WHY IS SUMMER READING IMPORTANT?

Children who participate in their public library's summer reading program outperform those who don't by:

- Scoring higher on standardized tests
- Scoring higher on assessment tests at the beginning of the school year
- Having better reading scores by the end of third grade

Findings based on a three-year study by Dominican University's Graduate School of Library and Information Studies

The United States Constitution requires schools to respect the right of all external organizations to distribute flyers to students at school if the school permits any such organization to distribute flyers. Accordingly, the school cannot discriminate among groups wishing to distribute flyers at school and does not endorse the content of any flyer distributed at school. The school encourages parents to assist their children in making choices appropriate for them. -Greenville County Schools
