Our faculty/staff are outstanding and are on hand to help your child to do his/her best in every possible way. We pride ourselves that our main emphasis, in addition to raising the bar academically, is to nurture your children in a safe and caring environment.

Pelham Road is one of *Palmetto's Finest*, a *National Blue Ribbon School of Excellence* and an *Exemplary Writing Award School*. Our school has also been awarded the prestigious *National PTA School of Excellence Parent Involvement Award* and *The Red Carpet Award*.

ACCREDITATION

Pelham Road Elementary School and all schools in Greenville County are fully accredited by both the South Carolina Department of Education and the Southern Association of Colleges and Schools. Our district has just been "Nationally Accredited through SACS/CASI."

DISCRIMINATION

The School District of Greenville County does not discriminate on the basis of age, race, sex, color, handicap, religion, or national origin in its dealings with employees, students, and the general public, applicants for employment, educational programs, activities or access to its facilities.

OUR MISSION

Pelham Road's mission, in partnership with the home and community, is to Prepare; Respect; Enrich; Succeed.

VISION

We envision a school where:

- There is mutual respect, honesty, responsibility and cooperation among the school community.
- Home, community and school work together to benefit all students.
- The environment is a safe, secure and inviting place, which promotes student learning.
- Curriculum and instruction meet the needs of all students.
- Students are equipped with skills, which enable them to apply their learning in a meaningful context.
- All students are equipped to use technology and research skills to gain knowledge for lifelong learning.

BELIEFS

Our Staff believes:

- All children can learn.
- Education is a joint responsibility of home, school, and community.
- School should be a safe and inviting place.
- Each member of the school community brings a unique variety of gifts, interests, experiences, and beliefs to the classroom.
- School should be a place where respect, responsibility, honesty and cooperation exist.
- Curriculum and instruction should meet the needs of all students.

- The physical, social, and emotional development of the child is relevant to learning.
- Students should learn skills that enable them to handle everyday life situations.

HOMEWORK POLICY - Purpose

A well balanced learning experience for the student includes work in the classroom, academic study outside the classroom, participation in extracurricular activities (arts and athletics), and opportunities to learn and demonstrate strong leadership and good character. Work outside the classroom, known as homework, should be assigned only when it is beneficial and important to the student's overall program. Homework should be educationally relevant and reasonable; should serve the needs of the learner in meaningful ways; and should promote student engagement in learning through personalization of tasks to fit the students' learning needs, allowing student choice as appropriate. Although there is a place for rote practice and memorization, homework should also involve higher levels of thinking and creativity.

POLICY

When homework is given, assignments shall reflect the following guidelines:

- Homework shall include one or more of the three generally recognized types of homework:
 - Practice:* reinforces newly acquired skills taught in class
 - Preparation:* helps students prepare for upcoming lessons, activities, or tests
 - Extension:* provides challenging, often long-term opportunities for enrichment that parallel class work
- Homework shall be carefully planned and explained to the students.

- Content and duration of homework shall be personalized to accommodate the age, grade, ability, and readiness of the students.
- Homework shall be assigned with awareness of the home resources available to the student and the family and alternative options offered, where necessary.
- Since involvement in extracurricular activities is encouraged and valued, homework assignments that are lengthy shall be scheduled as far in advance as possible.
- Daily homework assignments for primary level students (K-2) shall not exceed 30 minutes, including 20 minutes of reading.
- Daily homework assignments for elementary students (3-5) shall not exceed 60 minutes.
- Daily homework assignments for middle school students shall not exceed 90 minutes.
- Completed homework assignments are to be reviewed by the teacher or designee; appropriate instructional follow-up shall occur.
- If homework is graded, the homework average shall not count in the student's overall quarterly grade at the elementary level.
- Because they require a greater amount of time and effort than daily assignments, grades for long- range assignments shall not count as part of the homework percentage, but should be considered in the time allocated for homework.
- Parents and students shall be informed at the beginning of the school year and at the beginning of second semester, if appropriate, of the district homework policies and classroom homework expectations.

- Students are encouraged to spend some time each day reading a variety of materials independently.

