I. Course Focus and Purpose
English I Honors serves academically gifted and talented students with proven proficiency in language arts as demonstrated on their state PASS and MAP tests, strong classroom performance, and teacher recommendations. Successful completion of the course, as demonstrated by passing the End of Course examination facilitates students’ progression to Advanced Placement English courses in high school.

Students’ learning goals and objectives follow state 9th grade English academic standards and correlating district curriculum maps. These 15 academic units emphasize writing and composition alongside challenging literary studies. Included in the units are grammar, vocabulary, and independent readings.

II. Course Levels
English I Honors is the highest level English class available to 8th grade students in South Carolina. Students enrolled and successfully completing the EOC (End of Course) examination receive 9th grade credit and proceed at an accelerated rate through their high school English courses. Such pacing allows students to earn college credit while still in high school.

III. Text and Materials
The following include core and supplementary learning tools selected to help students meet the goals of the course:

Textbooks:
Collections (9th Grade), Houghton Mifflin Harcourt
Hot Words for the SAT, Barron’s
Performance Assessment (9th Grade), Houghton Mifflin Harcourt
Close Reader (9th Grade), Houghton Mifflin Harcourt

Major Works/Novels:
To Kill a Mockingbird, Harper Lee; Mythology, Edith Hamilton; Romeo and Juliet, William Shakespeare; Night, Elie Wiesel; Great Expectations, Charles Dickens; The Odyssey, Homer; Lord of the Flies, William Golding; Julius Caesar, William Shakespeare; and Antigone, Sophocles. Other titles may be added if time permits.
Materials and Resources:
Three-ring binder with five dividers (starter, vocabulary, grammar, writing, literature), loose-leaf paper, pens, pocket folder with brads, and colored pencils

V. Assessing, Evaluating, and Recording Student Progress
Grading reflects students’ daily and long-term approach to academic rigor. The five-section notebook (Starter, Vocabulary, Grammar, Literature, and Writing) must reflect regular participation, note-taking, reflection, use of the writing process, and analysis of literature. Announced and unannounced notebook checks, quizzes, short writing and literary assignments, and homework will supply minor grades --40% of the grade. Major grades, also 40%, will include unit tests, book reports, literary projects, major papers, and formal literary presentations. Assessments with a subjective element--like essays and presentations--will be evaluated for content, organization, voice, and conventions. At the conclusion of each semester, students will take a cumulative examination supplying the remaining 20% of their grade.

Student progress may be monitored in my grade book. Grades are updated by 4:00 each Friday.

Homework Policy
Homework is due at the beginning of the assigned period. If a student is in class but finishing the homework after the class-start bell, the work will be considered late.

Late Work and Make-Up Work
Incomplete or not-handed-in (NHI) assignments are strongly discouraged: Students attempting to excel in advanced courses must cultivate self-discipline and organization. Late work results in point deductions, assignment to working lunch, and parent/student conferences.

Make-up work resulting from an excused absence must be completed and turned in within five days of the absence. If the assignment was issued before the absence, the original due date still applies.
VI. Class Procedures and Disciplinary Policy

Rules and Procedures
For all RMS discipline policies, please refer to the student handbook.

To ensure a productive learning environment, four classroom rules apply:
1. Come to class on time, sit in your assigned seat, and begin the starter.
2. Ask permission before leaving your seat.
3. Raise your hand and wait to be called on before speaking.
4. Prepare before class (restroom, drinks, grooming, phones stowed and on “silent”) and before leaving (clean work space.)

Disruption of the learning environment results in the four-step plan:
1. Verbal warning
2. Parent phone call
3. Detention
4. Disciplinary referral

Procedures for Non-Instructional Duties
1. Students will keep their purses and personal items below the desk and not in the aisles.
2. Students will sharpen their pencils before class.
3. Students will bring all of their materials to class. Locker passes will not be written.
4. After an absence, students will put RMS “admission to class” slips in the front basket for signature.
5. Students wishing to drink water in class will use reusable, clear, hard-plastic bottles.
6. Students will walk in a single-file line to computer labs, the Media Center, and assemblies.

Plagiarism

Ideas or work taken from others — including written work (quoted or paraphrased); theories, statistics, or formulas; pictures, graphics, and other illustrative material—must be fully and properly acknowledged in students’ written, visual, and oral presentations. For eighth grade at Riverside Middle School, students who plagiarize the work of others will face serious consequences:
- The teacher will notify parents of any student who plagiarizes the work of others.
- The parents will be contacted, and the student will be requested to redo the assignment ethically.
