The School District of Greenville County does not discriminate on the basis of age, race, sex, color, handicap, religion, or national origin in its dealings with employees, students, the general public, applicants for employment, educational programs, activities, or access to its facilities.

Dear Students and Parents:

On behalf of the faculty and staff at Riverside High School, I would like to welcome you to the 2019-2020 school year. I believe high school is every child's launch pad to life, and I am proud to be part of a community that has high expectations for developing the whole student.

Education is a shared responsibility, nurtured by both student and parent involvement. This website is designed to provide you with the most up-to-date information about Riverside. Visit the website for information pertaining to all announcements, celebrations, and information that will bridge the gap between home and school. In addition to the website, parents are able to keep up with their child's academic progress and attendance through the Parent Portal.

I encourage students to involve themselves in athletics, fine and performing arts, clubs, or service organizations available at our school. Research is clear that those students who immerse themselves in the extracurricular offerings are more likely to be successful in the classroom. This type of participation creates opportunities to learn valuable leadership and teamwork skills that will benefit our young people for the rest of their lives. Please visit our [Tribal Talks](#) link on the school website that has a list of activities, groups, and events.

Creating an empowering environment that prepares each student to become college and career ready is my top priority. I look forward to this school year and the opportunity to build productive relationships with each of you.

Go Warriors!

About Riverside High School

The Riverside community is predominantly suburban with a diversity of inner-city and rural populations. The Riverside High School philosophy encompasses these diversities.

Riverside High School's philosophy of education is a belief that the school must share the responsibility of the individual student's total development in all areas of his growth: mental, physical, cultural, civic, ethical, emotional, and social. The school must accept this responsibility in order to prepare the student for the rapidly changing social and economic conditions of the future. In addition to this responsibility, the school must contribute to the intrinsic value of the years that the student actually spends in the school so that those years will be of personal worth to the student.

To fulfill its philosophy of education, Riverside sets the educational pace and pattern best suited to the individual student's capacities by guiding students to accept and to understand the differences in themselves and in others and by offering students various opportunities designed for their mental capacities.

RIVERSIDE HIGH SCHOOL ALMA MATER

In spirit and in learning,
Our best in everything we do.
Warriors strong in brotherhood
Loyal red and blue.
Ties that bind us to each other
Fill our hearts with love and pride.
When we go our separate ways
We'll always remember...
Riverside

DATA SECURITY and USE OF TECHNOLOGY

Administrative Rule EFE: (Student Specific Version)

See Full Version at <http://www.boarddocs.com/sc/greenville/Board.nsf/Public#>

I. Introduction

Each employee, student or non-student user of Greenville County Schools (GCS) information system is expected to be familiar with and follow the expectations and requirements of this administrative rule.

A. Legal Requirements

GCS is committed to complying with applicable information security requirements and relevant information security standards and protocols. These requirements include, but are not limited to the following:

1. The Family Educational Rights and Privacy Act (FERPA)
2. Children's Internet Protection Act (CIPA)
3. Individuals with Disabilities Education Act (IDEA)
4. Children's Online Privacy Protection Act (COPPA)
5. Health Insurance Portability and Accountability Act (HIPAA)

Users of GCS's network are required to adhere to state and federal law as well as board policy. Any attempt to break those laws or policies through the use of GCS networks may result in discipline or litigation against the offender(s) by the proper authority. GCS will provide any information necessary in order to fully cooperate with the appropriate authorities in the civil and/or criminal process.

B. Acceptable Use

GCS provides computer, network, e-mail, and Internet access to individuals as part of the learning environment. The use of these resources is a privilege and not a right. While these systems have the power to deliver a vast number of resources to classrooms and enhance education, their effectiveness depends on the responsible and ethical use by every individual. Violation of this administrative rule will result in the loss of this privilege and may result in discipline or litigation in accordance with board policy and state and federal law.

II. Student Acceptable Use

This section is dedicated to provide GCS students with guidance of acceptable use of the district's information technology resources, including but not limited to:

1. The internet, intranet, e-mail, portal;
2. District assigned computing devices such as personal electronic devices, laptops, desktops and portable storage; and
3. The District's network and supporting systems and data transmitted by and stored on these systems.

A. Compliance with Copyright Laws

Students are to follow copyright laws at all times. Students should refer all questions regarding copyright concerns to administrators at their school.

B. Filtering and Monitoring Computer Resources

The District takes reasonable precautions by using filtering software to keep inappropriate Internet sites and e-mail out of the classroom. The District strongly adheres to the guidelines set forth by COPPA and CIPA when installing filtering/monitoring software devices on District equipment. The District does not supervise individual e-mail accounts.

1. The District reserves the right to review any e-mail sent or received using District equipment and e-mail accounts.
2. Students must adhere to the behavior expectations while using technology and e-mail, including but not limited to those expectations contained in board policy. The District's Behavior Code is Board Policy JCDA.
3. Technology is constantly changing and evolving. Due to the nature of the Internet, online communications, and evolving technology, the District cannot ensure or guarantee the absolute safety of students during the use of technology, including email and the Internet. Parents and students should contact the school immediately with any concerns related to the use of technology.

C. Prohibited Uses of GCS Resources

The following uses of GCS computer resources by students are prohibited from:

1. The use of school computers for commercial purposes.
2. The use of obscene, bullying, profane, lewd, threatening, disrespectful, or gang related language or symbols.
3. The bypass or attempt to bypass any of the District's security or content filtering safeguards.
4. Allowing another person to use the computer under your District login.
5. Adding, modifying, repairing, reconfiguring or otherwise tampering with any device on the network infrastructure including, but not limited to: wireless network devices, computers, printers, servers, cabling, switches/hubs, routers, etc.
6. Unauthorized access, overloading, more commonly known as Distributed Denial of Service or Denial of Service, or use, or attempted unauthorized access or use of District information systems.
7. Destroying or tampering with any computer equipment or software.
8. The use of any "hacking tools" that can be used for "computer hacking", as defined in the South Carolina Computer Crime Act, may not be possessed on school property, on any District premise, or run or loaded on any District system.
9. The use of school computers for illegal activities including but not limited to planting viruses, hacking, or attempted unauthorized access to any system.
10. Violating any state or federal law or regulation, board policy or administrative rule.

Students, parents and guardians agree that GCS computer equipment must be handled with care and respect.

D. Consequences

Students who violate this administrative rule may be subject to disciplinary action including expulsion in accordance with board policy and state/federal law. Suspected criminal activity must be immediately reported to law enforcement.

III. GCS Internet Safety and Other Terms of Use

A. General Access

In compliance with the Children's Internet Protection Act ("CIPA"), U.S.C. §254 (h), the District uses technological devices designed to filter and block the use of any of the District's computers with Internet access to retrieve or transmit any visual depictions that are categorized as obscene, child pornography, or "harmful to minors" as defined in the CIPA.

1. Though the District makes reasonable efforts to filter such Internet content, the District cannot warrant the effectiveness of its Internet filtering due to the dynamic nature of the Internet.
2. Users of a District computer with Internet access may request that the "technology protection measures" be temporarily disabled to conduct bona fide research for another lawful purpose. These requests should be made to ETS with the knowledge of that employee's supervisor.

B. Personal Safety

The following list is considered precautions taken by GCS to ensure the safety of students, staff and the public.

1. Students will not post or email personal contact information about themselves or other people unless it is in conjunction with a specific teacher-approved assignment or approved college/career communication.
2. Students will not agree to meet with someone they have met online without their parent/guardian's approval.
3. Students will promptly disclose to an administrator, teacher, or other school employee any message they receive that is inappropriate or makes them feel uncomfortable.

D. Expectation of Privacy

Individuals should not have an expectation of privacy in the use of the District's email, systems, or equipment. The District may, for a legitimate reason, perform the following:

1. Obtain emails sent or received on District email.
2. Monitor an individual's use on the District's systems.
3. Confiscate and/or search District-owned software or equipment.

The District may confiscate and search personal electronic devices in accordance with New Jersey v. T.L.O. and applicable law.

Personal Learning Devices

Riverside High School Personalized Learning Device Policy

The policies, procedures, and information contained in this document apply to all Chromebooks used at Riverside High School as well as any other technology device in which the administration at Riverside High School determines falls under the umbrella of these policies and procedures. Due to the 2019-20 school year being the initial year for Personalized Learning devices at Riverside High School, the administration reserves the right to alter these policies at any time throughout the year. Students, Staff, and Parents will be notified if a change is made.