GREENVILLE COUNTY SCHOOLS - CODE OF CONDUCT ON SCHOOL BUSES

In order to insure the safety of all students riding buses in Greenville County Schools, appropriate behavior is required for all students. Transportation to and from school is an extension of the classroom and should be considered part of the school day. The issue of safety requires students to be on their best behavior while on school buses or vehicles. Violations of school bus rules will be addressed in the manner listed below, with the

exception of violations relating to the tagging program used in elementary schools. The guidelines for that function are listed separately at the end of this document.

The School District Behavior Code is in effect for all students at all times when being transported on school buses to and from school or school activities. Discipline of Disable Students:

Students with disabilities will be disciplined in accordance with federal state law including the Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act, as set forth in the procedures developed by the administration.

GENERAL PROCEDURES FOR TRANSPORTING - 5K AND 1st GRADE STUDENTS

School Responsibilities:

Schools are responsible for ensuring that all student transportation information is transmitted to their respective center in a timely manner during the school year. Schools are required to maintain accurate student information in PowerSchool to include accurate

student addresses and correct arrival and departure codes. All bus requests will be submitted to the transportation center by July 31st prior to the beginning of school. Student information submitted after this time may not allow sufficient time to process information and assign the student to a bus prior to the opening of school.

All K4, K5 and 1st grade students will receive a numbered ID tag from the school prior to boarding the bus in the afternoon. The tag must be visible to the driver. As the student departs the bus in the afternoon, the driver will collect the student's identification tag. The driver will retain the tag and deliver all tags to the school the following morning. The school will distribute the tags to the respective teacher or staff member so the tags can be put on the student before afternoon bus dismissal.

Each 4K, 5K and 1st grade student must wear a bus tag while being transported to and from school for the entire school year. The student tag shall include the following information:

Student Name

Unique number

[] Student designee name (4th grade or above)

Route number

Driver Responsibilities:

Drivers are responsible for ensuring that 4K, 5K and 1st grade students are not allowed to depart the bus, whether alone or in a group, if a parent/guardian/designee, with a numbered card, is not present at the stop. Drivers are responsible for returning these students to the elementary school. The driver will immediately contact his/her respective bus center and alert them to the fact that a student is being returned to school. The center staff will immediately notify the school so that school staff can be present to meet the bus.

Drivers are responsible for turning in a "School Bus Disciplinary Report" each time a student is returned to the elementary school.

Drivers are responsible for assigning all 4K students to seats at the front of the bus. Under normal circumstances siblings will be assigned to the same seat.

The transportation department will provide the driver with a list of students at each stop. If the driver has any doubt about whether the student is at the right stop or not, the driver should immediately notify their center for instructions.

Parent Responsibilities:

The parent/guardian is responsible for properly registering their student(s) at the designated school and ensuring that all information provided on required forms is accurate and current. The parent/guardian is responsible for updating this information at the school whenever changes occur.

The parent/guardian must be present at the regular bus stop both during the morning pickup and afternoon drop-off of their 4K, 5K or 1st grade child. The parent/guardian will be given four (4) numbered cards to distribute to any designee to be at the bus stop in their place. The designee may be another adult or student designee (4th grade or higher). A Bus Tag Application is to be furnished by the school, completed and returned by the parent/guardian to the school before the student rides the bus. One person may serve as designee for multiple children. The parent/guardian is ultimately responsible for the safety and conduct of his/her child at the regular school bus stop.

If a 4K, 5K or first grade student is preparing to depart the bus at their assigned stop, whether alone or in a group, AND the parent/guardian/designee, with the numbered card, is not present at the bus stop, the student will be returned to his/her elementary school. When a student is returned to the elementary school, school staff will contact the parent/guardian via contact information that has been provided by the parent/guardian. If the parent/guardian cannot be located, the matter could be referred to Greenville County Schools Law Enforcement Division, appropriate local Law Enforcement Agency, and/or the Greenville County Department of Social Services (DSS).

Incidents of the parent/guardian/designee, with the numbered card, not being at the bus stop for PM drop-off, will result in all transportation services being discontinued according to the following schedule:

- First Incident: Warning to parent by school with review of future consequences
- Second Incident: 3 days off the bus
- Third Incident: 5 days off the bus
- Fourth Incident: 10 days off the bus
- Fifth Incident: Removal from bus for the remainder of school year

The school administration will implement the above schedule without a bus driver referral and notify the appropriate bus center of the effective dates of loss of bus transportation services.

Please note that the above table of incidents and loss of transportation bus privileges is absolute with no discretion on the part of the school administration.

