

24 Hour Communication Policy

The staff of our school responds to all written or oral parent concerns, problems, recommendations, or commendations related to the Title I school program within 24 hours or by the next school day, whichever comes first. If needed or requested, school officials also inform parents or other interested parties of the issue's disposition. All issues related to Title I compliance submitted by parents or other interested parties are filed with the principal and with the Federal Programs Office.
