Attendance Rules

The School District of Greenville County has adopted uniform rules to assure that students attend school regularly. Each day that students are not in school, they miss hours of valuable instruction and opportunities for learning that they will not have again. All children are required to attend a public or private school or Kindergarten beginning at five and continuing until their 17th birthday. If parents choose not to send their children to kindergarten, they must sign a waiver, which may be obtained at the local school.

Students are counted present only when they are actually in school, on homebound instruction, or are present at an activity authorized by the school principal.

1. The school year consists of 180 school days. **To receive credit, students must not miss more than five (5) days for a semester course (1/2 unit course), and not miss more than ten (10) days for a yearlong course (1 unit course), as well as meet all minimum requirements for each course.** Accrued student absences, either lawful, unlawful, or a combination thereof, may not exceed these numbers. Any absence in excess of these numbers may cause the student to lose credit for that course.
2. All absences shall be approved or disapproved by the principal (or his designee) in accordance with the following guidelines:

Lawful Absences

1. A written statement from a physician or a parent's note must be submitted **within two (2) days** of the student's return to school. Parent notes are accepted for the first ten student absences. Absences for chronic extended illness will be approved only when verified by a physician's statement. Students who have over ten absences for a year-long course must present a doctor's note or they risk losing credit for the course.
2. Serious illness or death of an immediate family member shall be verified by a statement, from the parent, within two (2) days of the student's return to school.
3. Absences for religious holidays shall be requested in advance. Such requests must be made to the principal in writing.
4. Absences for extreme hardships may be approved by the principal. Such approval should be prearranged when possible.
5. **College visit requests for juniors and seniors must be submitted in writing to the senior counselor by a parent or guardian at least one-week in advance of the scheduled visit. The last day for college visits is April 7, 2017. Once they return, seniors must bring written verification from the college visited. Approval will be granted for no more than three (3) visits per school year. Each request should specify duration of the visit and travel time, which may be approved at the discretion of the principal.**

Unlawful Absences

Any student arriving to school after **9:10 a.m.** will be considered absent from first period.

Class Cuts

A class cut will be considered an unexcused absence and may result in a suspension and parental conference.

Attendance for Individual Classes

1. A student may not miss more than ten (10) days from a year long (unit) course or five (5) days from a semester (half unit) course.
2. After ten days' absences (or five) a doctor's note or administrative excuse must be provided, **or the student will not receive credit for that course.**
3. **Students with passing grades who exceed five (5) absences in a semester class or more than ten (10) absences in a year long class must attend Seat Time Recovery in a timely manner in order to receive credit.**

Attendance Procedures

1. Regular attendance is essential to academic progress. The district encourages regular attendance, and we as a school will support the district's decision. If a student is absent, his/her parents will be contacted by telephone, letter, or home visit to verify the reason for the absence.
2. **Excuses for these absences should:**
 - a. Be given to the attendance clerk.
 - b. Be dated and give the day or dates of absences.
 - c. State the reason for absences and give parent's daytime phone number.
 - d. Be written on a full sheet of paper and signed by parent.
 - e. Parent's notes and doctor's notes will be verified and filed by the attendance clerk.
3. Students must obtain a readmit for every absence from the attendance clerk; **therefore, upon returning to school, report to the attendance office before entering class.**
4. Students returning to school from any kind of absence must report to the attendance office to submit their excuses before entering class.

Procedure for Make-up Work

The make up of school work missed during absences should be worked out with teachers.

1. Students who miss one or two days with a lawful absence will be provided a one (1) day grace period to make up the assignment. For work that has already been assigned, those who miss one (1) or two (2) days are responsible for their assignments upon their return.
2. Students who have three (3) or more consecutive lawful absences, have five (5) school days to make up any missed assignments. Teachers should work with students regardless of the absence code.

Early Dismissals

Early dismissals before the end of the regular school day are discouraged. Whenever possible, a student should try to arrange appointments around school hours. All early dismissals will be classified as excused or unexcused by the Attendance Office.

***Failure to leave campus immediately after dismissal time may result in disciplinary action.**

No early dismissals granted after 3:00 P.M. or during exams.

The following will be classified as excused dismissals:

1. Medical appointments (must bring doctor's statement).
2. Illness of student or immediate family.
3. Death in immediate family.
4. Prearranged absence by parent and administrator.

***Classes missed due to early dismissals will count against a student's attendance record.**

Forgery of a written request for early dismissal will result in disciplinary action.

No early dismissals granted after 3:00 P.M. or during exams.

Early Dismissal Procedure:

1. A written request must be provided stating the reason for dismissal, time of dismissal, a telephone number where the parent can be contacted before 10 a.m., and signed by the parent or guardian.
***This note must be brought to the front office before 8:45 A.M. on the day of early dismissal.** The office staff will contact the parent to verify the dismissal.
2. After verification, an early dismissal card should be picked up from the front office during class change. **IF NO VERIFICATION CAN BE MADE, THE STUDENT WILL NOT BE RELEASED.**
3. Students must sign out in the front office when leaving or the absence will be classified as a cut.
4. **Parents who do not send a note in advance must come in and sign the student out. No early dismissals will be approved over the phone. Students are not released to anyone whose name is not in POWERSCHOOL and who does not have proper identification.**

Students, including seniors who have a permanent early dismissal, are expected to leave campus in a prompt manner. Students found loitering in the building will be sent to ISS.

No early dismissals granted after 3:00 P.M. or during exams.

Early Dismissals Due to Illness

Any student who becomes ill at school must secure a pass from the teacher and report to the Health Room. If a student is too ill to return to class, the nurse will contact the parents and dismiss the student. Students are to come to the Health Room from a class and have a signed and timed pass from the teacher. Students are not to come to the Health Room between classes. **Students who are ill are not to use a school phone or a cell phone to call a parent about dismissal for sickness; the nurse will call the parents.** Dismissals from the Health Room are considered lawful absences.

Field Trips

Student Access to Field Trips: Students will **be denied participation in field trips for the following reasons:**

- 1) **Academics:** If a student is failing a class, he/she is not eligible to attend the field trip.
- 2) **Behavior:** (a) If assigned OSS on the date of the field trip, (b) if the person heading the field trip, with approval of the principal, determines eligibility should be denied based on a pattern of misconduct, and (c) if the student fails to turn in all required documentation by the deadlines.

- 3) **Attendance: Students who have more than five (5) unverified absences in a semester class are not eligible to participate in a field trip. Students who have more than ten (10) unverified absences in a year long class are not eligible to participate in a field trip.**
- 4) Students unable to attend a field trip will be given an alternative assignment to replace the field trip grade.
- 5) Students who are driving to an off-campus school sponsored event must have a parent permission form on file prior to the event.

