in the school building at this time or in the near future, but we are committed to supporting and providing resources as needed. Please know that we will do our best to communicate with each of you throughout the year. We ask that you join the PTA so you will receive communication from us each month with updates, spirit wear, spirit nights and other information we will have to share. You may visit the tab on the Mauldin Middle School website to access board contact information as well as the link to join the PTA. Please email us at MauldinMiddlePTA@gmail.com if you have questions or concerns.

What is a PTA?

A PTA is a local, self-governing unit. It promotes the purposes, policies and guiding principles of the state branch and the National PTA as it plans programs and activities to meet the needs of children and youth in the community. It is linked through its all-inclusive membership and by its acceptance of the purposes and policies of the National PTA and the State PTA. It shares in the resources of the entire organization such as national and state conventions, workshops, conferences, publicity and special leadership development conferences.

Where does the money go?

PTA members often wonder how membership dues are used. Here are some of the services funded by membership dues at different levels of PTA.

- Local PTA and PTSA Dues: programs and projects for students and parents; training for volunteers; newsletters.
- A portion of each membership goes to the district, state and national PTA to help support and provide resources to the local units.
- **The PTA at Mauldin Middle School has funded teacher support programs in the past, website access for additional student learning opportunities, a new score board in the gym, beautifications to the school environment, and many other projects.**

How do I join the Mauldin Middle School PTA?

Please join the Mauldin Middle School PTA and help us fund the programs that we will support this year. We hope to provide teacher and student support as needed. We continue to work with staff to identify additional student and staff needs and support them as they arise. Please visit our [MemberHub website](#) to purchase a membership. Remember, you may purchase as many memberships as you would like. You will need to supply a name, email address and/or phone number for each membership. We appreciate your support! A membership can be mother, father, grandparent, aunt, uncle, student, or another responsible adult. Consider buying more than one membership!
