

Profile of our Students at Southside

AVID's Mission is to close the opportunity gap by preparing all students for college readiness and success in a global society.

AVID is **NOT:**

- An "At Risk" Program
- A Remediation Program
- For students who don't work hard
- For the consistently "D" or "F" student
- For anyone who is unmotivated
- For anyone who is negative

AVID Students:

- Are Full of Academic Potential
- Have Desire and Determination
- Are In the Academic Middle (Students with a GPA between 2.0-3.5)
- Work Hard in Class
- Have a Positive Attitude
- Are Collaborators
- Need Support in Rigorous Courses (AP, IB, etc)
