

Welcome to the 3rd grade! We are looking forward to a new year of investigation and discovery. This year we will move your child from a dependent learner to an independent learner. It is imperative that they learn responsibility and organization in third grade. For these reasons we ask that you drop your child at the front door after the first day, rather than walking them to class. We will always be available for conferences, but we ask that you call or send a note to set a time in advance. Before August your child should have memorized addition and subtraction facts thru $9 + 9$. Please drop by to “Meet the Teacher Night” The date is to be determined. See you next year!

Third Grade Supply List

Funds for these supplies are no longer available. It will be the parents' responsibility to provide supplies needed. Please write your child's name on all of their supplies with a permanent marker and send them all to school for the first day. We will store these items so that they are available as needed by your child during the year.