Competitions are considered field trips so only students competing should attend. Students are encouraged to maintain their academic performance in classes. A limited number of courses have district and state mandated field trips as part of the defined curriculum. These must be submitted to the appropriate administrator in writing at the beginning of the school year for verification. If approved, they will not be included in the semester class absences count. This also applies to programs such as college fairs, the sophomore trip to Donaldson, etc.

Student Absences and Participation in Extra-Curricular Events

Students are not eligible to participate in any extracurricular events unless they are present at least 4 periods (1/2 of the school day) that day.

This participation includes athletic events, band or choral performances, club activities, competitions, Miss Southside pageant, etc. **Suspended students are ineligible for participation in or attendance at any school activity during their suspension.**

Absence from Exams

All students are mandated by the District to take exams during the exam period. It is the student's responsibility to obtain **prior** permission from the principal to take a make-up exam for any absence or to bring a doctor's note for an unplanned illness. Do not schedule a medical appointment during an exam period. Students who miss exams will receive a zero. **Exams may be made up only with a medical note.**

Absence from IB and AP Exams

IB and AP examinations are an integral part of both the IB and AP Programs. Students enrolled in IB and/or AP courses are expected to sit for all respective exams during the year in which the course(s) are taken. IB/AP exams are considered final exams in IB and AP courses. Students who fail to take one or more IB and/or AP exam and do not have a valid excuse as determined by the IB and AP organizations will not be eligible for make-up exams. Students will also be required to reimburse the school district for the cost of each exam not taken. Additionally, students will be required to take the final exam(s) in the IB/AP course(s) in which they were enrolled before credit for the course(s) will be awarded. **All students enrolled in an AP course are required to take the AP exam. NO EARLY DISMISSALS WILL BE GRANTED DURING EXAMS.**

School Closing

In the case of inclement weather or other emergencies, students/parents are asked not to call the school but to tune in to local radio or television stations for an official announcement from the District Office.

Tardiness

Tardiness to school:

Students are expected to report to first period by **8:45 A.M.** **Students must be in their classrooms when the tardy bell rings. Any student reporting after 8:45 A.M. must report to the attendance office.** All tardies will be classified as unexcused except for

- 1) doctor or dentist appointment (Parent notes will not be accepted, only medical notes.)
- 2) administrative approval
- 3) arriving on a late school bus (Those arriving late will receive a color coded bus pass.)
- 4) any student arriving to school after 9:10 a.m. will be considered absent from first period.

All others will receive an unexcused tardy slip. Tardiness to school infractions will be recorded, and repeat offenders will be subject to the school's disciplinary guidelines.

Tardiness to class:

Students are expected to be in the classroom before the tardy bell rings for class. Repeat offenders will be subject to the school's disciplinary guidelines.

6 th Offense:	2 hour administrative detention
7 th + Offense:	One day of OSS for each offence/truancy contract

****Students receiving one tardy or less per semester, will be eligible for rewards (Tardy Party).**

Closed Campus Policy

Students are reminded that we operate under a closed campus policy and that students are not allowed to leave campus during normal school days (**8:45 A.M.– 3:45 P.M.**) without following the early dismissal procedures. Students who leave without permission will be disciplined. Persons entering campus without legitimate business could be subject to arrest and prosecuted for trespassing. **Students can only go to the parking lot during the school day with administrative approval.** **Students in the parking lot without administrative approval will receive a detention.**

Visitors

Parents and community members are always welcome. So that we can better serve our visitors, **all visitors must check in at the front office** when they arrive at school to obtain permission to be on campus. **Visitors must have an escort to enter the academic and/or athletic wings.** Students are not to invite friends and visiting relatives to visit them during the school day or during lunch unless approved by administration. Unauthorized visitors on campus are subject to trespassing charges and/or arrest.

Students are not to bring children to school. SEE GRADE LEVEL ADMINISTRATOR FOR GUIDELINES FOR PARENT VISITS. Food is not to be delivered to students at school or brought on campus by students returning from Career Centers/FAC or School-to-Work activities.

Visits to the Health Room

***Students must sign in upon arrival in the Health Room.**

The purpose of the Health Room is to provide short-term care in the event a student becomes ill/injured while at school. It is not intended to replace a physician's office. Every effort is made to keep a student at school if at all possible. If it is determined that your student is too ill to stay in school, please make arrangements to pick him/her up as soon as possible.

Health Room Guidelines

Student Emergency Forms

1. Complete form, date, sign, and return immediately. These forms are available for downloading/printing on the school website.
2. Update (by sending a note or calling the school office) when changes occur.
3. Indicate who your emergency people listed are (friend, grandparent, etc.).
4. It is important to tell your child who has been listed on the emergency form to pick him/her up in your absence.

Medications

1. All prescription drugs must be given to the school nurse or office staff to be administered to the student. **Permission forms will need to be signed.**
2. If your child must take medication at school, please obtain a Parent or Physician's Authorization Form. These forms must be submitted prior to cataloging the drugs. **In order to catalog all prescription drugs, a doctor's note must accompany the request and the drugs when submitted to the nurse. Forms are available** in the Health Room and on the school website.
 - * **Long-Term Medicines** (to be given at school for 2 weeks or longer) must have a Parent's Authorization Form completed and signed by the parent or legal guardian. A Physician's Authorization Form must be completed and signed by the doctor who has prescribed this medicine for your child.
 - * **Short-Term Medicines** (to be given at school with less than a two-week duration) must have a Parent's Authorization Form completely filled out and signed by the parent/guardian or a written note provided with the medicine stating: the name of the medicine, the amount to be taken, and the time to be given. Also include the student's name. **NO MEDICATION WILL BE GIVEN WITHOUT THIS WRITTEN PERMISSION!**
3. **STUDENTS ARE NOT TO GIVE THEMSELVES ANY MEDICINE AT SCHOOL. ALL medicines must be given through the Health Room.** This policy is for the safety of the students.
 - Inhalers or epi-pens may be kept by students if written permission has been provided by a parent and the physician indicating that it is necessary for the students to have the medication with them at all times.
 - An additional inhaler/epi-pen should be kept in the Health Room.
 - **Due to School District policy, medications containing aspirin (Pepto-Bismol, many menstrual cramp medications) and medications containing PPA (Dimetapp, Contac, Triaminic, etc.) will not be given.**
4. All medications must be in the original container with a label. This includes prescription and over-the-counter drugs as well. **Medications that cannot be identified by the container will not be given and will be discarded immediately.**

5. The school will not administer medication that is reportedly missed at home. We will only administer those doses that are scheduled during school hours. A parent may bring a missed dose of medication to school and may administer it to the student.
6. If your child experiences frequent headaches, upset stomach, or menstrual pain, you may provide the Health Room with the appropriate over-the-counter medications so that your child can remain in class.
7. Medications that are past their expiration date will not be given.

