

- *Last year, America's schools earned \$74 million from Box Tops.
- *Paris Elementary earned \$2,500 last year just by clipping box tops.
- *Box Tops are on over 400 items that you use every day. (Items are listed on the back of this sheet.)
- *Each Box Top is worth 10 cents.
- *Box Tops for Education sends our school a check twice a year to purchase whatever our school needs.
- *Grandparents, Co-workers, neighbors, ANYONE can collect for you!
- *For every 10 box tops turned in, your child will be entered into a quarterly drawing for a great prize that will be announced on the Paris morning news and posted on the Principal's Page! The more bags/envelopes of box tops you turn in the better chance you have.
- *There will also be an additional prize for the student that collects the **most** Box Tops each quarter.
- *To be eligible for the drawing **Box Tops must be trimmed and put in baggies OR sealed envelopes with this information written on the bag/envelope: 1) the child's name, 2) the teacher's name and 3) the number of box tops in the bag.**
- *Look for themed collection sheets that will be distributed during the school year that you can use to make this a fun activity for your child. These will also be eligible for the drawing.
- *We will also accept "Labels for Education and Tyson's "Project A+" program labels. Just cut, bag/envelope 10 and label
- *Coordinators: Wendy Baker: wendy.m.baker@gmail.com; Karen Sharp: karenlsharp@hotmail.com; Sara Younginger: syounginer@hotmail.com ; Melissa Costello: Melissa_costello@ymail.com

Start clipping!