Receiving and Returning Chromebooks

Students must sign the Chromebook Contract as well as pay their Technology Fee before a Chromebook will be issued to them. The Contract can be found on the last page of this handbook. Each Chromebook will come with a Dell Chromebook charger and both will be checked out to students using the Destiny system used for textbooks.

Chromebooks and chargers will be returned and checked in to the school at the end of the school year. Seniors will follow their schedules for End of the Year Procedures. All Chromebooks and chargers MUST be returned at the end of the school year, upon withdrawal from the school, and/or before Graduation. Any Chromebook not returned will be considered stolen property and law enforcement will be notified.

Device Use

The following is important information regarding the care of the student device.

Student Expectations:

- Students are required to bring their device to school every day, fully charged.
- It is HIGHLY recommended to purchase a case or cover for your Chromebook. PTSA will be selling covers during orientation.
- Students may save files to the device but students should be aware that if a device is stolen, lost or damaged, files may be lost. It is recommended that students ALWAYS save items to their Google Drive account.
- Students should not download any applications or extensions unless approved by the teacher.
- Students will obey general school rules concerning behavior and communication that apply to computer use. Failure to do so may result in the loss of access.
- Students will turn in their device if leaving Riverside High School. Students will be issued another device IF they enroll in another Greenville County School, if available. If a student transfers devices must be turned in or they will be reported stolen.
- Students are not to download or access inappropriate material at home or at school. Devices are monitored 24/7 by the Greenville County School District. Any attempts to download/view inappropriate content will be reported to school administrators and will result in severe consequences.
- Students are never to give their login information to other students.
- Students are to remember that if they give their device to others to use, the student is responsible for any content viewed on the device, any material downloaded and any damage that may occur while it is out of their possession.

Teacher Expectations:

- Teachers will monitor use of Chromebooks for inappropriate use or inappropriate content.
- Teachers will provide opportunities for students to develop 21st Century Skills using Chromebooks, Google Apps for Education, and other available web tools.
- Teachers will make course material available online to students.
- Teachers will discuss school district policies with students each year so students understand expectations.
- Teachers will model and hold high expectations for students while sharing and gathering information online.
- Teachers will model responsible care and use of the Chromebook.
- Teachers will follow and enforce school policy and procedures in regards to Chromebooks.

School Site Expectations:

- School will provide Internet and email access to its students.
- School will provide filtering of inappropriate Internet materials.
- School will provide staff guidance to aid students in doing research and help assure student compliance of the acceptable use policy.

Device Care:

- Do not place books or other heavy items on the device as this may cause the screen to crack.
- Do not put stickers or other decorations on the Chromebook.
- Do not use the device around food or liquid. If carrying the device in a backpack, be sure liquid cannot spill on the device.
- Do not leave the device in a hot/cold car for long periods of time. If a device must be left in the car, be sure it is in the shade, out of site and the car is locked.
- Be careful to avoid creating a tripping hazard when charging the Chromebook.
- Do NOT spray or wipe your Chromebook with any Windex/household cleaner/water and/or cleaning cloth/wipes. Clean your Chromebook keys and screen with a lightly moistened soft cloth.
- DO NOT use the USB ports on your Chromebook for charging cell phones. THIS WILL RESULT IN BATTERY DAMAGE and you WILL BE CHARGED to replace the battery.

Internet Access & Filtering:

The device your student will be issued has internet access. Students will connect to the school's internet wirelessly. Students are able to connect to home and public wireless access points as well. Parents are asked not to change the internet settings since this may prevent students from getting online at school. Devices should connect to home wireless networks without changing the settings. If the student does not have access to the internet at home, please be advised that many items can be worked on offline at home and then uploaded to Google Drive at school. Please consult the [Chromebook website](#) for more information regarding working offline.

All school issued devices contain filters to protect students when they are browsing online. Student devices are filtered while students are at home, in public, and at school. No filter can block out 100% of inappropriate content; so parents are urged to monitor students while at home. Please note that the School District of Greenville County does monitor all student devices at all times.

Damaged Chromebooks

Students are responsible for the general care of the Chromebook issued to them by the District. Students will receive a Chromebook that is specific to them (barcode scanned into their account similar to a textbook). Each year, students will be assessed a technology fee. Please see GCSD Chromebook Repair Warranty on the following page to learn more about the Greenville County School District's Repair Policy. Chromebooks that are broken or fail to work properly must be taken to Mr. Williams in the Media Center from 8:15-9:00, during flex (with a pass), or during any of the lunches, and **no** later than 24 hours after the damage occurs. Failure to do so can result in the student being charged for the repair.

Students will fill out a Repair and Maintenance Request Form. At that time, it will be determined whether this is a covered repair. If the repair is NOT covered, the student will be notified of the cost of the repair and a letter will be sent home. The charge for the repair will then be assessed to the student.

STUDENTS SHOULD NEVER OBTAIN THIRD PARTY REPAIRS ON THEIR CHROMEBOOK.

Covered Repairs:

A covered repair is classified as: 1) screen damage (first occurrence); 2) battery issues (won't charge or won't work unless plugged in); 3) Touchpad issues; 4) Accidental computer key damage.

Students will be issued a new Chromebook once the damaged Chromebook is turned into Mr. Williams. Students are allowed one covered repair per year. Any damages that occur after the first covered repair will be the financial responsibility of the student.

Non-Covered Repairs:

The following are examples of incidents not covered by the Dell warranty or Accidental Damage Protection.

- Second screen break during the same academic year.
- Intentional damage resulting from abuse or vandalism.
- Lost or Missing Chromebook.

Non-covered repairs should be reported to {media center person?} immediately. Do not attempt to repair the Chromebook yourself.

Students will be issued a repair cost summary which will be added to their fees owed.

Students are solely responsible for the Chromebook that is issued to them regardless of who had possession of the Chromebook at the time in which the damage occurs.

Chromebook Repair Hours:

Open AM, FLEX (with a pass), all three lunches

Students should NOT bring Chromebook issues to the Media Center during class time

GCSD Chromebook Repair Warranty

The Dell Chromebooks that have been purchased by Greenville County School District are covered by a 3-year parts and labor warranty. This warranty covers the machines for hardware failures, such as:

- Chromebook will not charge or will not turn on.
- Chromebook's keyboard or touchpad is no longer working.

Students will also receive coverage for ONE incident of accidental damage per year. Examples include the following:

- Liquid spilled on or in the Chromebook.
- Drops, falls and other collisions.
- Damaged or broken LCD screen due to a drop.

PLEASE NOTE, AGAIN, THAT STUDENTS WILL ONLY RECEIVE ONE COVERED REPAIR PER ACADEMIC YEAR.

Lost, Missing or Stolen Chromebooks

Students should report missing or lost Chromebooks to Mr. Williams in the Media Center as soon as it is discovered lost or stolen. You will have to fill out a Missing Chromebook Form. You can print this out and fill it out ahead of time to expedite the process. It is located on the [Chromebook website](#). You will have to get signatures from all of your teachers stating you have looked for the Chromebook in each class as well as get a parent signature.

You will be issued another Chromebook after review of your case by your administrator and the School Resource Officer.

Chromebooks that are reported stolen will be shut-down and rendered unusable by the district.

PLEASE NOTE THAT STUDENTS ARE ONLY ISSUED ONE CHROMEBOOK CHARGER AT THE BEGINNING OF THE YEAR. IF THE CHARGER IS LOST/MISSING, YOU WILL BE CHARGED FOR REPLACEMENT AND GIVEN A NEW CHARGER. STUDENTS SHOULD NOT PURCHASE THEIR OWN REPLACEMENT CHARGER.

Technology Fee

Each student will be assessed a Chromebook Technology Fee each year that they are enrolled in Greenville County Schools. Students will be able to pay this at the beginning of the school year or through the Opening of School Packet (Due by August 30th). The Technology Fee is based upon where students fall under the Free and Reduced Price Meal Program.

