LEADING LIKE GENERALS PARENT NEWSLETTER--APRIL 23, 2021

100% ATTENDANCE PLAN (IN-PERSON STUDENTS)

Earlier this week, Wednesday (April 21st), the South Carolina legislature passed a bill requiring schools to provide parents with an option of full-time in-person school, beginning Monday. Please see this brief video where I explain how this affects us at Wade Hampton High.

[DR. GRANT'S MESSAGE!!](#)

Those of you in our traditional program opted for in-person school at the start of the year and have been on a 75% attendance plan. All of you are impacted by this decision.

Beginning this coming Monday, April 26, your student has the option to return to full-time, five-day-a-week in-person instruction OR remain on the 75% plan with eLearning one day each week plus one Friday out of every four. We will require that who are failing or in danger of failing (F/D) any of their current courses to attend the full 5 days of instruction. Teachers have been in communication with students and their parents if they fall into this category.

Be aware that we will take attendance each day. This will likely result in students receiving Absence Notifications via email or phone message for being absent on an eLearning Day. Please do not worry. This will not negatively affect students. Remember that there is no seat time recovery this school year and this will not prompt any truancy process. This will also not affect students' grades.

Students cannot opt to remain home on their already assigned in-person attendance days.

With the passing of this legislation, there will likely be more students in our classrooms and hallways. Classrooms have been reconfigured and in most cases, students are facing forward in traditional rows with desks 3ft apart. There are no longer plexiglass barriers between students. Masks are still required whenever students are not at-least six feet apart.

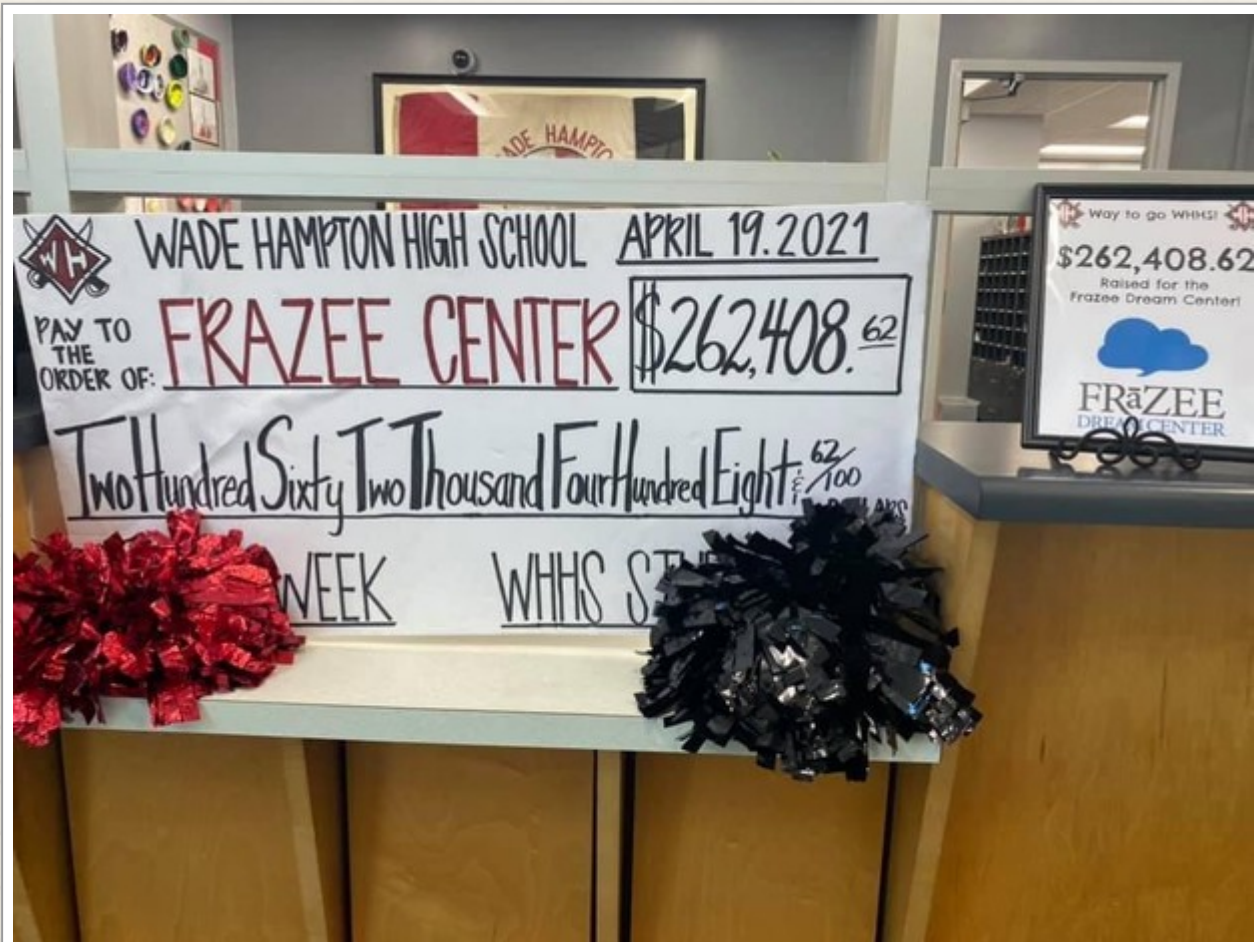

100% ATTENDANCE PLAN (VIRTUAL STUDENTS)

