ARTS INTEGRATION

Arts Integration is an approach to teaching in which students construct and demonstrate understanding through an art form. Students engage in a creative process which connects an art form and another subject area and meets evolving objectives in both.

- ◇ Teachers participate in Arts Integration Professional Development offered through the Kennedy Center
- ◇ Stone Academy is certified as an Arts in Basic Curriculum (ABC) site and has been awarded a grant from the SC Arts Commission
- ◇ Stone Academy and the Metropolitan Arts Council (MAC) collaborate to provide various artist-in-residence programs for all students
