*White-834*

### **2019-20 Pupils in Poverty**

**62.39%**

### **Our Commitment to the Future**

The past year has been one where our student body, faculty, and community truly embraced and embodied our slogans “We Are Devildogs”! From our opening assembly on the first day of school, our school has continuously demonstrated a unified school spirit. We continue to review academic data and adjust our curriculum and programs to meet the needs of every student.

Additionally, our extra-curricular activities have expanded and have experienced significant success. Our BETA Club students have again qualified for national level competition and our fine arts department continues to win multiple state level awards. Our Student Council demonstrated our strength in student leadership by continuing to raise an amazing amount of money for charity during our December toy drive. The Student Council was also recognized as being in the top two councils in the state for the fourteenth consecutive year and was named a National Gold Honor Council for the twelfth time. Athletically, we continue to experience growth in our success, with multiple playoff berths, region championships, and several all state and North-South team members. As always, we maintain a commitment to continuous improvement. We study our school wide data on a constant basis and make the necessary adjustments to our instructional program. Looking forward to the 2020-21 school year, we are making the necessary adjustments to maintain our quality educational program in the face of continued budget challenges. These are just a few of our accomplishments and efforts to insure that Travelers Rest High School will continue to be the best possible school for our students. Thank you for your support and assistance as we continue to work together for our students.

Daniel Bruce, Principal
