

September 29, 2026

Dear Northwood Middle School Family and Community Stakeholders,

Our RECF Robotics Teams at Northwood Middle School are looking forward to a great year!!! As we begin this competition season, we invite stakeholders to join us and invest in the robotics future of our Knights. If this is you, any level of sponsorship is welcome but we would like to offer some incentives for businesses, families, and other stakeholders to become public financial partners.

This year, we are planning to host two tournaments on-site and attend four additional tournaments in the upstate. The T-shirt design lists our sponsors on the back to be worn to ALL tournaments this year.

Partnership Incentives with Signage:

- **\$250 - *Partnership Signage*** displayed at all competitions.
- **\$400 - Partnership signage and *T-shirt Card Sponsorship*** on students' and coaches' T-shirts worn at all competitions.
- **\$750 - Partnership signage, T-shirt card sponsorship, and *school social media and website placement*** throughout the first semester.
- **\$1000 - Partnership signage, T-shirt sponsorship, and school social media/website placement *for the entire school year*.**

Partnership Incentives for T-Shirts Only:

- **\$300 – *Title T-Shirt Sponsor*:** Name & logo at top of shirts across the back shoulders
- **\$150 – *Card T-Shirt Sponsor*:** Business size card on shirt with name & logo
- **\$50 – *Name Recognition Sponsor*:** Name listed as valued sponsor

These teens will not only learn to build, code, and program robots, but they will also gain invaluable skills in working with others, communication, and organization. Our teams represent the best of Northwood, and this program can only continue to move forward with your support. Please scan the QR code below to be directed to our fundraising site (School Cash). Sign in for free and **reference "robotics" in the description**, or reach out directly to me if you would like to contribute in a different way. **ALL SPONSORSHIPS ARE DUE OCTOBER 20TH.**

If you have any questions, please feel free to contact Kristi Harris at 864-355-7060 or via email at klharris@greenville.k12.sc.us. Thank you so much for your consideration and support of our future leaders!

Sincerely,

Kristi Harris
