Learning Today, Leading Tomorrow

WELCOME TO 6TH GRADE!

A New Year. A New Adventure. A New Royal.

We are so excited that you will be joining our Riverside Middle School community this year! Starting middle school is an exciting milestone and we want you to know that our entire team is here to support you every step of the way. We're committed to making your transition to 6th grade as smooth as possible and would like to start by answering YOUR questions!

6th Grade VIRTUAL Q and A Sessions

We'll be hosting three VIRTUAL Q&A sessions this summer! Whether you're curious about a typical day, our bell schedule, IDs, clubs, expectations, or anything else-we'd love to hear from you!

Access each GOOGLE MEET LINK the day before each session. These will be posted on the RMS School Counseling website along with lots of other helpful information. Both students and parents are welcome to hop on to the these VIRTUAL sessions and learn more. No registration is needed-just join us on the day/time that works best for you and your family! These specific meetings will NOT be held in person at the school.