Guidelines for Medication Administration

When a student is required to take medication during the school day, the following guidelines will be followed:

1. Written permission from the parent/legal guardian for each medication in addition to doctor's verification will be required and maintained in the Health Room.
2. The medication will be stored in a locked container and administered by the school nurse or staff designated by the principal who will record this information on the student's medication record. A list of staff designated by the principal to assist with medications in the absence of the nurse will be posted in the health room. Schedules should be arranged so that the school nurse administers all medications if possible. The nurse will verify medication and signature of the parent if the parent does not come in.
3. Any errors or incidents involving medication will be reported on form Med-4 with copies provided to the principal and nurse supervisor.

When a student leaves the school for a field trip, his/her medication will be secured in a container labeled with the student's name, date, medication, dosage, strength and time for administration. The school nurse shall provide the staff accompanying students on the trips with the information needed regarding the medication, its purpose, and side effects that may occur. **It is the parent's responsibility to notify the school nurse when a field trip occurs.**

Emergency Medication

Students who are known reactors and require emergency treatment for an allergic response should have medication, written parental permission and physician's instructions for administering the medication. If the student has emergency medication in the Health Room, **this medication does not follow him/her to the career centers. When this occurs, the student will need permission to carry the medication with him/her. It is required that an Emergency Health Care Plan be completed on these students. These forms can be obtained from the Health Room or from the SHS website.**

Students who are injured and require use of the elevator must bring medical documentation to their administrator who will forward it to the nurse.

Discipline

An atmosphere of mutual respect between students and teachers is expected. The general responsibility of discipline rests with the faculty. Each teacher has the authority to enforce discipline. Student cooperation and self-discipline are expected. Teachers will discuss with their students the conduct policies as outlined in the Code of Discipline adopted by the School District of Greenville County, a copy of which is included in this handbook and on the District website.

Persistent or uncontrollable misconduct will be referred to an assistant principal for disciplinary action. Strong and consistent measures will be taken to eliminate undesirable conduct. A discipline referral indicates serious misbehavior. **Students being removed from a classroom for disruptive behavior will be escorted to ISS for a minimum of two periods.**

Background and philosophy:

In accordance with the District's behavior code (JCDA), the Southside High School community embodies a spirit of mutual trust and intellectual honesty that is central to the very nature of the school and represents the highest expression of shared values among the members of the school community. Southside students are expected to uphold the Academic Honesty Policy that instills a sense of integrity and personal achievement that will last beyond the student's high school years. In our efforts to promote academic honesty, Southside High School's faculty expects students to uphold the IB Learner Profile which includes being:

Repeat offenders may be deemed ineligible to represent the school in extracurricular activities.

Academic dishonesty on State or Federal administered exams will be turned over to District Officials, State Law Enforcement Division (SLED) or the appropriate Federal agency.

Note:

Parts of this document itself are a modification of policies currently used at Southside High School as well as in IB Schools around the world. Principle outside sources include East Hartford High School, Carson Graham High School, South Lake Carroll High School and Beijing City International School.

Hall Passes

Students are not permitted in the halls during class periods or the school day unless they are accompanied by a teacher or have their agenda signed by a teacher or administrator. Hall passes are in the back of the Student Agenda. The student's name, date, time, destination, and teacher signature must be present and legible. The pass gives the student permission to go straight to the destination without stopping at points along the way. An agenda used as a pass which belongs to another student will be confiscated.

Restricted Areas

Any student in an off-limits area without written permission will be referred to the administration. Restricted areas include:

1. **All parking lots to include bus, student and teacher (Students in the parking lot without administrative approval will receive a detention.)**
2. All classroom wings/halls during lunch periods or gym areas for a class unless scheduled (Food may be consumed only in cafeteria.)
3. The area behind the counter in the main office as well as all administrative offices and hall.
4. All areas outside of the school
5. The second floor rail i.e., **Students are to move directly to class and not loiter at the rail.** Restrooms are restricted (except for the Cafeteria) before **8:30 A.M.** During class time students should not be at the snack machines or the Cafeteria restrooms.
6. **Faculty workrooms are off limits at all times.**
7. **The bus loading area is limited to bus riders only.**
8. **Fire exit doors/vacant space under stair wells.**

Before and After School Policy

Students will not be allowed to enter the building before **7:45 A.M.** Students are to remain in the Cafeteria until the **8:35 A.M.** bell rings. Once the school day has ended, students are to be **out of the building by 4:00 P.M.**; the only exception being that of tutoring or after school activities; i.e, sports, clubs, band (students must be with their activity sponsor by **4:00 P.M.**). Students are to report to them directly after school and not to be anywhere else. If students are found wandering the building or loitering in the cafeteria, they will be asked to leave and if it continues to be a problem, disciplinary action may be taken. **Students are not allowed in the building after school unless supervised by a teacher due to teacher meetings. Seniors with permanent early dismissals will receive a green sticker to place on their ID.**

Car Riders and Bus Riders

These riders are also expected to leave the building after school. If students need to use the bathroom or purchase a snack, they should do so before **4:00 P.M.** Once students are outside, students may not come back into the building. Fraternities, Sororities and Secret Organizations

Fraternities, sororities and secret organizations and their activities are strictly forbidden in high school. Any attire associated with such groups is forbidden when it causes a disruption to the school.

Greenville County Discipline Code Philosophy

The District is unequivocally committed to the principle that disorderly and disruptive behavior shall not be permitted to interfere with the right of other students to pursue an education, nor will improper conduct be tolerated. The District will make every reasonable effort to keep students within the school's sphere of influence and suspension and/or expulsion will be used only as a last resort. Nevertheless, any student conduct that disrupts class work, brings disorder to the school, or infringes upon the rights or safety of others is a basis for suspension and/or expulsion of student.

Responsibilities

Principals and teachers are authorized by the Board of Trustees to maintain and preserve order and discipline in schools and classrooms. Parents of students enrolled in the schools of Greenville County are urged to read the Discipline Code and discuss its contents with their children. If students or parents have questions regarding the Discipline Code, please contact the school principal.

- Commission of crimes
- Gross misbehavior
- Possession on school property of any alcoholic beverage, illegal drugs or narcotic, or toxic or controlled substance
- Violation of any written rules or regulations
- Threatening to inflict or inflicting any bodily harm on any district staff member
- Gross immorality

- Fighting
- "Ganging" or participation as a member of a gang in inflicting harm or threatening to inflict harm on another person
- Arrival on school property after using any alcoholic beverage, illegal drug or narcotic, or toxic substance
- Conduct away from school that is detrimental to the best interest of the school
- Use of a paging device or mobile phone is in violation of the Code of Conduct

Students may be subject to suspension and/or expulsion when they are guilty of repeating offenses that would not result in such sanction for the first offense.