- Full Pay Students = \$25 Yearly Technology Fee

- Reduced Lunch Students= \$15 Yearly Technology Fee
- Free Lunch Students= \$5 Yearly Technology Fee

A FEE WILL BE CHARGED TO THE STUDENT'S ACCOUNT IF HE OR SHE HAS NOT PAID THE ANNUAL CHROMEBOOK TECHNOLOGY FEE. STUDENTS WHO OWE FEES WILL NOT BE ABLE TO PARTICIPATE IN SOME OF OUR STUDENT ACTIVITIES (I.E. PROM AND/OR GRADUATION).

Students and staff will refrain from using communication devices or District property to harass or stalk another. The District's computer network and the Internet, whether accessed at school or away from school, during or after school hours, may not be used for the purpose of Cyberbullying. All forms of Cyberbullying are unacceptable and viewed as a violation of this policy and the District's acceptable computer use policy and procedures after school hours, may not be used for the purpose of Cyberbullying. All forms of Cyberbullying are unacceptable and viewed as a violation of this policy and the District's acceptable computer use policy and procedures.

It is also recognized that the author (poster or sender) of the inappropriate material is often disguised (logged on) as someone else.

Students and community members who believe they have been the victims of such misuses of technology, as described in this policy, should not erase the offending material from the system. A copy of the material should be brought to the attention of the administration.

School administrators will fully investigate all reports of Cyberbullying.

In situations in which Cyberbullying originated from a non-school computer, but has been brought to the attention of school officials, any disciplinary action shall be based upon whether the conduct is determined to be severely disruptive of the education process so that it markedly interrupts or severely impedes the day to day operation of a school. In addition, such conduct must also violate a school policy. Such conduct includes, but is not limited to: threats, or making a threat off school grounds, to harm a member of the school staff or a student, malicious use of the District's computer system to develop programs or to institute practices that harass other users to gain unauthorized access to any entity on the system and/or damage the components of an entity on the network is prohibited.

Disciplinary action may include, but is not limited to, the loss of computer privileges, suspension or expulsion for verified perpetrators of Cyberbullying. Sophomore:	Five (5) units (must include English I, one (1) unit of math and three (3) other units)
Junior:	Eleven (11) units (must include English I and II, two (2) units of mathematics, one (1) science, and six (6) other units)

REPORT CARDS, PROGRESS REPORTS, GRADING SCALE

Report cards will be issued to students each nine weeks. These will show a numerical grade in each subject and may include a record of absences and tardies (time out of class).

Due to district policy, progress reports will no longer be printed.

Reports by telephone, personal interview, e-mail, and letter will be made by teachers whenever the welfare of the student requires them.

High school students will receive a numeric grade for each subject based on the South Carolina Uniform Grading Scale. The numeric grade and category of the course will determine the quality points earned for each subject. College Prep and Advanced courses earn the base weight. Honors, dual credit, pre-IB, advanced placement, and IB courses have higher values.

Students and parents need to choose courses carefully. Students who withdraw from a course after five days in a 90-day course or after 10 days in a 180-day course will receive a grade of 51 and zero quality points. The F with its accompanying zero quality points will be included in the student's grade point average (GPA).

S. C. Uniform Grading Scale (UGS)

A	90 - 100
B	80 - 89
C	70 - 79
D	60 - 69
F	Below 0 – 59

The full UGS can be found on the school counseling webpage.

GRADE POINT AVERAGE - RANK IN CLASS (GPA/RIC)

1. Except for pass-fail courses, all courses in grades nine (9) through twelve (12) which carry unit of credit shall be included in the ranking. High school courses taken prior to 9th grade shall also be included.
2. Grade point average and class rank shall be determined for each class at the end of each semester.
3. In order to determine grade point average, quality points will be assigned to the final grade given at the end of the course (semester or year).
4. Rank in class shall be calculated by placing students in order beginning with the student having the highest GPA and continuing until all eligible students have been ranked. Ties shall not be broken, but the same number will be used; for example:

1. John Doe	4.551
2. Mary Smith	4.543
2. Doris Brown	4.543
4. Tom Jones	4.537

5. School District Policy will be followed in selecting the valedictorian and salutatorian.
6. Grade point average and rank in class shall become part of the individual student's record and shall be treated in accordance with Policy 5125 of the School District of Greenville County.
 - a. GPA and RIC for an individual may be given only to the individual or someone he designates in writing, such as colleges, etc.
 - b. A listing of rankings of students shall not be made public in its entirety.

TESTING PROGRAMS

Preliminary Scholastic Aptitude Test/National Merit Qualifying Test (PSAT) is administered during the month of October. The State Department of Education may pay for all sophomores to take the test. This test is designed for juniors who plan to continue their education beyond high school and who wish to be considered for scholarships administered by the National Merit Scholarship Program and the National Achievement Program for Outstanding Black Students. Juniors are encouraged to pay for and take this test.

College Entrance Examinations (SAT and ACT) are administered in Greenville several times during the year in Greenville County on each nationally scheduled day. Students interested in taking the tests should contact their counselor early in

the school year. Students register online for SAT and for the ACT. Students who plan to continue their education after high school should take either or both tests during their junior year and again in the fall of their senior year.

The State Department may pay for all students in their third year of high school to take the ACT or the SAT. These specific exams are given on a school day, and the scores can be used for college admission and scholarship purposes.

MID-TERM, END-OF-COURSE, AND FINAL EXAMINATIONS

ALL STUDENTS ARE REQUIRED TO TAKE ALL MID-TERM, END-OF-COURSE, AND FINAL EXAMS IN ALL CLASSES. EXAMS CANNOT BE GIVEN EARLY.

FAMILIES SHOULD NOT SCHEDULE ANY EVENT WHICH WOULD REQUIRE LEAVING SCHOOL BEFORE THE DATES OF MID-TERM, END-OF-COURSE OR FINAL EXAMS.

Students who are absent from an exam must bring a doctor's note or certified proof of death in the immediate family in order to reschedule the exam. The note should be brought to the Attendance Office before the start of classes on the day the student returns to school. The student must get principal approval to make up their missed exam. If the absence is excused, the student must make arrangements with the teacher to makeup the exam.

12 YEAR PERFECT ATTENDANCE:

In order to qualify for 12-Year Perfect Attendance recognition from the South Carolina State Department of Education, a student must not have accumulated any absences-excused or unexcused-since being enrolled in a public school as a first-grade student.

A student cannot have had any type of absence, including bereavement, medical, court order, etc., during the 12 years of public school attendance. The only exception to this would be a school sponsored Field Trip and/or a College Visit, both of which would be coordinated through the school with prior approval from appropriate school Administration.

The definition of an absence at a Greenville County High School is missing any singular class period a student is enrolled in, or multiple class periods a student is enrolled in, during a school day. Absence in any part of the school day for a minimum of one class period, even if the student was present for other portions of that same school day, by definition excludes a student from being determined to have Perfect Attendance.

ACADEMIC INTEGRITY (CHEATING) POLICY

Representing someone else's work as your own is dishonest because it compromises your integrity and diminishes what we stand for as a school community. We believe that your success is dependent on your efforts. You are expected to complete your work with honesty and integrity. Cheating is defined as representing someone else's work as your own or allowing someone to represent your work as their own. Cheating has no role in our Riverside High School learning community!

Cheating includes, but is in no way limited to, the following:

- Copying homework or allowing someone to copy your homework.
- Looking on another's test or quiz or letting another student look on a test or quiz
- Reporting to another student what is on a test or quiz, including providing questions or specific answers
- Using any secretive methods of giving answers on a test or quiz
- Taking information from another source that is not properly attributed/plagiarism

- Working with others on an assignment that was meant to be done individually
- Taking someone else's assignment or portion of an assignment and submitting it as your own
- Using summaries or other published study aides instead of reading assigned material
- Copying answers from the back of the textbook where applicable

Individual teachers will provide guidelines as to what is or is not cheating within their course. You will be informed of the classroom policy, and it is at the teacher's discretion as to when an infraction has been made.

Consequences of Cheating:

- 1st Offense = Parent Phone Call/Warning
- 2nd Offense = "0" on assignment and Saturday School
- 3rd Offense = "0" on assignment and Suspension (OSS)

Beyond the stated consequences, your integrity as a student will be diminished. Trust between you and the learning community will be hurt, the college recommendation through guidance will be impacted, the possibility of being considered for any type of honor society will be diminished or the continued membership will be put in jeopardy.

HONESTY! INTEGRITY! RESPECT! RESPONSIBILITY!

Attendance

GREENVILLE COUNTY SCHOOLS ATTENDANCE POLICY

Parents have the legal responsibility of sending their children to school.

