

Washington Center SIC

Meeting Notes

September 21, 2016 at 1:00pm

1. Welcome
2. Update from Dr. Rogers
 - a. Update on Nature Trail – PTA is selling personalized bricks to help support the Nature Trail. Still in the planning stages but moving forward.
 - b. Spirit Week at Eastside High School – starts on September 30th. Check out the website eastsidespiritweek.com for more information about the events. We want WC to support Eastside as much as possible.
 - c. Discussion - accurate identification of students who need to be at WC and the impact. When the district built WC, there was not a plan for expansion so we expanded to the Hollis campus for our younger students. In the future, our goal is to bring all students back to the main campus. This would not be immediate, it would be done over a period of a few years, through attrition. Our goal is to encourage more accurate identification and placement of our students.
3. Discussion
 - a. 2016-2017 SIC Elections must be held by October 15th. We will hold elections for both teacher and parent members.
 - b. SIC Information – sic.sc.gov
 - i. There will be trainings available on the SIC website that we would be able to watch during a meeting, if the committee is interested.
 - ii. We will need to develop our SIC bi-laws, Robin Blackwood will look into more information about our bi-laws.
 - iii. Minimum of 8 SIC meetings per school year required.
4. Next Meeting
 - a. Scheduled for Wednesday, October 19th at 1:00pm.
5. Adjourn