Specific Disciplinary Sanctions for Serious Misconduct

Breaches of conduct, if they occur on school grounds, school buses, or school property or at any school-related function at any time, will result in the principal's recommendation for expulsion of middle and high school students:

- Possession of any kind of weapon. "Weapon" includes, but is not limited to, guns, blackjacks, brass knuckles, razors, box openers, knives, with a blade over two inches long, or any other device or object that is possessed or used with the intention of inflicting bodily injury or death

A "gang" shall consist of two or more persons acting together. "Participation" may include any act that interferes with or hinders a staff member from stopping threats or the infliction of bodily injury that was taking place.

In addition, principals may recommend high school and middle school students for expulsion for the following misconduct:

- Fighting
- Threatening to or inflicting bodily harm, however slight, upon another person
- Other offenses that disrupt the educational process and operation of a school, such as stealing, obscene language or gestures, disobedience, unauthorized walkouts, blackmail, destruction of property, repeated offenses of any degree and other similar offenses

Reporting Bullying, Discrimination, Harassment and Intimidation

The District is committed to fostering an environment that both promotes learning and prevents disruptions in the educational process. Accordingly, the District prohibits all forms of bullying, discrimination, harassment, or intimidation. As provided in Board Policy and Administrative Rule JCDAG, students and parents may file a report of bullying, discrimination, harassment or intimidation by other students, employees of the District, or third parties involved in the school setting.

All reports should be filed with the principal or his or her designee. Reports may also be filed by a student's parent. If the allegation is against the school's administration, the student or parent should file a report directly with the District's Parent Resource Representative. (See Policy JA for contact information). Anonymous reports may be made, but those reports must provide the District with adequate information in order to begin an investigation.

Investigations and Consequences

All reports are subject to investigation and confidentiality. The investigation should include appropriate steps to determine what occurred and to take actions reasonably calculated to end the harassment, intimidation or bullying, and prevent such misconduct from occurring again. The student and his/her parent shall be informed of the results of the investigation and shall be advised how to report any subsequent problems. However, any discipline of students or staff shall remain confidential.

If the investigation determines that inappropriate conduct has occurred, the administration shall take reasonable, timely, age-appropriate, and effective corrective action. Examples of corrective action include, but are not limited to, disciplinary action against the aggressor, up to and including termination of an employee or expulsion of a student.

The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report. The District also prohibits any person from falsely accusing another person.

Appeals

Notification of the outcome of the investigation will be issued in writing to the complainant and the complainant will be informed of the right to appeal. An appeal related to disability discrimination or harassment should be made to the District's 504 Coordinator. An appeal regarding color, race, or national origin should be made to the District's Title VI Coordinator. An appeal regarding sexual harassment, or gender discrimination should be made to the District's Title IX Coordinator. (See Policy JA for contact information). A complainant may then appeal the decision of the coordinator to the Superintendent or his or her designee.

For a complete copy of the District's Policy, Administrative Rule, and report form referenced above, please see the online link below to the Greenville County Schools Board Policies and Administrative Rules. You may also receive a copy of Policy JCDAG, Administrative Rule JCDAG, or the report form from your school upon request.

Removal of Students from School

Disruptive or disorderly student conduct may result in removal from school.

A. Suspension

SUSPENSION IS THE TEMPORARY REMOVAL OF A STUDENT FROM SCHOOL OR CLASS to correct unacceptable behavior. No student may be suspended in excess of ten days for any one offense unless expulsion is recommended. No student may be suspended for more than thirty days any one-school year unless expulsion is recommended. No student may be suspended during the last ten days of a school year if the suspension will make the student ineligible to receive credit for the school year without approval of the School Board unless the presence of the student constitutes an actual threat to a class or school, or a hearing is granted within twenty-four hours of the suspension.

In order to suspend a student, the appropriate administrator shall inform the student of the specific charge against him and notify him of the evidence in support of this charge. The student must be given an opportunity to refute the charge. If the student challenges the charge and the administrator feels that further investigation is warranted, he should make such investigation. If the administrator determines the student has committed an offense for which suspension is appropriate, the administrator shall suspend the student from school and notify the student's parents or legal guardian in writing for the reason of the suspension and its length and of a time and place when the administrator will be available for a conference.

The conference shall be set within two school days of the start of the suspension. Requests for review of suspensions may be made to the principal, then to the superintendent (or designee), and then to the Board.

****SUSPENSIONS WILL BEGIN AT 3:45 PM ON THE DAY THE ADMINSTRATOR NOTIFIES THE STUDENT.****

NO STUDENT MAY RETURN TO SCHOOL AFTER A SUSPENSION UNLESS A RE-ENTRANCE CONFERENCE IS HELD. RE-ENTERING SCHOOL WITHOUT A PARENT CONFERENCE WILL RESULT IN THE STUDENT BEING PLACED IN ISS AND SUSPENDED EACH DAY THEREAFTER UNTIL THE PARENT CONFERENCE IS HELD.

B. Expulsion

In accordance with its discipline code set forth in Policy JD, the Board authorizes the administration to initiate expulsion proceedings against any student. In most cases expulsion means the removal of a student from school. The superintendent shall contract with retired superintendent or school-level administrators who shall rotate in serving as the hearing officer to conduct on behalf of the board any hearing requested on a recommendation for expulsion. Except for the special circumstances set forth in the next paragraph, expulsion means the removal of a student from school and the cessation of educational services for the remainder of the school year or the remainder of summer school, after which point the student may petition for readmission as provided below. Unless the board or its authorized hearing officer makes a specific exception, expulsion shall also prohibit a student from coming onto school property, entering school busses, or attending any school event except for prearranged conferences with an administrator.

Any student determined to have brought a firearm to school shall be expelled for a period of not less than one year, except that for disabled students and elementary school students, the superintendent may modify this requirement on a case-by-case basis. The board may permanently expel any incorrigible student. The board will only consider the permanent expulsion of those students so recommended by its hearing officer.

Except for students permanently expelled, every expelled student shall have the right to petition the board for readmission for the succeeding school year. A student expelled for an offense committed during the last quarter of the school year or during a summer program, however, shall not be readmitted prior to the second semester of the school year following his or her expulsion. Unless waived by the board, all expelled students will be required to present evidence of successfully completed counseling or other appropriate intervention prior to readmission. Taking into consideration the recommendation of the superintendent in each case, the board will act on these requests as it deems appropriate. All students readmitted to the district will be on probation for the semester in which they are readmitted.

