## March Madness for Books

Students are encouraged to participate in the Media Center's March Madness for Books. The Media Center has lined up the "Sweet 16" books, chosen as

most popular based on the number of student checkouts this year. Books will square off against each other and students will vote on their favorites. Students had the opportunity to make a prediction of the winners by filling out the March Madness bracket by March 8th. Anyone correctly picking each winner down to the book most popular will win a free book from the upcoming Spring Book Fair. Watch our school webpage or Facebook page to access the voting survey and for results updates. **CLICK HERE to vote for your favorites in the Sweet 16!**

Sevier Middle School  
now has access to 14  
popular magazines online.
