## READING EXPECTATIONS

We love to read at Paris Elementary! We want to encourage all of our students to read at home for at least twenty (20) minutes every day! Your child can read independently or with you. Books are better when you cuddle up and read with someone else! Consider reading aloud to your child and talking about the book together. Enjoying a good book with your child is one of the best ways to nurture a love of reading! Reading proficiency is the number one indicator of school performance.

## CAR LINE TIP #212

In the morning, the right lane is used for drop offs, and the left lane is used for entering the parking lot. Both lanes are used for pick up in the afternoon, and traffic merges into one lane at the cone.

## PTA Corner

- ♦ PTA Information can be found on the PTA Page of the school website.
