TRHS Virtual School Students!

“I’m a TRHS Virtual School Student for Second Semester! What Are My Next Steps?”

- Second Semester starts on Tuesday, January 19th. Your TRHS teachers will reach out to you by through your Student Backpack and Google Classroom. They will give you course instructions and further details that you will need to follow.
- Log Into Student Backpack to see your Schedule (keep reading for instructions on how to do this!)
- You may be enrolled in elective classes that are different than what you selected. Our virtual school program has a limited number of electives. We did our best to accommodate your requests.
- Please don't worry if your schedule looks different. You may have classes that fall at the same time. That's OK! Most of your work is online and your teachers will work with you if you have a conflict. Be sure to communicate any concerns you have!
- We used a variety of sources to meet your academic needs. Therefore, if you have "GCVS" listed on your schedule, this means that you are taking a class through the Greenville County Virtual School Program. Please check your school email for further instructions from your GCVS Teacher. Your class will begin on January 19th. Your class will show on your schedule.
- If you have "VirtualSC" in your schedule, your counselor will be contacting you to help assist you with signing up for classes. This class will start February 3rd and will end on May 9th.
- Schedule Changes will only take place if: You are enrolled in a class you already took or you are a Senior and you are missing a class you need to graduate.
- Attendance Matters! You will be marked present if you complete the Google Form posted in your Google classroom.