All absences beginning with the first shall be approved or disapproved by the board's designee, the building principal. In making this decision, the principal shall be guided by the procedures as presented herein. Decisions regarding approval of absences and eligibility for credit may be appealed in accordance with district policy.

In accordance with the South Carolina Compulsory School Attendance Law, the School District of Greenville County has adopted uniform rules to assure that students attend school regularly. Each day that students are not in school, they miss hours of valuable instruction and opportunities for learning that they will not have again.

All children are required to attend a public or private school or kindergarten beginning at age five and continuing until their seventeenth birthday. If a child is not six years of age on or before the first of September in a particular school year, parents/guardians may choose not to send their children to kindergarten; however, they must sign a waiver which may be obtained at the local school.

Students are counted present when they are actually in school, are on homebound instruction, or are present at an activity authorized by the school principal. A student is considered in attendance when present for at least (3) hours of a school day.

I. Lawful Absences

A. Absences caused by a student's illness and whose attendance would endanger his or her health or the health of others. These absences must be verified by a statement from the parent within two (2) days of the student's return to school.

B. Absences due to an illness or death in the student's immediate family verified by a statement from a parent within two (2) days of the student's return.

C. Absences due to a recognized religious holiday of the student's faith when approved in advance. Such requests must be made to the principal in writing.

D. Absences for students whose parents/guardians are experiencing a military deployment: Specifically absences when the parent or legal guardian of a student is an active duty member of the uniformed services and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting, shall be excused as long as such absences are reasonable in duration as deemed by the principal so that the student can visit with his or her parent or legal guardian relative to such leave or deployment of the parent or guardian.

E. Absences due to activities that are approved in advance by the principal. This would include absences for extreme hardships. Such approval should be prearranged when possible.

II. Unlawful Absences

A. Absence of a student without the knowledge of his or her parents.

B. Absences of a student without acceptable cause with the knowledge of his or her parents.

C. Suspension is not be counted as an unlawful absence for truancy purposes.

III. Approval of Absences in Excess of Ten (10) Days and Approval Credit

A. Absences

For students in grades K-12, principals shall promptly approve or disapprove any student's absence in excess of ten (10) days, whether those absences are lawful, unlawful, or a combination of the two. A student does not exceed the 10 day absence limit until the student has reached his or her 11th unlawful absence.

B. Carnegie Credit

The school year consists of 180 school days. To receive credit, high school students or students in middle school taking courses for graduation credit must attend at least 85 days of each 90-day semester course and at least 170 days of each 180-day year course, as well as meet all minimum requirements for each course. In order to receive one Carnegie unit of credit, a student must be in attendance at least 120 hours, per unit, regardless of the number of days missed, or must demonstrate proficiency as determined by the District. This exception to the 120-hour requirement is to be determined by the District on a case-by-case basis and only for students who have excessive absences that have been approved.

General requests for proficiency-based credit must be made through the process described in Regulation 43-234.

Students whose absences are approved should be allowed to make up any work missed in order to satisfy the 120-hour requirement. In order to receive high school credit after the 10th unlawful absence, "seat time recovery" is required for every subsequent absent that is unlawful. (Note: the 10 day absence limit applies to each 180-day course and should be considered 5 days for each 90-day course). A student must attend the majority of a class session during a school day to receive credit for that class.

IV. Procedures for Makeup Work

Examples of make-up work may include: (1) after-school and/or weekend programs that address both time and academic requirements of the course(s), or (2) extended-year programs that address both time and academic requirements of the course(s). All make-up time and work must be completed within thirty (30) days from the last day of the course (s) unless

approved by principal as a result of extenuating circumstances. Make-up requirements that extend beyond thirty days due to extenuating circumstances must be completed prior to the beginning of the subsequent new school year.

A. Provision for makeup of school work missed during lawful absences shall be worked out with the teacher(s) concerned at the earliest time possible, but the time should not exceed five (5) days after the student returns to school.

B. Makeup of school work missed during unlawful absences may be approved only with permission of the principal after consultation with the teacher(s) concerned.

C. These Procedures for Make-Up Work apply to all schools in the district.

RIVERSIDE ATTENDANCE PROCEDURES

As stated in the School District Attendance Policy:

To receive credit in a class, high school students or students in middle school taking courses for graduation credit must attend at least 85 days of each 90-day semester course and at least 170 days of each 180-day year course, as well as meet all minimum requirements for each course. It is the student's responsibility to keep up with their absences in all classes and to contact the Attendance Office regarding Seat Time Recovery (STR) for excessive absences. The student's teacher, school's Attendance Office, student and parent portal and daily calls home from the district's school messenger are available resources to students and parents.

Students are counted present only when they are actually in school, on homebound instruction, or are present at an activity authorized by the school principal.

A student is considered in attendance when present for more than half of the class period.

A written excuse for a student's absence must be turned in within two (2) days of the students return to school. An excuse should include the reason for and the date of the absence. If a student fails to bring a valid written excuse to school, the absence(s) will be coded as either unverified or unexcused in Powerschool.

A parent may provide up to 10 parent notes excusing a student illness or an absence related to an immediate family member's illness or death. However, in order for any subsequent absence related to an illness to be lawful it must be supported by a physician statement/medical note. Beginning with the 11th parent note, such excuses will be considered unlawful and will be coded as unexcused.

In order to receive high school credit after accumulating a combination of 10 parent notes and/or unlawful absences, "seat time recovery" will be required for any subsequent unlawful absence or parent note that was not approved by the principal. (Note: the 10 day absence limit applied to each 180-day course and should be considered 5 days for each 90-day course.) A student must attend the majority of a class session during a school day to receive credit for that class.

A student must be in attendance for the majority of a class period for Carnegie credit purposes.

For a student to take full advantage of the educational opportunities at Riverside, he should be in attendance each day. Regular attendance and achievement in school subjects are closely related. For this reason the following policies concerning attendance are deemed necessary:

Make-up work for full credit is allowed at the convenience of the teacher within five (5) school days of returning to school. Work not made up within five (5) school days is recorded as a zero. Long-Term assignments will still need to be submitted on time.

Notes for Absences

1. When a student has been absent, he must bring a written excuse from his parent/guardian or doctor the day he returns to school or not later than two (2) days of the absence in order for the absence to be excused. The note must be brought to the Attendance Office before going to your first class.

Admit Slips

2. When a student has missed a class due to an absence or a tardy for any reason, he must obtain an admit slip or a late permit from the Attendance Office before he is permitted to re-enter class. These admit slips must be obtained whether or not the student has brought a written note from parent/guardian or doctor. It is the responsibility of the student to present this slip for a signature from each of his teachers whose class he has missed in order to be admitted to class and to make-up work.

3. If the excuse is not brought or the permission slip is not presented to each teacher within the two (2) day time period, the absence will be considered unlawful, and the student cannot make up work.

4. The excuse should contain the following:

- a. Full name of the student
- b. Reason for absence
- c. Date of absence
- d. Signature of parent or guardian
- e. Telephone number where parent can be reached

5. If a student's last name is different from that of parent/guardian, please always use the student's full name on any and all correspondences, notes, etc.

6. PRE-ARRANGED ABSENCES: Absences for religious holidays, court, and/or other reasons must be requested in writing by the parent/guardian at least one full school day prior to time/date of absence. These arrangements should be made with the Attendance Office. **ALL NOTES MUST BE BROUGHT TO THE ATTENDANCE OFFICE UPON ARRIVAL AT SCHOOL, not during class time. Notes brought after this time may not be accepted.**
THESE PRE-ARRANGED ABSENCES WILL COUNT TOWARDS THE TEN (10) DAY OR FIVE (5) DAY LIMIT IN ACCORDANCE WITH THE SOUTH COMPULSORY SCHOOL ATTENDANCE LAW.

IF APPROVED, THE STUDENT WILL BE ALLOWED TO MAKE-UP WORK.

1. Absences for which parent/guardian or doctor's notes are not brought within two (2) days or the absence was not pre-arranged will be considered unlawful absences.

2. Students with unlawful absences cannot make-up work and will receive a zero on all work for that day.

C. COLLEGE VISITS/INTERVIEWS:

1. Juniors and seniors are allowed three (3) days for college visits/interviews during the year. These absences will count towards the 10 or 5 day limit.