MORNING DROP-OFF PROCEDURES

Drop off Window - 7:00 - 7:45 AM

In an effort to maintain a safe environment for our students please adhere to the following procedures and practices:

- Use the carline to drop your student(s) off at school. This is the safest way for your student to enter the building.
- Do not drop your students off in the school's parking lot.
- Do not park or let students out of your car at the church, flag pole, or area near the woods.
- The car line is a single line from 7:00 – 7:15 AM.
- Pull all the way forward when dropping your student off in the unloading zone. At 7:15, there are safety patrols on duty to direct you to the end of the sidewalk (close to the electronic sign). Please pull all the way down in order to maximize the number of cars in the unloading zone at a time.
- All students should exit the car on the right side.
- Do not switch lanes. Follow the cars in front of you and move to the left when it is safe to do so.
- Have your student prepared to exit the car when your group is pulling forward so we can keep the line moving.
- Do not pull out of your group after your student has unloaded – stay in line.
- Merge to the left side in the order of your group.
- Other options to consider: carpooling and arriving during less congested times of 7:00 - 7:15 am.

Students are expected to walk themselves to class each school day. Under current restrictions, parents are not permitted to walk students to class.

Safety Patrol Drop-Off

- Safety patrols can arrive at school between 7:00 – 7:10 AM.
- Use the carline to drop off students in the morning.
- Do not drop your safety patrol off in the school's parking lot, church parking lot, or at the flagpole.

DISCIPLINE

Pelham Road Elementary School is an orderly and disciplined school. We expect all students to act with respect toward each other and the staff.

Problems can arise if students bring articles to school which are hazards to the safety of others or interfere in some way with school procedure. Such items include but are not limited to guns, knives, toys, CD players, iPods, radios, matches, hard balls, etc. and are not permitted at school.

Cell Phones & Electronic Devices:

Cell phones and other electronic devices used inappropriately by students such as texting during class will no longer be automatically confiscated by school administrators. The revised policy states that students will be disciplined for their conduct rather than solely for the use of a device. Infractions will be dealt with like other offenses per the Student Behavior Code policy. For example, if a student refuses to put away a cell phone when asked then that student would be disciplined for failing to follow the teacher's directive.

The former process required confiscation and subsequent return of devices with an increasing length of time for retention for repeat offenses. The policy revision was based on recommendations from a committee of principals and administrators. The group also concluded that cell phones and other electronic devices can be important educational tools for classroom instruction if the devices are used appropriately.

Other issues for Discipline:

Skateboards, skate shoes (HEELIES), roller blades are not allowed on school grounds because of the possibility of injury.

POSSESSION OF ANY KIND OF WEAPON, INCLUDING TOY GUNS OR KNIVES IS GROUNDS FOR SUSPENSION OR EXPULSION.

Reporting Bullying, Discrimination, Harassment, Intimidation and Misconduct

The District is committed to fostering an environment that both promotes learning and prevents disruptions to the educational process. Accordingly, the District prohibits all forms of bullying, discrimination, harassment, or intimidation. As provided in Board Policy and Administrative Rule JCDAAG, students and parents may file a report of bullying, discrimination, harassment, intimidation, or misconduct by other students, employees of the District, or third parties involved in the school setting.

All reports should be filed with the principal or his or her designee. Reports may also be filed by a student's parent. If the allegation is against the school's administration, the student or parent should file a report directly with the District's Parent Resource Representative. (See Policy JA for contact information). Anonymous reports may be made,

but those reports must provide the District with adequate information in order to begin an investigation.

Additionally, students and parents should immediately report any concerns related to employee interactions with students that are inconsistent with the requirements and expectations contained in Board Policy GBV. Concerns that should be immediately reported to a school's administration include potential mistreatment of students and other conduct by employees that could constitute inappropriate interaction or communication, including those sexual in nature.

Investigations and Consequences

Reports will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions designed to end the harassment, intimidation, or bullying, and prevent such misconduct from recurring. The student and his/her parent shall be informed of the results of the investigation and shall be advised how to report any subsequent issues. Any discipline of students or staff shall remain confidential.

If the investigation determines that inappropriate conduct has occurred, the administration shall take reasonable, timely, age-appropriate, and effective corrective action. Examples of corrective action include, but are not limited to, disciplinary action against the aggressor, up to and including termination of an employee or expulsion of a student.