Suspension/Expulsion Procedures

1. The principal will ensure compliance with the procedures for suspension set forth in policy JDD.
2. Having concluded that a recommendation for expulsion is warranted for the offense, the principal will notify parents or legal guardian in the notice of suspension that he is initiating expulsion proceedings. The notice shall also specify the reason for the recommendation and shall set a place and time for a conference. The conference shall be set within two school days of the start of the suspension. The suspension shall remain in effect until the expulsion proceedings are terminated.
3. If the principal determines after the conference that a recommendation of expulsion is appropriate, he will so notify the parents within three school days of the incident that precipitated the expulsion recommendation.
4. Within two school days of receipt of the recommendations, the superintendent (or designee) will review each recommendation and either remand it to the principal for alternative disciplinary action, impose alternative disciplinary action (with parental consent), or forward it to the Board's hearing panel for a decision on the recommendation. He will notify the parents or legal guardian by letter of his action, and, if he forwards the recommendation to the panel, of the student's right to a hearing and the hearing rights described in Step 5(b). Any parent desiring a hearing must inform the superintendent (or designee) upon receipt of the letter.
5.
 - a. Within ten days of the mailing of the letter required in Step 4, the hearing panel, acting for and under the authority of the Board, will review the recommendations for expulsion and will conduct any hearing requested. The hearing panel shall consist of three persons appointed by the superintendent from among District-level administrators and principals serving at the same school level as the student recommended for expulsion, but no person shall serve on a hearing panel appointed to hear a case arising from a school over which that administrator has supervisory authority. The superintendent (or designee) will attend meetings of the hearing panel.
 - b. At the hearing, the parents or legal guardian shall have the right to legal counsel and all other regular rights, including the rights to call witnesses on the student's behalf and to question all witnesses. The hearing will be closed to the public. The superintendent will ensure that the panel is convened and that its proceedings are appropriately recorded. The Hearing panel may remand the case to the principal for alternative disciplinary action, impose alternative disciplinary action itself, or expel the student.

- c. Within five days of its review and any hearing, the panel shall render a written decision and send it to the parents. If the decision is for expulsion, the letter will include the right to appeal to the Board as described in Step 6 and the reasons described in Step 7 that will cause the Board not to affirm the decision of its hearing panel.
6. Parents may appeal the decision of the hearing to the Board by sending to either the superintendent (or designee) or to the Board chairman a notice of appeal within ten days of receipt of the decision of the hearing panel. The notice of appeal must be in writing and must state the precise basis, consistent with the grounds set forth in Step 7, for overturning the decision of the hearing panel.
7. Parents filing a notice of appeal will be scheduled to present their appeals to the Board at or before its next monthly meeting following receipt of the notice of appeal.

The Board shall consider the notice of appeal, its hearing panel's decision letter, all materials submitted to the panel, and any response by the superintendent (or designee) to the appeal, either party may be represented by legal counsel.

The Board will affirm the decision of its hearing panel unless the parents demonstrate to the Board that:

- a) the decision of the hearing panel is not supported by substantial evidence
- b) the decision is not consistent with Policy JDD
- c) the student's rights to notice and a fair hearing, consistent with this policy and with relevant statutory and constitutional requirements, were not ensured in the expulsion process
- d) the decision was motivated by illegal discrimination or arbitrariness.

If the Board determines that the parents have demonstrated any of the four situations set forth in the previous paragraph, it will reverse or modify the panel's decision, or for sufficient reason, it may order a new hearing or elect to conduct its own hearing. Within five days of its decision, the Board will notify the parents or legal guardian and the superintendent in writing of its decision. The Board will not hear witnesses in reaching its decision.

8. The action of the Board may be appealed to the proper court.

Criminal Prosecution

Any student committing a breach of the Disciplinary Code that may also constitute a crime will, in addition to District disciplinary action, also be referred to appropriate law enforcement officials for possible criminal prosecution. No plea bargain or other type of agreement arising from such a referral, regardless of the assent of any District employee, will be binding on the Board.

Non-Students on School Grounds

The building principal is authorized to take appropriate action against unassigned or unauthorized students as well as non-students who come into the buildings or onto the school grounds or other school property without permission. Students who are suspended or expelled shall not be allowed to come onto school grounds or school buses, to interfere with students or district staff, or to disturb school in any way. **ANY PERSON COMING ON SCHOOL GROUNDS IS SUBJECT TO BEING SEARCHED.**

Corporal Punishment

Corporal punishment is not to be administered in District schools. This prohibition shall not be construed to prohibit:

1. Use of reasonable and necessary force to quell a disturbance or remove a student from the scene of a disturbance that threatens physical injury to persons or damage to property
2. Use of reasonable and necessary force to prevent a student from inflicting physical harm to himself.
3. Use of reasonable and necessary force for self-defense or the defense of others.
4. Use of reasonable and necessary force to obtain possession of weapons or other dangerous objects or controlled substances or paraphernalia, which are upon the person of the student, or within his control.

Non-aggravated Assault

State law requires that student handbooks contain this notice.

Any student who commits a non aggravated assault and battery on school grounds or at a school-sponsored event against any person affiliated with the school in an official capacity is guilty of the misdemeanor of assault and battery against school personnel and may be fined not more that \$1000.00, imprisoned for not more that one year, or both.

Judicial, law enforcement, or corrections officials must notify the principal of any conviction of this crime, of the crime of assault and battery of a high and aggravated nature against a school official, and of other “violent crimes.” Information concerning convictions of these crimes will be included in the student’s permanent record. The student’s teachers will be notified annually of conviction of these crimes. Any school official who reports a school-related crime in good faith is immune from criminal and civil liability arising from the report.

Student Dress and Appearance

Student dress and appearance are an important part of the school environment. Each student is expected to exercise good judgment. Student dress and grooming will be neat and clean.

1. Upon entering the building, **shoes or sandals must be worn. Flip-flops (Adidas-type shoes) or thong sandals with no back are not permitted. Students in violation of this policy will report to the main office.**

2. A second dress code violation will result in ISS for 2 periods and a one hour detention.
3. A third dress code violation will result in ISS for 2 periods and a two hour detention.
4. Subsequent violations will result in suspension.
5. Consequences for dress codes are enforced year round.

ID Badge Policy

For safety and identification, all faculty, staff and students must wear school-issued picture ID badges and school issued SHS lanyards around the neck. Temporary ID badges must be worn if regular ID is forgotten.

