

The Welcome Howl

September 23, 2019

“Welcome to the Possibilities”

A Word from Mrs. Ketron

We are excited about how the year has started! Each teacher is posting their class syllabus on their website. The syllabus is a full of class information, such as classroom behavior plans and grading information. Parent Teacher Conferences will take place during the month of October. Your child’s teacher will soon be sending home information about a date and time to meet with him/her soon. If you are interested in being a mentor/lunch buddy see Mrs. Ketron. A mentor is someone who comes on a regular basis to eat lunch with their assigned student and checks in with them to see how they are doing. These relationships really have a positive impact of students. It is a great experience.

Spirit Fridays

The first Friday of every month is Spirit Day. Remember to wear a “Welcome” t-shirt!

Volunteer Procedures

Greenville County Schools has a specific procedure for screening school volunteers to ensure safety for our students. There are types of volunteers: level 1 or level 2. Parents and volunteers can access the volunteer application through the school’s website under the parent links section. Simply click the link and complete the on-line application. You will need an email address, Social Security number, and driver’s license. All school visitors and volunteers will need to show an I.D. when signing in. If you need assistance or have questions about this call Courtney Tilley @ 355-5069. If you plan on chaperoning field trips you must be a level 2 volunteer. Be sure to apply early if you want to go on field trips!