The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report. The District also prohibits any person from falsely accusing another person.

Appeals

Notification of the outcome of the investigation will be issued in writing to the complainant and the complainant will be informed of the right to appeal. An appeal related to disability discrimination or harassment should be made to the District's 504 Coordinator. An appeal regarding color, race, or national origin should be made to the District's Title VI Coordinator. An appeal regarding sexual harassment, sexual misconduct, or gender discrimination should be made to the District's Title IX Coordinator. (See Policy JA for contact information). A complainant may then appeal the decision of the coordinator to the Superintendent or his or her designee.

A complete copy of the District's Policy, Administrative Rule, and report form referenced above can be located at <http://www.boarddocs.com/sc/greenville/Board.nsf/Public#>. You may also receive a copy of Policy JCDAG, Administrative Rule JCDAG, or the report form from your school upon request.

Administrative Rule JBD – Attendance: This administrative rule was recently revised to ensure a level of equity and uniformity among schools for excusing student absences while still retaining flexibility for the principal to decide to excuse an absence for a hardship or for other valid reasons. The rule also clarifies that a student must be in attendance for **THREE (3) HOURS** during the school day to be counted present for attendance purposes and must be present for the majority of a class period for credit purposes.

SUMMARY OF THE REVISED ATTENDANCE PROCEDURES/ADMINISTRATIVE RULE JBD

- A principal has the authority to approve or disapprove all student absences.
- Students are counted present only when they are actually in school, on homebound instruction, or are present at an activity authorized by the school principal.
- A student is considered in attendance when present for at least three (3) hours of a school day.
- A written excuse for a student's absence must be turned in within two (2) days of the student's return to school. An excuse should include the reason for and the date of the absence. If a student fails to bring a valid written excuse to school, the absence(s) will be coded as either unverified or unexcused in Powerschool.
- A parent may provide up to 10 parent notes excusing a student illness or an absence related to an immediate family member's illness or death. However, in order for any subsequent absence related to an illness to be lawful it must be supported by a physician statement/medical note. Beginning with the 11th

parent note, such excuses will be considered unlawful and will be coded as unexcused, unless approved by the principal as a lawful absence.

- Provision for makeup of school work missed during lawful absences shall be worked out with the teacher(s) concerned at the earliest time possible, but should not exceed five (5) school days after the student returns.

Truancy - A child, ages 6 to 17 years, is considered truant when the child has three (3) consecutive unlawful absences or a total of five (5) unlawful absences. The term “unlawful absence” shall refer to any absence without a written excuse, or any parent note after ten (10) that was not excused by the principal.

When a student accumulates 5 unexcused absences, his or her name will be displayed in the Incident Management System (IMS). Schools must make reasonable efforts to meet with the parent(s) or guardian(s) to identify the reason(s) for the student’s unlawful absences. These efforts should include telephone calls, home visits, letters and e-mails. During the meeting, a written “intervention plan” must be developed with the parent(s) or guardian(s) to improve the student’s attendance. A student, age 12 – 16, should also participate in the meeting. The intervention plan must include:

- Reasons for the unlawful absences;
- Actions to be taken by the parent(s) or guardian(s) and student to resolve the causes of the unlawful absences;
- Actions to be taken by intervention team members;
- Actions to be taken in the event unlawful absences continue;
- Signature of the parent(s) or guardian(s) or evidence that attempts were made to involve the parent(s) or guardian(s);
- Signature(s) of school officials participating in the meeting.
- Documentation that the parent(s) or guardian(s) were apprised of the South Carolina Compulsory Attendance Law.

If possible, the intervention plan should be completed in the IMS system. If completed outside of the system, the individual completing the plan must document in IMS that a plan was completed on paper and a copy is on file.

If a student accumulates two additional unlawful absences after an intervention plan has been established, the student will be referred to the appropriate attendance supervisor. The Attendance Supervisor Referral Form, a summary of the student's attendance and the intervention plan will be sent to the attendance supervisor from the school. The attendance supervisor shall intervene in an attempt to improve the student's attendance.

Absences, the student is considered to be a "chronic" truant and should be referred to the attendance supervisor again. The Attendance Supervisor will make a decision regarding a possible referral back to Family Court based on the circumstances.