- A. Each student will be issued an ID badge and a breakaway lanyard at the beginning of the **2016-2017** school year. These badges are loaned to the students. **Students must display their Southside ID badge around the neck at all times while on campus** (unless involved in an extracurricular activity that requires particular dress). **ID badges must be clearly visible and worn around the neck on a Southside High issued lanyard for the 2016-2017 school year. Old ID badges from previous years will not be acceptable.**
- B. In order to attend class, students must wear an ID badge. Those students who arrive at school without an ID badge will report to the cafeteria where they can obtain a temporary ID badge and be permitted to go to class. A tardy will be issued to students who are late due to obtaining a temporary ID badge. **Temporary ID badges are to be worn between the shoulder and the heart.** Students who fail to obtain an ID badge/Temporary ID badge before **9:15 A.M.** will be subject to consequences as determined by the administrative team. If a student arrives to school after **9:05 A.M.** and does not have an ID badge, he/she can obtain a temporary ID badge when checking in at the Attendance Office. The first three temporary ID badges are free of charge/consequences.

- C. Starting with the **fourth** temporary badge issued, the penalties are as follows: **For the fourth, through eighth violation, detention will be assigned by the duty teacher for ID badges (however these penalties can be avoided for a \$.50 fine that will help offset the cost of printing).** For the 9th violation the student must purchase a new ID that day. Further violations will result in disciplinary consequences.
- D. Any student who defaces or alters the ID badge will face disciplinary action and be required to purchase another badge at his/her own expense. **Students are not to cover their ID with stickers of any kind.**
- E. **Any student who uses another student's ID will be sent to ISS.**
- F. Students must pay \$5.00 to replace lost or defaced/damaged ID badges. Replacement ID badges can be purchased before 9:00 A.M. each morning in the cafeteria.
- G. An additional ID may be purchased to serve as a "back-up" in case the student forgets/misplaces his/her ID.
- H. A student must surrender their ID badge if a faculty or staff member makes a request for the ID.
- I. **Students who have an ID, but are not wearing it around the neck or the appropriate lanyard, will be provided consequences as determined by the administrative team.**
- J. **At the beginning of second semester, temporary ID badge allowance will start over.**
- K. **Students must obtain a doctor's note in order to wear a variation of the SHS lanyard.**

2016-17 Southside High School Student Parking

Any student driving to Southside High School (SHS) must have a current SHS parking decal. Parking decals cost \$20 and will be sold during early registration/orientation and throughout the school year. The cost for the decal will be prorated so that if a student purchases one after the end of the first quarter the cost will be \$15, after the end of the second quarter \$10, or after the end of the third quarter \$5. In order to purchase a parking decal, the student must present his/her driver's license and proof of insurance for the vehicle that will be driven to SHS.

Parking decals are to be placed on the inside of the windshield in the left corner near the driver's side windshield wiper. After the parking decal has been issued, the student has permission to park in the area lot designated for students. Any deviation from this assigned area will result in disciplinary action, and/or a fine, and/or the possibility of the vehicle being towed. In addition the student may lose driving privileges. Also, any student driving to school without a valid parking decal will be subject to disciplinary action, the possibility of the vehicle being towed, a fine, and/or the loss of driving privileges altogether.

Special considerations:

1. If a student has a SHS parking decal on a vehicle and that vehicle goes out of service (sold, traded, wrecked, etc.), then the student can either purchase a new parking decal for another vehicle for **\$5.00** using the guidelines stated above or secure a parking pass for the second vehicle at no charge. If the student secures the parking pass rather than purchasing a decal, then the student must show proof of insurance for the second vehicle.
2. A second vehicle pass will be issued only one item at no charge. If this pass is lost, the student will have to purchase a decal for the second vehicle or purchase a parking pass for \$1.00 per day.

3. If a vehicle with a decal is out of service temporarily (repairs, being used by another family member, etc.), then a one day (or more) temporary parking pass will be issued at no charge until the vehicle with the decal comes back into service. However, if the situation continues for two weeks, the conditions as listed #1 and #2 above will apply.
4. If a student does not want to purchase a decal but needs to drive to school and park on campus, the student must purchase a temporary parking pass at \$1.00 per day. The student must present his/her driver's license to the administration to be eligible for this option.

Additionally, no one is permitted to drive into the student parking lot to pick up or let out a student. Students are not to park in designated faculty/staff parking or behind the school. No vehicles are to enter the bus driveway from Jacobs Road. Athletes may not park in the bus loading area until after 5:00 pm.

Consequences for parking and driving violations are as follows.

- Level 1 → warning sticker/disciplinary consequence if warranted
- Level 2 → fine (\$10.00)/disciplinary consequence if warranted
- Level 3 → CAR WILL BE TOWED/disciplinary consequence if warranted
- Level 4 → parking privileges revoked for remainder of year/disciplinary consequence if warranted

NOTE: The administration reserves the right to remain at a given level for more than one offense if extenuating circumstances exist. The administration also reserves the right to progress to a level higher than Level 1 for the first situation if that situation is severe.

It is the student's responsibility to arrive at school on time. Students are expected to leave their cars as soon as they arrive on campus. No student is to remain in his/her vehicle or to stand around vehicles after arriving at school. Students are not to loiter in the parking lot after dismissal as well. **STUDENTS ARE NOT TO RETURN TO THEIR VEHICLES DURING THE SCHOOL DAY.** Going into the student parking lot during the school day without administrative approval will result in a disciplinary consequence. SHS is not responsible for theft or vandalism. No money, valuables, CD's, etc. should be left visible.

Information for School Bus Riders

Parents: to ensure the continuing safety of all students who ride school buses, the School District of Greenville County has trained all bus drivers in the Assertive Discipline Program. This program is centered on bus riders, adherence to the rules of conduct expected of them and certain consequences that will ensue if these rules are not followed. Principals, bus supervisors, and drivers have formulated these rules and consequences and have communicated them to students.

All afternoon bus riders are expected to be outside by **3:50 p.m.** If a rider refuses to exit the building or causes a disturbance either inside or outside the building, disciplinary action will be taken.

Each bus rider is expected to:

1. follow the driver's directions
2. sit in the assigned seat
3. keep hands, arms, legs, and objects to him/herself
4. refrain from cursing, name calling, gestures, or loud talking
5. refrain from pushing refrain from eating, drinking, chewing gum, or littering
6. abide by the school district's discipline code

If students violate these rules, certain consequences will follow:

1. 1st incident – driver warns student
2. 2nd incident- conference with driver on bus
3. 3rd incident - seating assignment changed
4. 4th incident – student referral to principal

Upon referral to the principal, the principal will follow these steps:

1. contact the parents
2. suspend the student from the bus 1-5 days
3. suspend the student from the bus 5-10 days
4. suspend the student from the bus 10-15 days
5. suspend the student from the bus permanently

The bus loading area is limited only to those who ride the bus.

