Car Line Update

Thank you to all car line drivers for your conscientious support of safety and efficiency as we drop off in the morning and pick-up students in the afternoon. Our number of car riders has increased and it is important that we keep Piedmont Park Road clear and safe during peak times. At morning drop-off, pull as far toward the crosswalk as possible before you stop to let your child out of the car. Make certain to turn right when leaving the driveway between 8:10 and 8:30.

During afternoon pick-up at the front, all cars are required to turn right on exit between 3:25 and 3:45. Rear driveway pick-up for 6th graders must turn right on exit between 3:25 - 3:35. Thank you for making the adjustments that are necessary to ensure the safety of all drivers and students during drop off and dismissal.
