Scroll down for application

What's required?

- Students must print and complete the 2019-2020 parking application which is available below.
- All fines, technology fees, and class dues must be paid prior to applying for a permit.
- A copy of your driver's license, current insurance, and registration must be attached to the parking application along with the **\$45** parking fee. Checks or exact change only. Please double check expiration date on insurance and registration prior to applying.

When do I get my parking pass?

There will be two opportunities to purchase a parking pass. **Passes will be handed out by lottery.** Passes may be purchased on the dates assigned below at Riverside High School.

Seniors:

Wednesday, August 7th (10:00-12:00)

TBD (During Orientation 9:00 -11:00)

Juniors:

Thursday, August 8th (10:00-12:00)

TBD (During Orientation 8:00 -10:00)

Sophomores:

If available, permits will be sold to qualifying sophomores on Monday, September 16th.

Sophomores must have a 3.0 and **no discipline record from the prior academic year in addition to the other requirements listed for the juniors and seniors.*

There is no rush to be first in line! Parking Spaces will be distributed in a lottery system by random drawing. When you apply for your permit you will draw a number and that will be your spot for the entire school year. Seniors will have the closest numbered spots and then juniors will receive the spots slightly further away from the entrance.

Maps will be provided to show you where your spot is located. If someone is parked in your spot, **DO NOT** park in another numbered space. Overflow parking will be available and you may park in one of these marked spaces and then report to the incident to Mrs. Gordeev. We will investigate and address the incident and issue a parking fine if applicable.

I am happy to answer any questions regarding the permit process. You may email me at mirvin@greenville.k12.sc.us. We look forward to a great 2019-2020 school year.