2. Arrangements for these absences must be made with the Attendance Office at least twenty-four (24) hours prior to the date of absence. **ALL COLLEGE VISITS WILL BE USED PRIOR TO THE END OF THE THIRD QUARTER GRADING PERIOD.**

3. The following steps must be taken:

a. Prior arrangements/appointment for the visit should be made with the college.

b. Requests for approval of absences for college visitation must be submitted to the Attendance Office in writing by a parent/guardian at least 24 hours prior to the date of the scheduled visit.

c. The note should include:

(1.) student's name

(2.) reason for absence

(3.) date of visit

(4.) name of college

d. While at the college, request written verification that you had an official college visit on said date. Bring that note to the Attendance Office upon your return to school to receive an admit slip to class and to be excused to make up work.

4. Any absences taken for college visits/interviews that exceed the limit and/or do not comply with all of the above steps will be considered unlawful absences.

D. TRUANCY: Including leaving school grounds without administrative permission will result in school suspension. Stronger disciplinary action will occur with each infraction.

1. A zero is recorded for any work missed in class when a student is truant.

2. All students must enter the building upon arrival on campus.

3. No loitering on parking lots upon arrival, whether inside or outside of cars, will be allowed.

4. Any student who exits the campus for any reason, at any time, without administrative approval after initial arrival will be considered truant and leaving campus without permission.

E. TIME OUT OF CLASS (Tardies):

1. Students must get to school on time. School begins at 8:15 or 9:12 a.m. It is important that each student checks the time required to arrive and plans to report five or ten minutes earlier. Tardiness caused by slow clocks, running errands, loitering in the hall, car trouble, or any other reason will not be excused.

As students accumulate unexcused tardies, or "time out of class", during each semester, he/she is liable for disciplinary action. Stronger disciplinary action will accompany every unexcused tardy in the form of after-school detention, Saturday School, lost privileges, or out-of-school suspension.

2. A student who arrives at school during or after the beginning of his first class must report to the Attendance Office to obtain a tardy slip. Failure to do so WILL result in a referral for class cutting.

3. Time out of Class Referrals or "total count" of tardies will be based on an overall number, not based purely on one class. Each student will be given five "overall" tardies per semester. However, once a student reaches their sixth (6th) "overall" tardy, the discipline protocol will go into effect.

RIVERSIDE HIGH SCHOOL "Time Out of Class" POLICY

Renews at the Semester Break (18 weeks)

Tardies 1-5 = Warning

Tardies 6-8 = Lunch Detention

Tardies 9-11 = After School Detention

Tardies 12+ = Saturday School Detention

F. ATTENDANCE RECOVERY: All students are expected to comply with all attendance policies throughout the school year. Students and parents are to monitor their attendance carefully. When students exceed the maximum allowable number of days of absence, they may be eligible for Seat Time Recovery. It is the student's responsibility to go to the Attendance Office to inquire about Seat Time Recovery and excessive absences.

The School District has provided an automated calling system to households, student and parent portals, and school attendance offices for monitoring student attendance.

G. PERMISSION TO LEAVE SCHOOL REQUIRED: The basis for our school policy on dismissals from school is the belief that a day is more valuable to the person if he/she spends that time in school rather than in some other activity.

1. Early Dismissals:

a. A student desiring to be dismissed from school early for a valid reason must bring a note from home signed by his parent or guardian, including the telephone number where the parent or guardian can be reached, and approved by an administrator. **NO TELEPHONE, FAX, or email requests for an early dismissal can be accepted.** Without a legal note, parent or guardian must come into the office to sign out student for early dismissal. Leaving campus without an administrator's knowledge and/or approval will be considered cutting class or school.

b. Doctor and dental appointments should be made after school whenever possible; however, if the appointment must be made during school hours, the student should leave school in time to keep the appointment, missing as few classes as possible.

c. Requests for dismissal are to be brought to the attendance office before each student's first class, not at the time for dismissal. Please allow enough time to take care of this matter in order to prevent an unexcused tardy to class.

d. If dismissal time is during a class, students are to check by the attendance office prior to that class to get their early dismissal pass in order to be dismissed from class. All early dismissals must sign out in the attendance office.

e. There will be **NO EARLY DISMISSALS ALLOWED AFTER 3:00 p.m.**

****IN ALL CASES, ONCE A STUDENT ARRIVES ON CAMPUS, THE STUDENT MUST FOLLOW EARLY DISMISSAL PROCEDURE BEFORE LEAVING CAMPUS. Violation of this rule will result in a discipline referral.**

2. Dismissal Due to Illness: If a student becomes ill at school, he must report to the Health Room Clinic. Failure to do so may result in unexcused time missed from class. Students who are ill and need to leave campus must do so through the Health Room Clinic. Otherwise, it is considered cutting class and leaving campus without permission. The parent or guardian must be notified by the nurse before students are allowed to leave school. Please be sure to complete and return the Health Room Emergency Form with all information completed so that the nurse will be authorized to dismiss your student.

DROPPING OR CHANGING COURSES

It is expected that the student, with a counselor's help and the parent's approval, has given careful consideration to his choice of courses. In the event, however, that a schedule must be changed, the following procedures are to be followed:

1. Students must pick up a Request for Schedule Change Form in the counseling office.
2. Schedules will be changed only if there are obvious errors, computer or otherwise.
3. Final approval of the request will be made by the principal.
4. Students will remain on class rolls and will be expected to attend all classes until official approval has been given to be removed from rolls.

TRANSFER OR WITHDRAWAL FROM SCHOOL

If it becomes necessary to withdraw from school or to transfer to another school, all textbooks and school-owned materials must be returned. All grades and other information will be inaccessible for other schools or job recommendations unless the record is cleared completely upon transfer or withdrawal. All records given to the student's family will be marked unofficial. Parents must come in and sign withdrawal paperwork. The address for the new school and the student's new address will be requested at time of withdrawal.

Only students who have met all of the requirements for a diploma prior to the graduation exercise will be allowed to participate.

All seniors planning to attend college or technical school should see the senior counselor at the beginning of the school year for applications, scholarships, and transcript information. Senior information bulletins are posted in senior English classes and on the RHS website. This bulletin contains information about scholarships and other important information for seniors. Seniors interested in financial aid of any kind must fill out the appropriate financial aid form. These forms are usually online.

ALL SENIORS WHO PLAN TO PARTICIPATE IN GRADUATION EXERCISES MUST ATTEND THE SCHEDULED GRADUATION MEETINGS AND/OR PRACTICE(S). ANY SENIOR WHO DOES NOT ATTEND THE PRACTICE(S) WILL NOT BE ALLOWED TO PARTICIPATE IN GRADUATION.

Graduation is a monumental event in the life of each student and his family; therefore, certain regulations must be followed. Graduates must report to the assigned meeting place on time on graduation day. Family members and friends are expected to treat each graduate with dignity and to withhold all applause until all students have received diplomas.

There is NO such thing as a senior “cut” day. Time is provided between final exams and graduation for seniors to share experiences together. Time will be made up at the end of the year if a class disrupts school by taking an unofficial “cut” day.

The current GPA requirement is subject to change during the 1st semester.

SPECIAL EVENTS

HOMECOMING

Homecoming activities consist of the Homecoming Football Game and the Homecoming Dance. Each Project Club competes in the float competition in which the winner earns money toward their class prom. During the Homecoming football game halftime show, the Homecoming Court and Senior Football Player Sponsors will be recognized.

The Homecoming Court consists of five girls from the senior class and three girls each from the junior, sophomore, and freshman classes who are nominated at large from their respective classes. Each class votes on their nominations to select the top three from their class (top five for seniors). For the freshman, sophomore, and junior classes, the girl with the highest number of votes will be honored as the Class Attendant. The Student Body votes on the top five seniors to select the Homecoming Queen (highest number of votes) and the Senior Class Attendant (second highest number of votes). The Homecoming Queen is NOT eligible to enter the Miss Sakamow Pageant.

Each senior football player will select a girl from Riverside High School to sponsor him during the Homecoming football game halftime activities. She will be recognized on the field during the halftime activities. Students are NOT allowed to participate as both a Court Member and a Football Sponsor.

The Homecoming Dance is held the Saturday night after the Homecoming football game. Tickets are sold at the school the week of Homecoming and are NOT sold the night of the dance. Even if the dance is held off campus, all District and School Policies and Rules apply. ONLY students currently enrolled at Riverside High School are allowed to attend the dance. The dance location, times, and theme will be announced approximately one month in advance.