Transfer of Plans - If a student transfers to another public school in South Carolina, intervention plans shall be forwarded to the receiving school. School officials will contact the parent(s)/guardian(s) and local team members to review the plan and revise as appropriate. Court ordered plans may be amended through application to the court.

PERFECT ATTENDANCE

There will be no perfect attendance awards issued this school year.

TARDY POLICY

Students who arrive late to school and are not seated in their classroom at 7:45 a.m. are tardy. School begins promptly at 7:45 a.m. Students who are late must stop by the office to be recorded present and to receive a pass to class. The first fifteen minutes of each day are very important, because this is the time that teachers explain the morning work. If your child misses this time, the teacher must stop instruction for all the other students to explain the assignment to your child or let your child try to get this information from another student. Either way there is a loss of instructional time for all. It would be a

good idea if you try to get into the traffic line before that time. Just remember: If you are not in your seat by 7:45, you are considered late.

EARLY DISMISSALS

In order to avoid interruptions in the educational program, we ask your cooperation in not picking up your child or children during school hours. Whenever possible, please make your medical and dental appointments *after* school hours. If a parent needs to pick up a child from school early, the parent must send a note to the teacher in the morning stating the reason and time for the early dismissal. Please come to the office to sign out your child **by 1:45 p.m.** The child will be called to the office to meet you. Identification will be required of any adult attempting to pick up a child. **NOTE: PLEASE CONTACT YOUR AFTER SCHOOL DAYCARE WHEN A CHILD IS PICKED UP EARLY AND WILL NOT BE RETURNING TO SCHOOL. THE DAYCARE DRIVERS NEED THIS INFORMATION BEFORE ARRIVING AT PELHAM ROAD FOR AFTER SCHOOL PICKUP.**

LATE PICK-UP POLICY

Students must be picked up no later than 2:35 p.m. Patterns of late pick up will be discussed with parents. Our staff has additional responsibilities once the school day and car line dismissal ends. PRES can provide a list of nearby after school options if helpful.

CHANGES IN AFTERNOON TRANSPORTATION

Occasionally, a student may leave school using a transportation method other than what is his/her “typical schedule” or has already been communicated to the teacher. **In this case, we ask that parents send in a written note the morning of this change to alert teachers. Teachers will then inform the front office.** Once school has started, teachers are focused on instruction and may not see communication that comes in during the day of the change.

If daycare providers are impacted by such changes, please contact them separately.

PARENT – TEACHER COMMUNICATION

Teachers will send samples of student work, test grades, and other appropriate reports to parents weekly. These should be discussed with the student, signed, and returned the next day. Reading and math tests cannot be sent home. Published tests in other subjects can be sent home at the discretion of the teacher, but must be returned the next school day. These policies protect the validity of the tests. We appreciate your cooperation.

REPORT CARDS

We follow the School District of Greenville County policy on grading. Report cards will be sent home in October, January, March, and June. Parent/Teacher conferences are held after the first quarter. Parents may contact the school to arrange a teacher conference when either the parents or the teacher feel one is necessary.

MID-TERM PROGRESS REPORTS

Per Board Policy IHAB, Academic Achievement: Reporting Student Progress, quarterly progress reports are optional. Mid-term progress reports will not be sent home with students. As stated in IHAB, our teachers will notify parents of students “who are at risk of failing mid-term and at the end of each grading period”. Parents can check the GCS Backpack for weekly progress and grades for each subject area.

PARENT BACKPACK

Parents can access student’s grades, class assignments, discipline and other demographic information through the Parent BackPack.

VISITING THE SCHOOL

As of right now, visitors and volunteers are prohibited due to COVID-19. Once restrictions are lifted, we will resume the normal policy below.

Parents are most welcome at school to eat lunch with your children. Parents must sign in at the office desk and put on a name tag before going to the cafeteria. These procedures protect the students from unwelcome or unknown people. We know you will cooperate for the safety of all students.

We encourage parents and grandparents to have lunch with their students. Below are the 2020-2021 meal prices.

	Breakfast	Lunch
Paid Student	FREE	\$2.50
Reduced Student	FREE	\$0.40
Free Student	FREE	FREE
Adults	\$2.55	\$4.00

Please use the following procedure when visiting for lunch:

1. Let the teacher know how many adults will be visiting by sending a note that morning. The teacher can then order lunch for you.
2. Sign in at the office and put on a visitor's badge. Wait for your student at the entrance to the cafeteria.
3. Remember that the teacher is on duty and eating his/her lunch and cannot visit or confer with you during this time period.

