## Author: Scenario Learning Editorial Team

The Scenario Learning Editorial Team is comprised of veteran editors and subject matter experts on school, campus and workplace safety and compliance topics.

## Description

This course addresses training needs relating to student education records. This course covers important legal terms related to the Family Educational Rights and Privacy Act (FERPA), the general responsibilities of staff members under FERPA, FERPA's rules regarding confidentiality and disclosure, and the rights of students to access and inspect their own education records kept by the school.

This version is designed for all school staff.