MISS SAKAMOW PAGEANT

Students nominate three (3) girls from their class, and the students vote for ten (10) girls. The Sakamow advisor counts and takes the top ten (10) girls from each class. These girls appear in the pageant before a panel of outside judges chosen from an approved list from the Miss South Carolina Pageant. The girls promenade for the judges in both formal attire and school dress. Class winners and attendants are selected from the junior, sophomore, and freshman classes. The girls are selected from the senior class with one of these being the winner of the title of "Miss Sakamow." The remaining are the class winner and attendant.

The Homecoming Queen is not eligible to enter the Miss Sakamow Pageant.

MR. RIVERSIDE

Each year the senior class sponsors this event to honor outstanding young men at Riverside. The students nominate ten (10) males from their respective class to represent the class. These young men compete in casual wear and dress attire.

They also must compose an answer to specific questions on a current issue and then answer this question before judges. A panel of outside judges chooses a winner from each class and Mr. Riverside.

INSURANCE INFORMATION

All participants of high school athletic programs are required to purchase athletic insurance through the school. Students will not be allowed to either practice or become a member of the team without this coverage. Because this policy is mandatory, it covers only injuries received during practice for, or participating in, a high school sport. This required policy should not be confused with the school time/24 hour plan which is optional and covers all school time injuries including all athletic injuries except football. Again, the athletic insurance is mandatory while the school time/24 hour plan is optional. This fee covers all South Carolina High School League sponsored sports. If your student participates in one (1) or four (4) sports during the year, he/she will be covered.

REQUIREMENTS FOR EARNING AN ATHLETIC LETTER

Athletic letters will be awarded to varsity athletes by the head coaches' guidelines for that particular sport.

Lettering Disabled Athletes—an athlete who is injured during the season and cannot finish the season due to the injury should be lettered provided the athlete would have lettered had he been healthy according to the head coaches' guidelines for that particular sport.

NO ATHLETIC LETTER WILL BE AWARDED IN A SPORT UNLESS THE RHS ATHLETIC DEPARTMENT SPONSORS THE SPORT.

PERMITS FOR PARTICIPATION IN ATHLETICS

All athletes **MUST** present a copy of his/her state Birth Certificate to the coach as part of his eligibility record. Required physical forms must be completed before participation. Athletes are required to purchase athletic insurance through the Greenville County school district. All student athletes should read and become familiar with the Student Extracurricular Code of Conduct implemented by Greenville County Schools:

STUDENT EXTRACURRICULAR CODE OF CONDUCT

I. Expectations of Conduct for Students Who Participate in Extracurricular Activities

Participants on a school team, club, or organization represent not only themselves and their families, but also their teammates, their coaches or sponsors, their schools, and the Greenville County School District. Additionally, extracurricular activities often draw high public interest and visibility and are the focus of attention in the media. The student's behavior commands a public interest and attention that is unique in its capacity to denigrate or elevate the school district, the school, and the team or organization. Since public support is an essential ingredient of public education, the behavior of students who participate in extracurricular activities has a significant impact on the school district's pursuit of its mission.

High standards of conduct and citizenship are essential precepts of the school district's extracurricular program. These high standards include instilling a positive attitude, building a strong character, teaching responsibility, and demanding integrity in the participating students. Participants must be role models and must set a positive example for all. To maintain high standards for all extracurricular programs throughout the entire school district, a firmly and fairly enforced code of conduct is necessary. Therefore, all participants shall abide by a code of conduct specifically for extracurricular activities.

II. The Privilege of Participation

Participation in extracurricular activities is a privilege, not a right. School officials may deprive a student of the privilege of participation when they determine that the student's continued participation is not consistent with the high standards of conduct expected of all participants. In particular, whenever a student violates this code of conduct for extracurricular activities, the student is subject to losing the privilege of participation in extracurricular activities.

III. Unacceptable Conduct

A. The prohibition of unacceptable conduct: Certain conduct by any participant is absolutely unacceptable and will not be tolerated. Examples of such unacceptable conduct include, but are not limited to, theft, vandalism, disrespect, hazing, harassment, violation of alcohol and tobacco restrictions, violation of the illegal substances restrictions, major infractions of The Student Code of Conduct, or violations of law. This rule against unacceptable conduct shall be in force twelve months of the year. This means that the school district may penalize or punish a participant who engages in unacceptable conduct regardless whether the unacceptable conduct occurred during the school term or during vacation or holiday time and regardless whether the unacceptable conduct occurred at school, at a school-sponsored event, or at any other

location. The penalty for engaging in unacceptable conduct can include revocation of the privilege of participating in extracurricular activities.

B. Definitions of specific kinds of unacceptable conduct:

Theft- stealing or taking personal property that belongs to another person, school, team, or organization.

Vandalism- willful or malicious breaking, destruction, or defacement of public or private property.

Disrespect- actions that show or express a lack of high regard or respect for others (fellow students, opponents, teachers, coaches, administrators, parents, or adults). This includes actions that result in OSS and the use of unacceptable language (cursing).

Hazing – any action that humiliates, degrades, abuses, or endangers another person, regardless of that person's willingness to participate. These actions may include initiation rituals into a team, club or organization.

Harassment – actions, comments, threats, verbalizations, coercion, jokes, teasing, or intimidation that is based on or takes place because of the race, color, sex, religion, or national origin of another person, who reports the actions as unwelcome.

Alcohol and tobacco restrictions – Any illegal use or possession of alcohol or tobacco.

Illegal substances restrictions – Any illegal use, sale, possession, or purchase of any illegal or controlled substance, including prescription drugs.

C. Punishment for Unacceptable Conduct:

1. Generally: When a coach, teacher, or principal determines that a participant has engaged in any unacceptable conduct, the athletic or activities director shall meet with the principal to determine the penalty. For competitive groups, the penalty shall range from a minimum of suspension from one game or contest during the season or during the succeeding season to a maximum of dismissal from a team or program or permanent denial of participation. Suspension (from a team) means that the student is not allowed to dress out or participate in a contest. It may also include suspension from practice. However, the participant may be required to continue to practice with the team or program. (See exception on charges of felony or possession of controlled substances below.) Dismissal from a team or program means that the student is no longer a part of the team or program. If dismissed, the participant's uniform and equipment will be taken up, and the participant's name will be removed from the team or program roster. Reinstatement into the athletic program will be considered only after one calendar year. The principal, after consultation with the District Director of Athletics, must approve any reinstatement.

Some forms of conduct unacceptable under this code of conduct also violate the general code of conduct applicable to all students in the school district. In those situations, the participant is subject to punishment under both the general code of conduct and under this code of conduct for extracurricular activities.

2. Alcohol, Tobacco, and Substance Abuse: When a coach, teacher, or principal determines that a participant has violated the alcohol, tobacco, or illegal substances restrictions, the following penalties shall apply:

a. First Violation Penalty: The participant will be suspended immediately from a minimum of 20% of the scheduled contests in the participant's sport or activity. If the sport or activity is out of season, then the penalty will be administered at the very next season in which the student is a participant. The student may also be required to submit to on-demand drug testing.

b. Second Violation Penalty: The participant will be suspended immediately for a minimum of 50% of the scheduled contests. If the sport/activity is out of season, the penalty, or remainder thereof, will be administered at the very next season in which the student participates. The student may also be required to submit to on-demand drug testing.

c. Third Violation Penalty: The participant will be dismissed from participation in extracurricular activities for the remainder of the student's high school career.

Note: When violation of the alcohol, tobacco, and substance abuse restrictions also results in criminal charges, subsections D and E below also apply.

D. Criminal Wrongdoing: Some forms of misconduct may violate both the general student code of conduct and the code of conduct for extracurricular activities as well as the criminal laws of the city, county, state, or nation. Regardless of the outcome of any criminal charges, a participant will be subject to punishment under the two codes of conduct if a coach, teacher, or principal determines that the facts underlying a criminal charge are true and if those facts constitute a violation of either code of conduct.

When a participant is charged with any violation of the law, other than minor violations, the coach or teacher or principal will suspend the participant from all participation in extracurricular activities until the charges are resolved. If the charges are dropped or if the participant is found not guilty, the student may return to participation (except to the extent that punishment under either the general or extracurricular code of conduct precludes a return to participation). If the participant is found guilty or pleads "no contest," the coach or teacher or principal will dismiss the participant from all extracurricular activities.