VOLUNTEERS

As of right now, visitors and volunteers are prohibited due to COVID-19. Once restrictions are lifted, we will resume the normal policy below.

We welcome your help as a volunteer and will assist you in understanding our program and methods of working with students. If you are interested in volunteering, please contact the school, the PTA President, or the PTA Volunteer Coordinator.

KINDERGARTEN

All students who will be five-years-old on or before September 1st, must attend a public or private kindergarten. Parents who do not want their student to attend kindergarten must sign a waiver in the school office. Pelham Road Elementary School's kindergarten hours are 7:45 am to 2:15 pm. Please be sure to pick up students promptly. We do not have staff to supervise the students after 2:35 pm.

SAFETY CONCERNS

Teachers are on duty each morning beginning at 7:00 a.m. to supervise students. Please do not drop your child off at the front door of the school, unsupervised before 7:00 a.m. It is important that your child remains under your care until we open the school doors at 7:00 a.m. each school day. Please observe this time for the safety of your child.

In the afternoon, teachers are on duty until 2:35 p.m. Parents who are not in the carline by 2:35 p.m. will have to come inside to sign out their child with a photo ID. Students who have not been picked up by this time will be taken to the front office. If your child is picked up by a daycare, check with your childcare center to be sure that they are picked up by 2:35 p.m. as well.

FOR THE SAFETY OF OUR STUDENTS AND OUR STAFF, PLEASE OBSERVE THESE RULES:

1. Every visitor to the school must sign in and must wear a name badge. This rule protects students and staff from intruders who might be dangerous.
2. Please do not converse with teachers when they are supervising students.
3. Parents may not wait in the halls for students. The only exception is waiting for your student in the Grand Hall when coming for lunch.
4. Do not approach students or teachers on the playground or on the track.
5. Picking up or dropping off students on All Star Way is very dangerous. Please do not do this for the safety of your child!
6. No student will be permitted to cross any road to meet a parent or enter a car unless accompanied by the parent. Students cannot be picked up in the parking lots. They are to be picked up only at the designated places. Remember: This is for the safety of all children!

ACCIDENTS AND EMERGENCIES

Every effort is made to prevent accidents. However, in case of an accident, the procedure is as follows:

Authorized school personnel, or the school nurse will give first aid. If it is considered serious or if the student is uncomfortable, a parent is called. In all cases of serious accidents or illness, every effort is made to contact the parents. The school will follow the directions on the enrollment and consent forms if we are unsuccessful in reaching a parent and the student needs more than first aid.

IMPORTANT NOTE: School personnel cannot give treatment other than first aid. That is why it is important that you keep the school informed with the most up-to-date information about:

1. Changes in your name, telephone numbers (home and cell), address, and family doctor.
2. Names of persons to contact in case a parent cannot be reached.
3. Your absence from home if called out of town.

HEALTH ROOM SERVICES

Due to changes in South Carolina policies governing the administration of prescription medication, We will no longer have a 10-day grace period before written physician authorization is required for all prescription medications.

Parents are required to bring prescription medication to school and provide form **Med-1** before any prescription medication may be left at the school.

A parent may provide written authorization for over-the-counter medication to be kept and administered in the health room using form **Med-3.** *

The parent/guardian must bring the required form and the medication/refill in its original container to the nurse. The health room will not dispense any medication without the required form. Students are not allowed to bring medication into the school.

The school nurse will perform minor first aid. Students having a temperature should be kept at home. If a student becomes ill, too uncomfortable to remain in school, or has a

temperature over 100 degrees, parents will be called. The school should be informed at the beginning of the year if a student has a special health condition such as epilepsy, allergies, asthma, diabetes, heart condition, poor vision, or hearing loss.

*All Health Services procedures and guidelines and these forms are available at: <http://www.greenville.k12.sc.us/gcsd/depts/stuserv/health.asp>

PICKING UP STUDENTS AFTER SCHOOL- RAIN OR SHINE

In order to speed up student pick-up in the afternoon, we ask you to please come from Pelham Road and enter the first driveway on the right.

PLEASE DO NOT ENTER THE SECOND DRIVEWAY. THIS IS AN EXIT AND COULD CAUSE A DANGEROUS TRAFFIC SITUATION.

