

## Year-Round Adventure

This 3-part rotation will move around to different parts of Roper Mountain in order to provide students with an exciting overview of the first grade science standards. Students will enjoy a Planetarium show, Auditorium live demonstration and visit the Living History Farm or Environmental Science Building.

## SPACE LIMITED

## Your action packed adventure day will include:

## WOW Science

Hipp Auditorium - 35 Minutes
Our science show extravaganza will touch on multiple first grade science standards. Be dazzled by our sound and light demonstrations! Get ready to marvel at some animals and see how traits and behaviors of the grown-ups compare to the babies and help them survive!!
Science Standards: 1-PS4-1, 1-PS4-2, 1-PS4-3, 1-LS1-2, 1-LS3-1

## AND

## Magic Tree House: Space Mission

Hooper Planetarium and Giant Dome Theater- 45 Minutes
Peek into the tree house and follow Jack and Annie on an exciting adventure as they meet an astronomer and an astronaut who guide them along a funfilled journey to discover the secrets of the Sun, Moon, planets, space travel and more.
Science Standards: 1-ESS1-1

## AND

## Farm Discovery

Living History Farm - 60 Minutes
What came first? The chicken or the egg!? Join us for a fun chicken business opportunity as we observe patterns in our chickens' behavior that benefit their offspring and how most young are like, but not exactly like, their parents. In our gardens and historic buildings we will explore goods and services over time while using our math skills to determine if our "chicken business" will be a success. Science Standards: 1-LS1-2, 1-LS3-1 Social Studies: 1.E. 2
Math Standards: 1.ATO. 1

## OR

## Animal Powers

Environmental Science Building - 30 Minutes
Animals have the coolest super powers! Using live animals, students will learn how animals use their bodies and powers to help them survive, grow, and meet their needs.
Science Standards: 1-LS1-1

## AND

## Nature by Design

Environmental Science Building - 30 Minutes
Students will learn about biomimicry through real life examples of how humans copy nature. Using engineering practices, students will design and test flight solutions, inspired by plant and animal structures, in our wind tunnels.
Science Standard: 1-LS1-1

## FIRST GRADE

Continued from previous page.
OR

## 2. Down on the Farm

## Only Available in May

In this day-long exploration, students will move throughout the Living History Farm to learn about plant structures, land use, and natural resources as they interact with our farm animals, explore the gardens and discover artifacts from our community in our 200 year old cabins. They will also enjoy an interactive presentation on space and light in the Hooper Planetarium.

## Magic Tree House: Space Mission

Hooper Planetarium and Giant Dome Theater
Peek into the tree house and follow Jack and Annie on an exciting adventure as they meet an astronomer and an astronaut who guide them along a funfilled journey to discover the secrets of the Sun, Moon, planets, space travel and more.
Science Standard: 1.E.3A. 3

## Along with the Planetarium show, your day also includes the following experiences:

## Growing Garden

Living History Farm - 25 Minutes
Discover the structures that help plants grow and reproduce while helping with traditional children's chores as students learn what it takes to make a garden grow. In the case of severe weather, this lesson will take place in the one room schoolhouse.
Science Standard: 1-LS1-1 Social Studies Standards: 1.G.3, 1.E. 2

## Cabin Life in the 1800s

Living History Farm - 25 Minutes
Students will discover the natural resources required to build and maintain a 19th Century farm as they participate in a number of hands-on tasks and handle artifacts that will give them a feel for what it was like to be a pioneer in our community in the 1800s.
Social Studies Standards: 1.H. 3

## Farm Animal Fun

Living History Farm - 25 Minutes
Students will participate in the care and feeding of our barn animals, have a chance to milk our imitation cow and also make butter as we compare how goods and services have changed over time.
Social Studies Standards: 1.E.2, 1.H. 3

## FIRST GRADE

Continued from previous page.

## OR

## 3. Natural Science

Only Available in May (half-day)
Discover the wonders of nature as you spend almost 2 hours exploring our Harrison Hall of Natural Science while rotating through four exciting, standardsbased lessons. Your students will have the chance to hold, touch, and closely examine some of our most popular resident creatures while moving from one interactive exhibit to another.
Science Standards: 1-LS-1, 1-LS1-2, 1-LS-3-1

## The Natural Science Grouping includes the following half-day of mini lessons:

## Creatures by the Seashore

Harrison Hall of Natural Science
Students will discover how coastal creatures survive as they explore the aquariums and interact with a variety of marine animals in our touch tanks.

## Rainforest Exploration

Harrison Hall of Natural Science
In this immersive exploration of the rainforest, students will learn about the characteristics of this unique habitat and get up close with some of the live animals and plants that live there.

## South Carolina Environments

Harrison Hall of Natural Science
While exploring the Ecology Lab, students will examine how animals survive in a variety of SC environments including mountain streams, beaver ponds, cypress swamps, and salt marshes.

## Island Survival

Harrison Hall of Natural Science
Students will discover the body differences and similarities among turtles that help them survive island life.

## 2023-2024 Elementary Scheduling Request Form

Email form to: abuckmaster@greenville.k12.sc.us
Questions? 864.355.8967

## Priority Registration Deadline August 25, 2023 <br> We will continue to accept registrations after original priority deadline expiration.

- Please fill out forms for each teacher and class (6 Classes $=3$ Forms)
- All teachers on a grade-level should submit requests together if they want to be scheduled together (if possible). Include Special Education classes if needed.