III. Out-of-School Suspension (OSS)

During the period that any participant is serving an out-of-school suspension, the student will not be allowed to participate in practice or games or contests. The participants may return to participation in any activity only after being readmitted to school and attending school for one day. Offenses that lead to OSS may also warrant punishment under this code of conduct for extracurricular activities. Students on OSS are not allowed to be on campus or attend any school functions until they are readmitted and are in attendance at school for one day.

IV. Attendance Rule

A student shall not participate in a contest, game, or practice on the day the student has been absent from school without just reason. Just reason shall be anything beyond the control of the student (examples: school field trip, doctor/dental appointments, bereavement, religious holiday, etc.). However, confirmation notes will be required by the sponsor or coach of that activity.

V. Individual School/Teacher/Sponsor/Coach Rules:

Individual schools, teachers, coaches, or sponsors may establish additional rules and regulations for their programs with the approval of the athletic or activities director and principal. The teacher, coach, or sponsor must give all participants written copies of any additional rules and must explain the additional rules to all participants at the start of an event or season. Penalties for violations of the rules shall also be in writing.

VII. Appeal Procedure

A student may appeal any decision of a teacher, sponsor, or coach under this code of conduct by filing with the principal a written appeal within five days of the decision to be reviewed. The appeal must state specifically why the decision should not be implemented. The principal shall render a decision within five days. The decision of the principal is final.

Policies

POLICIES AND PROCEDURES

The following policies have been adopted as guidelines in dealing with situations that may arise at Riverside High School. Occasionally, some unusual circumstances may warrant departure from these policies. It is the belief of the administration that the fairest evaluation of a student's problem can be made by considering each in the light of his specific individual circumstances.

The offices of the principal and the assistant principals are open to students any time during the day. Students are encouraged to bring important problems to them; however, an appointment should be made for any lengthy discussion.

PROFANITY FREE ZONE

Schools and other school system locations are profanity free zones. Obscene, vulgar, and profane expressions of any kind are prohibited. Any student using profanity while on school system property, attending a school-sponsored event, or representing the school or school system will face appropriate disciplinary action as outlined by the Code of Conduct.

STUDENT IDENTIFICATION BADGES

The purpose of this policy is to ensure safety and security on the Riverside High campus for the approximate 1,700 individuals who are on the campus each day.

Student Identification Cards will be provided to every student. Just as a driver's license authorizes driving a vehicle, a student ID card authorizes a student to be on campus. **EVERY student must wear their ID cards at all times while on school grounds.** It is crucial that we are able to identify everyone on campus. Identification of staff and students is a safety issue and will not be compromised when it comes to safety of students and staff. ID cards help us in identifying students as well as trespassers.

The School Administrative Team has adopted the Student Identification Card Policy. Following are the procedure that all teachers and administrators will use to encourage our students who need assistance in complying with the policy.

1. All students must wear their current year ID cards in order to:
 - a. Be in class
 - b. Move between classes and to the restroom
 - c. Buy lunch
 - d. Borrow library books
 - e. Obtain early dismissal
 - f. Participate in campus life activities (assemblies, prom, sporting events)
 - g. Be on campus before or after school

2. The ID Card must be worn on a breakaway lanyard hanging from their neck.
 - a. School IDs cannot be worn on a shirtsleeve, pants, outside of pockets, under a coat/jacket or at the bottom of their shirt.
 - b. If a student is wearing a jacket, the lanyard must be on the outside of the jacket and visible.
 - c. The ID Card must be presented to any school staff member or person of authority when seeking student identification.
 - d. The front and back of the ID Card must remain plain and free of stickers, markings, other photos, etc.
 - e. Wearing another person's ID is prohibited at all times.
 - f. Lost, stolen, altered, damaged, and defaced ID Cards must be replaced **IMMEDIATELY** through the ID station.
 - g. Cost for replacement is \$5.00 for a new ID Card.

A media center fine will be assessed if the student cannot pay that day.

 - h. Replacement lanyards will be available for \$1.
 - i. Students are excused from wearing IDs during classes where they present a hazard to student safety. They should be properly secured during this time.

3. Teachers will do an ID check at the beginning of each class period each day. For a student who does not have his/her ID Card, the teacher will send the student to attendance to receive a new ID.

4. If a student does not have an ID and if they do not have \$5 to replace the ID, they will be allowed to charge to their debt list if they do not have any other outstanding fines/fees. Not student will be allowed to incur more than \$15 in debt and still be allowed to charge their account for a missing ID.

5. If a student does not have an ID, cannot purchase one, and has accrued too much outstanding debt, they will be provided an ID for no charge and assigned Saturday Detention.

STUDENT SAFETY

Everyone plays an important role in ensuring students safely reach school and home. Please be mindful of the following safety tips:

- Be aware of students walking to/from school and students waiting for the bus.
- Near school zones and bus stops, slow down and take extra caution.
- Know and obey the school's pick-up/drop-off procedures. Be mindful of ALL students waiting to be picked up or dropped off.
- Do not speed!
- Obey all traffic signals and signs.
- Wear your seat belts and ensure all passengers use their seat belts.
- Expect the unexpected. Be prepared for drivers to make mistakes.

STUDENT BEHAVIOR

All teachers have been given the authority and responsibility to insure compliance with properly adopted rules and regulations even though violations may occur outside the teacher's classroom. Teachers and administrators may and should take appropriate action wherever they find a violation on and off the school grounds. The expression "on school property" includes school buses and off-campus school-sponsored activities. Behavior off school property, at any time or in any place, may also subject a student to disciplinary action. The administration reserves the right to determine the appropriateness of behavior and dress. Authority to suspend students is prescribed by South Carolina Law and Board of Trustee Policy has been given to the Superintendent, Associate Superintendent for Program Direction, Assistant Superintendent for High Schools, Principal, and Assistant Principals.

In order to enhance security and prevent students and/or other individuals from bringing weapons into the schools, District officials are authorized to use metal detectors to conduct searches of students and other individuals according to the procedures outlined in this regulation. The metal detectors may be used at such places as entrances to the buildings, classrooms, auditoriums, and gymnasiums or as individuals enter and exit District vehicles or school buses. HARASSMENT, INTIMIDATION, BULLYING, DISCRIMINATION

The District is committed to fostering an environment that both promotes learning and prevents disruptions to the educational process. Accordingly, the District prohibits all forms of bullying, discrimination, harassment, or intimidation. As provided in Board Policy and Administrative Rule JCDAG, students and parents may file a report of bullying, discrimination, harassment, intimidation, or misconduct by other students, employees of the District, or third parties involved in the school setting.

All reports should be filed with the principal or his or her designee. Reports may also be filed by a student’s parent. If the allegation is against the school’s administration, the student or parent should file a report directly with the District’s Parent Resource Representative. (See Policy JA for contact information). Anonymous reports may be made, but those reports must provide the District with adequate information in order to begin an investigation.

Additionally, students and parents should immediately report any concerns related to employee interactions with students that are inconsistent with the requirements and expectations contained in Board Policy GBV. Concerns that should be immediately reported to a school’s administration include potential mistreatment of students and other conduct by employees that could constitute inappropriate interaction or communication, including those sexual in nature.

Investigations and Consequences

Reports will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions designed to end the harassment, intimidation, or bullying, and prevent such misconduct from reoccurring. The student and his/her parent shall be informed of the results of the investigation and shall be advised how to report any subsequent issues. Any discipline of students or staff shall remain confidential.

DRESS AND GROOMING

Greenville County School District/Riverside High School students are expected to dress and be groomed in such a way as to not distract or cause disruption in the educational program or orderly operation of the school. Students should dress for the educational setting and not the recreational one. The principal may create further guidelines regarding student dress which are consistent with this policy. Greenville County School district/Riverside High School establishes the following requirements for school dress code policies for students:

- Clothing and/or hair should not be so extreme or inappropriate to the school setting as to disrupt the education process. Therefore, clothing deemed distracting, revealing, overly suggestive or otherwise disruptive will not be permitted.

The administrative staff reserves the right to make necessary adjustments in the student dress code with due notification to the student body and has discretionary authority over a student's dress. Students are NOT allowed to have visitors at school. We do not allow visitors to attend classes, shadow students, or eat lunch at Riverside. The school bears no responsibility for lost items.

