School Improvement Council

Application for Parent Representatives – 2021-22

The PRES School Improvement Council (SIC) is an advisory council to the principal that is focused on school improvement issues, and is accepting applications for three (3) Parent Representatives for the 2021-22 school year.

The SIC is made up of representatives of parents, faculty and staff, and community members. The group meets at monthly during the school year, generally on the last Wednesday of the month at 12pm. PRES parent representatives are elected by their fellow PRES parents. Any parent/guardian of at least one child enrolled in PRES is eligible to apply for the PRES SIC election. Parent representatives are elected to a term of two years. If a parent has a child enrolled in the 5th grade at PRES for the current school year and will not have any child enrolled the following year, that parent is elected to a term of one year only. While the elected parent representatives are voting members of the SIC, all parents are welcome to attend SIC meetings.

To submit your application, please email this completed form to 2020-21 SIC Chair Jason Gillespie at jcgillespie12@gmail.com by May 17th. Elections will be held later at the general PTA meeting on May 24th. The information below (with the exception of the phone number & email address) will be provided to parents for the election.