For incidents that involve severe offenses, such as fighting, possession of weapons, possession of drugs, alcohol, smoking, actions which endanger the safety of the driver and other students, or damage to the bus, appropriate disciplinary action will be taken. Such action could involve a lengthier bus suspension or permanent suspension from the bus.

For smoking on the bus, South Carolina State Law mandates a two-week suspension from riding the bus for the first offense and permanent suspension for the second offense.

The bus supervisor and transportation officials have the authority to remove a student from the bus if the student becomes uncontrollable while on the bus. The student may not board the bus again until granted permission to do so by the principal.

If a student damages a school bus, an appropriate fee will be charged. The student responsible for the damage will be suspended from riding the bus until restitution has been made. The principal may set up a payment plan for students who are unable to pay the entire amount. Total restitution must be made or the bus privilege will be lost.

Appropriate action for handicapped students who violate bus rules will be taken by the principal and may involve other intervention as indicated by student's Individual Educational Plan (IEP) Committee and or 504 Plan.

Lockers and Locks

Locks and lockers will be issued at the beginning of the school year to students desiring lockers. The lockers and locks are property of the School District and will be periodically inspected. Any locker or lock not working properly should be reported to the appropriate administrator. The lockers are for students' convenience and students are reminded that the lockers can be broken into and items taken are not covered by the school. **The school will not assume responsibility for contents of the locker.**

Posters

The principal must approve displaying posters at or around the school building and grounds. If approved, posters must be displayed using school designated cork strips only.

Phones

The office staff cannot adequately process telephone messages to students. Only emergency calls should be handled through the office. Calls to parents for early dismissals due to illness may be made by the nurse in the health room.

District Policy Regarding Mobile Telephones/Paging Devices

Paging Devices, Telecommunications Devices, and Cell Phones

For purpose of this policy, paging devices are defined as telecommunications devices, to include mobile telephones that emit an audible signal, vibrate, display a message or otherwise summon or deliver a communication to the possessor.

Students who choose to bring paging devices to school must keep them in their vehicles or lockers, or another appropriate location determined by the school principal. During school hours while on school grounds, no student may use, or have turned on, a paging device without the prior permission of the principal, as set forth below. "Turned on" includes a paging device that is activated and set or programmed to ring, vibrate or otherwise send or receive a signal.

The principal or his/her designee may authorize a student to otherwise possess a paging device if the student is an active member of an emergency service organization, needs the paging device for a legitimate medical reason or otherwise needs the paging device for a legitimate reason, as determined by the principal. In such cases, the student must have prior written consent from the principal or his/her designee.

A person who finds a student in possession or use of a paging device in violation of this policy, must report the student to the school principal. The principal or his/her designee must confiscate the device. The device will be returned to the student's parent/legal guardian according to the terms set forth below. Confiscated cell phones must be returned to a parent/legal guardian prior to the end of the school year. A student who violates this policy regarding use and possession of paging devices is subject to discipline as follows.

First offense – confiscation of the paging device or mobile telephone and after a conference held the next school day with the parent/legal guardian, the paging device or mobile telephone will be returned to the parent/legal guardian. The parent/legal guardian must sign an agreement acknowledging their understanding of Board Policy JDCA and the penalties for subsequent violations.

Second offense - confiscation of the paging device or mobile telephone and after a conference with the parent/legal guardian, the paging device or mobile telephone will be returned to the parent/legal guardian 30 calendar days after the confiscation.

Third and subsequent offenses - confiscation of the paging device or mobile telephone and after a conference with the parent/legal guardian, the paging device or mobile telephone will be returned to the parent/legal guardian 60 calendar days after the confiscation.

REFUSAL TO TURN IN A MOBILE PHONE WILL RESULT IN SUSPENSION.

Textbooks

Each student is charged with the responsibility for their books. If a book is lost, stolen, or damaged, the student is held responsible and must pay for the book before another one can be issued. Payment for the lost books should be made to the AP in charge of textbooks.

Debts

All students are expected to be debt free. **All debt must be cleared before a student can participate in graduation and/or attend prom.**

Refunding of Money

Money for yearbooks, class dues, prom, etc. will not be refunded. Contracts are made with vendors in advance and the obligations met. Vending machines are used at one's own risk.

Class Dues

Class dues are as follows:

9th Grade-\$10.00 10th Grade-\$10.00

11th Grade-\$15.00 12th Grade-\$35.00

Dues cover postage, class expenses, and commencement costs.

Change of Address and Phone Number

If you have a change in address or phone number during the school year, please inform the attendance office. All students need to have an emergency phone number on file. Forms will be handed out at the beginning of the year to obtain these numbers. These numbers are kept confidential.

Guidance Services

Counseling

The Guidance Department provides every student with the opportunity for individual and group counseling throughout the school year.

TBA —9th, 10th, 11th--(A-K)

Ms. Henderson—Director of School Counseling

Ms. Cathy Smith 11—12th

Ms. Natalie Goglia— Test Coordinator

Mrs. Dawn Davis, Registrar

Schedule Changes and Procedures

Except for unquestionable errors, changes in schedule will not be made. A parent conference will be necessary before a student can change a course. No class changes may be made after the first two weeks without the principal's approval and signature.

Withdrawals and Transfers

Any student who finds it necessary to withdraw from school or transfer must notify the Guidance Office and secure a withdrawal form. This form must be completed before a student can be properly released. All debts must be paid and all books returned. The student must clear with the cafeteria, library, and health room. Permanent record information will not be sent to any school or agency until all these matters are cleared. A parent must contact the school to verify the student's withdrawal. **If students withdraw from a class and/or expelled, they will receive a W/F.**

Transcripts

Students applying to post-high school educational institutions should see their guidance counselor for transcripts.

Grading and Report Cards

The School District of Greenville County has established the following numerical ranges representing each letter grade:

A = 90-100

B = 80-89

C = 70-79

D = 60-69

F = 0-59

*** 59 or below is an F; the course must be repeated for credit.**

Students with excessive absences will receive an FA- (failure due to absences).

Students will receive four report cards during the year, one for each nine – weeks grading period. Semester grades are determined by counting each nine- week’s grade twice, and the exam once and dividing by five. Yearly grades (for full year courses) are determined by averaging the first and second semester grades except for courses that have End-of-Course Exams. The S. C. State Department of Education mandates that an EOC exam counts as 20% of the final yearly grade. Courses with End-of-Course exams are English I, Physical Science, U. S. History and Algebra I.

Honor Rolls

Criteria for the Honor Roll: 3.00 GPA with no D’s or F’s

Criteria for the Principal’s Honor Roll: 4.00 GPA with no D’s or F’s

In an effort to recognize the excellent academic achievements of all Southside High School students, the Guidance Department will list the names of students qualifying for either the Principal’s Honor Roll or the Honor Roll at the end of each grading period. These lists will be posted in designated areas throughout the building.