Please post your child's numbered car tag on the rearview mirror of your car. Each family will be issued 2 sheets of numbered car tags. Additional car tags may be acquired by the parent only after showing a photo ID in the office.

For safety reasons, students are not permitted to board cars in the parking lots or on the street. The entrance gates to the parking lot will be locked from 1:45 to 2:45 p.m.

If someone is picking up your child and does not have the numbered car tag issued by the school, they will have to park their car and come into the office to show proper identification.

"Merrifield Walkers" will be taken from the lunchroom to the crossing guard at the top of All Star Way by a Pelham Road school employee. **Parents are asked not to park in the cul-de-sac or on BOTH sides of the road in the Merrifield Park neighborhood.**

Thank you for helping us make student-pick-up safe for all students!

TEACHER ASSIGNMENT / PLACEMENT OF STUDENTS

Classroom teachers and administration do the grouping and placement of all students. We do not accept parent requests for student placement. While we are unable to accept teacher requests, you can provide specific information that will help us make placement decisions in regards to your child. Statements describing your child's learning needs, preferred teaching style, family situations, or other learning issues are most helpful. In

addition, if you have information that is unique to your child or circumstances influencing your child's learning that you wish for us to consider, please include that information. You can email this information to the administration.

CHANGE IN ASSIGNMENT PROCESS

Students are assigned to a school (home-based) based on the address where their custodial parent/guardian resides. If an address falls outside of Pelham Road Elementary School's zone, parents may request that their children attend PRES through Change in Assignment Choice by following the process/steps described below. Exact timing and deadlines are released by the district each school year.

Step 1: Returning Students Declare Intent (usually early to mid November) – PRES sends parents a renewal form which must be returned by the listed deadline to guarantee being able to return to PRES.

Step 2: Choice Lottery Window (usually late November through early December) – If parents are interested in PRES being their number one choice school, they must visit PRES in person to submit a choice form for their child (you will be able to list up to three schools). **In order for parents to get sibling preference, they must apply during this window.** Parents receive a form number to later check the lottery results. Choice school submission during the lottery window has priority over requests submitted once the window has closed (usually early December).

Note: Parents of 5K students for 2021-22 should submit choice requests during the Choice Lottery Window, and not wait until kindergarten registration in December 2020.

Step 3: Lottery Results Posted – Typically in February, lottery results using the choice form number will be posted on the GCS website.

Step 4: Student Assignment Letters - Student assignment letters will be distributed to every student usually in March. If a student is approved to attend a school by one of the GCSD choice options, that school will be stated in the letter.

Step 5: Waiting Lists Established - Students who are not assigned to PRES will be placed on a waiting list. If space becomes available, students on the waiting list are assigned based

on their established ranking from the waiting list. This process will continue through the first ten days of the 2020-21 school year.

If questions, contact: Student Assignment Office at 355-7266 or 355-7263 or email Planning@greenville.k12.sc.us.

Please note, **students attending Pelham Road Elementary School on change in assignment, may be denied permission to return for the next school year for the following reasons: attendance issues, behavioral issues, tardy and/or late pick up.** We ask that all children adhere to the discipline and attendance policies set by the Greenville County School District. Parents will be notified by administration if concerns arise regarding change in assignment status.

SCHOOL CLOSING (Due to Inclement Weather)

The closing of school due to extreme weather conditions or severe emergencies will be announced on most of the Greenville radio and television stations during the early morning hours. If bad weather develops during the day, please listen to the radio for dismissal announcements. Please explain to your student, in advance, a safe procedure for getting home in case you cannot come to school. It is best that you not plan activities for your children on these days as they might not be vacation days if we have to use them for school days missed.

LIBRARY

Pelham Road Elementary School Library is the hub of all learning where technology and books are not only resources but tools for knowledge. Our mission is to assist our students to become effective, independent users of all types of information, provide learning experiences that will encourage them to become life-long learners, and most importantly, to foster the love of reading.

Students and teachers have access to information and materials at school and/or home using the following resources:

- Destiny Discover is our library online patron access catalog (OPAC). It can be accessed at school and at home.
- DISCUS - South Carolina's Virtual Library is provided by our state library. It is a database of various on-line reference sources. It is free, but you need a username and password to use at home. The username and password is sent home by your teacher each year or you can contact the librarian for this information.
- Sora by Overdrive - collection of e-books and audiobooks to borrow.