This permit must include the name of the insurance company and the insurance policy number for school use should an emergency arise. All school rules apply when students are on a field trip. STUDENTS' EXPRESSIONS OF RELIGIONS BELIEFS

Greenville County Schools support the right of individual students to express their religious beliefs as long as the expression does not interfere with the rights of others or the operation of the school. For a comprehensive overview of student's rights, please review the U. S. Department of Education's guidelines concerning religious expression in public schools at <http://www.ed.gov/Speeches/08-1995/religion.html>.

Student Speakers at School-Sponsored Activities

The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment.

Student speakers at school-sponsored activities, including graduations, may not be selected on a basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, evenhanded criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed, such speech is attributable to the school and may not include

prayer or religious content. A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District's behavior code or substantially disruptive to the school environment.

For a comprehensive overview of student's rights, please review the U.S. Department of Education's guidelines on religious expression in public schools at: <https://ed.gov/policy/gen/guid/religionandschools/index.html>

B. ATHLETIC EVENTS

Another important phase of school life in which student self-discipline is needed and demanded is at athletic events, both at home and away. Such events are sponsored by the school, and most of the same rules of good behavior are in effect there as well as at school. The kind of good behavior is known as sportsmanship. Good sportsmanship is conduct which imposes a type of self-control involving honest rivalry, courteous relationships, and graceful acceptance of results. Courteous consideration for the other fellow must be observed, not only in contest but also in everyday associations.

Since the school receives the blame or credit for the conduct of its students, all students must do whatever is necessary to make sure their conduct is always at its best. Students from Riverside never get a second chance to make a first impression. Here are some general guidelines to follow at athletic events:

1. Show appreciation for a good performance by clapping and cheering.
2. Never boo or criticize an official or the other team.
3. Don't horse around or throw objects in the stands. Never throw objects on the playing field or on the court.
4. RESPECT THE RIGHTS OF OTHERS SITTING NEXT TO YOU and around you. Don't block the view of those seated behind you.
5. Don't create a disturbance when the other team is on the free throw line. (If everyone gets quiet, it will really shake up the opponent!)
6. When games are played at Riverside, the other fans are Riverside's guests. Treat them nicely, and make them feel welcome.
7. Stand for the Pledge to the Flag.
8. Don't applaud after a prayer.
9. Stand and sing when the "Star Spangled Banner" and/or the Alma Mater is played. Learn the words to the Alma Mater and "Star Spangled Banner." The words to the Alma Mater are in the handbook. There should be no moving about during either of these songs.
10. NEVER YELL AGAINST A TEAM; YELL FOR RIVERSIDE'S TEAM!

DISTURBING SCHOOL STATE STATUTE

Whereas, recent reports indicate there has been an increase in the number of South Carolina students arrested for disturbing schools; and

Whereas, it is in the best interest of all South Carolinians that all students be given every opportunity to succeed in South Carolina's school systems. Now, therefore,

Be it resolved that educators and school administrators throughout the State are urged to exhaust all avenues of behavioral discipline in accordance with the school's code of conduct prior to requesting the involvement of law enforcement officials. Similarly, law enforcement officials are urged to seek the normal standards of proof when enforcing the criminal laws of this State on school grounds. Law enforcement officials should also maintain and apply officer discretion when enforcing the criminal laws of this State on school grounds.

Be it enacted by the General Assembly of the State of South Carolina:

School disturbances by nonstudents

SECTION 1. Section 16-17-420 of the 1976 Code is amended to read:

"Section 16-17-420. (A) It is unlawful for a person who is not a student to willfully interfere with, disrupt, or disturb the normal operations of a school or college in this State by:

- (1) entering upon school or college grounds or property without the permission of the principal or president in charge;
- (2) loitering upon or about school or college grounds or property, after notice is given to vacate the grounds or property and after having reasonable opportunity to vacate;
- (3) initiating a physical assault on, or fighting with, another person on school or college grounds or property;
- (4) being loud or boisterous on school or college grounds or property after instruction by school or college personnel to refrain from the conduct;

(5) threatening physical harm to a student or a school or college employee while on school or college grounds or property; or

(6) threatening the use of deadly force on school or college property or involving school or college grounds or property when the person has the present ability, or is reasonably believed to have the present ability, to carry out the threat.

LEGAL NOTICE

Greenville County School District Policy on Compliance with State and Federal Law
Concerning Discrimination and Student Records

Sex and Handicap Discrimination

Title IX of The Education Amendments of 1972 prohibits discrimination against any student or employee on the basis of sex. Section 504 of the Rehabilitation Act of 1973 forbids discriminations against any student or employee on the basis of handicap. The School District of Greenville County does not discriminate in admission or access to, or treatment and

employment in, any of its programs or activities on the basis of sex, handicap, or any other unlawful criteria such as age, race, religion, or national origin.

Complaints about discrimination on the basis of sex, handicap, or other unlawful criteria should be taken to the local building principal or immediate supervisor with the objective of resolving the matter informally. If a complaint cannot be resolved in this manner, established grievance procedures are set forth in District Rule JCE(R), and Employee grievance procedures are contained in District Rule GAE(R). Both of these procedures are available in any principal's office.

Further information about laws and regulations concerning sex, handicap, and other discrimination or about District grievance procedures may be obtained from The School District of Greenville County.

Student Records

The Family Educational Rights and Privacy Act regulates what may be contained in student records and who may have access to them. Parents of students under eighteen or students over eighteen have the right to inspect such records and to object to material in them. They also have the right to deny access to those records to any school district employees with a legitimate educational purpose for reviewing them.

School District Policy JR(P) has been adopted to comply with the Act and is available in each building principal's office. Copies may be obtained upon payment or reproduction costs.

Release of Student Directory Information

District schools release student directory information on a routine basis for honor rolls, graduation lists, athletic team lists, etc. Directory information eligible for release includes: student's name, school, grade, dates of attendance, participation in recognized athletic and other activities, and weight and height for participants on athletic teams. Information such as home address and telephone number is not released.

You may choose to not have your child's name (along with other directory information) released by the school by a request form which can be obtained from the guidance department at Riverside High School.

Reporting Bullying, Discrimination, Harassment, Intimidation and Misconduct

The District is committed to fostering an environment that both promotes learning and prevents disruptions to the educational process. Accordingly, the District prohibits all forms of bullying, discrimination, harassment, or intimidation. As provided in Board Policy and Administrative Rule JCDAG, students and parents may file a report of bullying, discrimination, harassment, intimidation, or misconduct by other students, employees of the District, or third parties involved in the school setting.

All reports should be filed with the principal or his or her designee. Reports may also be filed by a student's parent. If the allegation is against the school's administration, the student or parent should file a report directly with the District's Parent Resource Representative. (See Policy JA for contact information). Anonymous reports may be made, but those reports must provide the District with adequate information in order to begin an investigation.

Additionally, students and parents should immediately report any concerns related to employee interactions with students that are inconsistent with the requirements and expectations contained in Board Policy GBV. Concerns that should be immediately reported to a school's administration include potential mistreatment of students and other conduct by employees that could constitute inappropriate interaction or communication, including those sexual in nature.

Investigations and Consequences

Reports will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions designed to end the harassment, intimidation, or bullying, and prevent such misconduct from reoccurring. The student and his/her parent shall be informed of the results of the investigation and shall be advised how to report any subsequent issues. Any discipline of students or staff shall remain confidential.

If the investigation determines that inappropriate conduct has occurred, the administration shall take reasonable, timely, age-appropriate, and effective corrective action. Examples of corrective action include, but are not limited to, disciplinary action against the aggressor, up to and including termination of an employee or expulsion of a student.

The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report. The District also prohibits any person from falsely accusing another person.

Appeals

Notification of the outcome of the investigation will be issued in writing to the complainant and the complainant will be informed of the right to appeal. An appeal related to disability discrimination or harassment should be made to the District's 504 Coordinator. An appeal regarding color, race, or national origin should be made to the District's Title VI Coordinator. An appeal regarding sexual harassment, sexual misconduct, or gender discrimination should be made to the District's Title IX Coordinator. (See Policy JA for contact information). A complainant may then appeal the decision of the coordinator to the Superintendent or his or her designee.