Grading Scale

Students needing clarification on the grading scale should consult guidance.

Promotion Policy

To be promoted to the next grade level:

10th to 11th – 11 credits including 2 English, 2 Math and 1 Science

Student Speakers at School-Sponsored Activities

The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment.

Student speakers at school-sponsored activities, including graduations, may not be selected on a basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, evenhanded criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed, such speech is attributable to the school and may not include prayer or religious content.

A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District's behavior code or substantially disruptive to the school environment.

EOC Testing-South Carolina End-of-Course Testing

All students who are enrolled in English I, Biology, Algebra I, and U. S. History **must take a state exam at the end of the course** in May that determines the students' mastery of state standards in those subject areas. **The exam grade is averaged as 20% of a student's yearly grade in the course. The EOC requires year long preparation; therefore, parents must work closely with teachers to help students attend classes regularly.**

Athletics:

Participation in Extracurricular Activities

Student participation in extracurricular activities is a privilege (not a right) that a student earns through proper conduct and academic achievement. A student may be denied the privilege of participating in an extracurricular activity and/or an event when the student's conduct is not consistent with District Policy; the District's Behavior Code and/or academic standards; the conduct expectations and/or academic standards of Southside High School; and/or the conduct expectations and/or academic standards of the particular activity. Extracurricular activities include, but are not limited to, athletic teams, academic clubs/teams, prom, graduation exercises, and attendance at any school function outside of the normal school day.

The athletic program is a vital part of our school. It provides physical and mental training for participants, and recreational and social outlets for students, parents, and visitors. The program is supported entirely by gate receipts, making it important for everyone to assist in making our athletic contests desirable events to attend for both students and visitors.

Students interested in going out for athletic teams should check with coaches about six weeks before a particular sports season in order to begin practice on time and to establish eligibility. In general, a student must have a physical, a birth certificate, meet eligibility requirements, have insurance, and must not play on any team except the school team during the season of the sport for which he/she has been certified.

Auditing a class does not establish eligibility. Students cannot quit one sport to join another sport before the season ends for the first sport. Also, if students are dismissed from one sport for disciplinary reasons, they may not join another sport before the season ends for the first sport. A complete list of requirements for eligibility is available from the Athletic Director.

The following sports may be provided (if funded):

Cross Country (Boys & Girls).... middle - high school
Soccer (Boys & Girls).....middle through high school

Athletic Insurance

All participants of high school athletic programs, including cheerleading, are required to purchase athletic insurance through the school. Because this policy is mandatory, it covers only injuries received during practice for or participating in a high school sport. If students have any questions, please see the Athletic Director. Students will not be allowed to try out, practice, or become a member of the team without this coverage. Refunds will not be given for any reason. The no refund policy also applies to physicals. This required policy should not be confused with the school time / 24 hour plan which is optional and covers all school time injuries including all athletic injuries **except football**. The school time / 24 hour plan is optional. The School District of Greenville County will provide insurance to its athletes through the plan endorsed by the South Carolina High School League. The plan was designed as a prudent way to insure the medical welfare of student athletes. The plan will also cover all athletes even if they are on the baseball and basketball teams as well as football. Cost of this policy for 2016-2017 which covers all participants in all South Carolina high school league sports is **\$55.00**. **The league and its insurance carrier require that each student athlete be covered with this policy.**

Prom

The date and time of the Southside High School Prom for 2017 is TBA. Formal or semi-formal attire is required. Juniors and seniors may purchase a ticket for themselves and a ticket for **one** guest. Any person who attends the prom must have a ticket. **There will be no refunds if a person later decides not to attend.** The tickets to the prom will be distributed upon purchase. Announcements will be made about the deadline for purchasing tickets. After the deadline passes, no ticket will be sold. Tickets must be presented at the door in order to enter the prom. The ticket is valid for the prom only. Junior class officers will assist the sponsor in making decisions about the prom. Junior and Senior students will vote on the theme and the colors for prom. **No student with outstanding debt will be allowed to purchase tickets or attend the prom. Upon arriving to the prom, students are to report to the designated area. No Bar access is allowed.** Start planning now for a successful prom.

National Honor Society

1. National Honor Society (NHS) is an honorary organization dedicated to the achievement of the highest levels of scholarship, service, character, and leadership.
2. Members are chosen on the basis of scholarship, service, character, and leadership. Procedures for choosing NHS member:
 - a. During the summer of each year, the advisor will examine the permanent record cards of all juniors to determine eligibility. Those juniors with a 3.5 GPA or better (not rounded off) in academic subjects only will be considered. (Academic subjects include English, math, science, social studies, and foreign language. No electives such as journalism, art, music, business, or home economics will be counted.) Students must be enrolled in regular, advanced, or honors level classes.
 - b. The student's disciplinary record will be reviewed for approval. A student must have had no suspensions (in or out of school) or documented disciplinary problems that would reflect on his/her character (e.g. cheating or theft).
 - c. Those eligible students will then be invited to fill out an application giving their leadership and service background, which will be evaluated by the advisor according to a point system.

d. The list of eligible students will be submitted to a faculty council for approval. The five-member faculty council is appointed by the principal and may not include an administrator or advisor. (The advisor is a nonvoting member.) A student who receives four votes will be invited to join. See the webpage and/or sponsor for details.

Tiger Ambassadors

Tiger Ambassadors serve as spokespersons for Southside High School. Each year there are approximately twelve students chosen to represent our school in the community. The ambassadors attend functions with the principal and other educators. They also serve as models of our school and our community. The selection of Tiger Ambassadors is based on academic achievement, positive involvement, potential leadership, and public speaking ability.

Selection criteria are as follows:

1. Grade 10, 11, or 12.
2. Grade point average of 3.0 or higher.
3. Regular school attendance.
4. Involvement in school activities.
5. Ability to speak to a group of people.
6. Knowledge of programs at Southside.

A student who wishes to become a Tiger Ambassador must complete an application and return it to the sponsor of the group. The application must include three references from a teacher, counselor, media specialist, or administrator. If chosen as a finalist, the student will participate in an interview.

While these systems have the power to deliver a vast number of resources to classrooms and enhance education, their effectiveness depends on the responsible and ethical use by every individual. The District does not supervise individual e-mail accounts.

1. The District reserves the right to review any e-mail sent or received using District equipment and e-mail accounts.
2. Students must adhere to the behavior expectations while using technology and e-mail, including but not limited to those expectations contained in board policy. The District's Behavior Code is Board Policy JCDA.

1. Though the District makes reasonable efforts to filter such Internet content, the District cannot warrant the effectiveness of its Internet filtering due to the dynamic nature of the Internet.
