

## ABOUT OUR SCHOOL

Taylor's Elementary serves approximately 720 students annually with 85 staff members. We are a diverse community of learners, and we believe that each student has genius and is a leader. We have proudly served the Taylor's community for over 100 years and look forward to over 100 more!

# TAYLORS

---AT A GLANCE---

Taylors Elementary is a proud Leader in Me Lighthouse School and 2026 US News and Report Best Elementary School as well as the recipient of Palmetto GOLD Award for High Achievement! We serve approximately 720 students in K5-5th.

Each year, as a LIM School, we set Wildly Important Goals (WIGS) to improve our academic performance. These WIGS are measured on an individual and classroom level so that we can meet our annual schoolwide goals. Students participate in schoolwide leadership roles and work to implement the Seven Habits in his or her daily life.

Taylors is a diverse learning community with highly qualified faculty and staff who promote student-centered instruction. We strive to identify the strengths and learning needs of all students. Our staff regularly participate in professional development activities, improving on their craft to positively impact student achievement.

We offer a wide range of programs and clubs during and after school. Each student has the opportunity to participate in Covey Clubs that interest them at no charge. Our PTA takes an active role in supporting our school initiatives as well as strengthening relationships with local businesses and community members.

Our school belief system embraces every child as a leader with unique genius and talents. We strive to tap into those individual strengths to help them shine! We truly believe "Greatness Starts Here."

## AWARDS & RECOGNITIONS

- Palmetto GOLD Award for High Performance (2026)
- Best Elementary Schools by US News and World Report (2026)