As new tools/resources are available, the information will be shared with teachers and students.

The librarian collaborates with teachers to help reinforce skills and provide resources for enriching activities that correlate with the curriculum taught in the classroom. Our schedule is designed to give teachers the flexibility to come to the library based on curriculum needs and projects.

Checkout Policy

The library is open on a flexible check-out schedule from 7:45-2:00. We encourage students to come any time during these hours. Kindergarten and 1st grade students are allowed to check out one (1) book per week. Students in 2nd through 5th grade may check out three (3) books and keep them checked out for a maximum of two weeks, but can bring back earlier. NOTE: Check out limits are subject to change during the school year. Parents are also invited to check out books from our library. There are no overdue fines, but if a book is lost or damaged, there will be a charge to replace the book.

Please see the library website on the PRES website under STUDENTS for updated information and answers to FAQ.

Students should not be kept at home because a field trip has been scheduled. The means of transportation will be indicated on the permission form.

Under no circumstances will a student be permitted to go on a field trip without a signed permission form. Please help your student remember that this signed form must be returned to the teacher. Parents should contact the teacher or the principal if there is a reason they cannot pay for the field trip. A plan will be made so that the student can

participate. Pelham Road Elementary School does not exclude students from field trips due to inability to pay the fees.

CHAPERONES

All school field trips must be properly chaperoned. Chaperones must pay to go on field trips that require a fee, and **MUST BE AN APPROVED LEVEL II VOLUNTEER.** Chaperones must complete an online volunteer application (which includes a background check) at least 2 weeks prior to a field trip. Staff members/teachers cannot distribute birthday invites to students. It is the responsibility of the student to distribute invites to classmates.

STUDENT SPEAKERS AT SCHOOL-SPONSORED ACTIVITIES

The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment.

Student speakers at school-sponsored activities, including graduations, may not be selected on a basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, evenhanded criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed, such speech is attributable to the school and may not include prayer or religious content. A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District's behavior code or substantially disruptive to the school environment.

LUNCH ACCOUNTS

Deposits into a student's lunch account can be made each day in the cafeteria from 7:15 am to 7:45 am. Parents can also view and make deposits into a student's lunch account through the My School Bucks software on the Greenville County School District website.

Greenville County Schools will now offer Universal Free Breakfast to all students, regardless of the student's free and reduced meal status.

Any money that is unpaid is carried over to middle school. If the balance due is not paid in middle school, it then carries over to high school and must be settled before graduation. It is best to take care of these charges as soon as possible.

SPECIAL PROGRAMS (Challenge)

Third, fourth, and fifth grade students meeting the South Carolina criteria for the academically talented, participate in the Challenge Program. This program is designed to extend and enrich the skills of these students.

SPEECH

Professional therapists provide speech therapy. They provide instruction for students who have problems with delayed language, articulation, stuttering, and voice disorders.

All Star Chorus

This group is made up of approximately 70 musically talented fourth and fifth grade students who audition in the fall. The chorus practices two afternoons a week from 3:00 until 3:45 p.m.

Safety Patrols

The Pelham Road Safety Patrol is comprised of twenty-five fifth grade students. Their fourth grade teachers nominate these students in the spring of their fourth grade year. Students are chosen according to their responsibility, punctuality, dependability, and desire to help others. They must maintain at least a “C” average and keep up with all their schoolwork. Pelham Road Safety Patrol students must be available from 7:00 am until 2:40 pm. The patrols assist with opening car doors, raising and lowering the flags each day, and help in any other way needed in and around the school. The duties and offices rotate each month. Mark Hobbs, the PE teacher and Laura Reeder, the Challenge teacher are in charge of the Safety Patrols.

Beta Club

The Pelham Road Chapter of the National Junior Beta Club is a club for 5th grade students who are invited based on their overall grades in 4th grade. Members must be

formally inducted in the fall, pay required membership dues, maintain excellent grades and behavior, and serve 10 hours of community service. The mission of the National Beta Club is to promote the ideals of academic achievement, character, service and leadership among elementary and secondary school students. The Beta Club is led by teacher sponsor, Jessica Earley (2nd grade). Members are expected to be role models among their peers as they demonstrate our motto: *Let us lead by serving others.*
