

OAKVIEW

ELEMENTARY SCHOOL

#OnlyAtOakview

KINDNESS & RESPECT

- Oakview Elementary's safe, healthy, and nurturing environment develops students who are empathetic, respectful, resilient, and act with integrity.
- Understanding that developing great students goes deeper than academics, we continuously call attention to those who are "helpers," who go above and beyond to do a kind deed, show respect, or bring a smile to a friend.
- From our Buddy Benches to our Kindness Rock path, morning news callouts, and more, this positive environment inspires students to be their best and strive for greatness.
- Our students come to us from 25 different countries, with 19 languages spoken. The flags in our cafeteria represent the many countries from where we have welcomed students in the past.

OUR STRATEGIES

VARIED & ENGAGING

- Students are unique, and Oakview Elementary believes that their academic and artistic studies should be as well.
- Oakview teachers continually introduce new and differentiated instructional strategies as well as engaging experiences to create active student participation in the learning process.
- Students learn to communicate and collaborate effectively, think critically and creatively, solve problems competently, and act responsibly.
- We are proud to offer a variety of inspiring field trips, special presentations, student clubs, and leadership opportunities. These help our students learn and engage in personalized, impactful ways.

OUR FACILITIES

MODERN & CLASSIC

- Oakview's unique campus blends the nostalgic traditions of the past, like the beautiful hand-painted hallway murals, with the latest and greatest of today, such as 3D printers and our high-tech STEM Lab featuring the exact same weather station you'll find at the local television stations!

- Our gardens, apple orchard, blueberry patch, digital nature trail, playgrounds, ball courts, climbing wall, and track field give our children the chance to play, explore, and learn about the world around them.

- Every classroom features the latest in touchscreen smartboard technology and unique furniture configurations.

OUR COMMUNITY

STRONG PARTNERSHIPS

- We feel that education is a shared responsibility involving student, parent, school, community, and school district. We are all in this together!
- The Oakview school community is known for its strong partnerships in education.
- Involved parents, eager students, a professional and caring faculty/staff, and tremendous support from business partners are fully evident.
- The support from our award-winning PTA is unparalleled and a true gift to the staff, teachers, and students at the school.