Virtual Students and Parents,

Please be aware that this change in legislation DOES NOT affect you unless you have been in direct communication with Administrators--Mr. Rushton or Mrs. Davis. Since you are in the Virtual Program, you DO NOT NEED to come to school for in-person learning. You will continue to learn via the current Virtual Academy Program for the remaining weeks of this school year.

Please see this brief [VIDEO](#) from Dr. Grant

SPIRIT WEEK 2021

We are so proud our student body, staff and community for raising **\$262,408.62** to sponsor the Frazee Center during this year's Spirit Week. This outstanding work was led by our award winning Student Council. And this group is led by the incomparable Sandy Brooks. We appreciate the sacrifices and hard work that is put into this yearly tradition.

Over the years, the Frazee Center has become an "open door" community center for local organizations that shared in the mission of positively impacting children and young adults. YouthBASE, GOAT, City Youth Sports, AAU Basketball and newly founded PMAC and GirlUp GVL are just a few of the non profits that have woven in and out of Frazee's fabric. These funds will help them in their relocation efforts.

SCHOOL REPORT CARD PARENT SURVEY

Section 59-18-900 of the Education Accountability Act requires that annual school report cards include “evaluations of the school by parents, teachers, and students.” Parent perceptions as collected in the Parent Opinion Survey appear on our school report card and provide school staff with insight to issues within our school. Additionally, results from the Parent Opinion Survey are used by the Education Oversight Committee to meet the requirements of Section 59-28-190 of the Parental Involvement in Their Children’s Education Act.

Although the Parent Opinion Survey has been administered for many years, only parents of students in the highest grade in elementary and middle schools and parents of 11th graders in high schools previously were afforded the opportunity to respond to the paper survey. This year the survey has been moved to an online platform and is accessible via computer and mobile device. All parents of students in grades K-12 may now participate.

Please complete the Parent Opinion Survey by Friday, May 21, 2021. To access the Parent Opinion Survey click on this link: <https://ed.sc.gov/surveys/parent-survey/>

Once at the survey, choose either the English or Spanish version of the survey to complete. Families should complete only one survey for each of their children enrolled in public school.

Next, enter the seven-digit ID of our school. The ID for our school is 2301010

Before opening the survey, the name of the school will appear, and you will be asked to confirm that you are completing the survey for the correct school. Each school where your children are enrolled will provide you with their school ID.

You will receive a letter from the State Superintendent of Education with additional information. Please read that letter before completing the survey.

The survey is anonymous, but if you feel uncomfortable in responding to any question you may skip that question. The survey will note that a question has been left unanswered, but you can click continue to proceed without answering the question.

Your time and effort in completing this survey is greatly appreciated.

STUDENT INTERNATIONAL TRAVEL

Students will be given guidance upon their return to the U. S. from international travel. They will receive travel quarantine guidance based on answers provided. Administration will share the guidance we receive with the student's parent **and our school nurse** who will monitor compliance. Students will be provided 2 options for return to school after international travel quarantine: A 7 day quarantine with documentation of a negative COVID viral PCR or antigen (rapid) test result between days 3 and 5 with return to school on day # 8 or a 10 day quarantine with return to school on day #11. The rapid test can only be used to return early from a quarantine caused by international travel, not due to a quarantine caused by known exposure.

SCHOOL COUNSELING UPDATES

Junior Parent Night:

The Counseling Department will host a meeting for parents of rising seniors on **Tuesday, April 27th from 6-7 pm**. Please plan to attend this informative meeting to learn about the senior year for your student and what they need to be thinking about and doing this coming year. To join the meeting click the link: meet.google.com/wxk-zxko-rfa. It is posted on the School Counseling webpage also. **Students are also welcome to attend.**

Parents of Seniors:

- Seniors can sign up for the **Upstate Career Showcase** during the week of April 19-23rd. The showcase is LIVE and FREE for our 12th graders on Friday, May 7th from 9am-11am. Many upstate companies who are HIRING will be live on the site that morning and looking to engage with our seniors who want to go straight to work after graduation. To register, they should click the link on the flyer, then click Register Now, and complete the following info: (Select Career Showcase as the event). Flyer linked below:

<https://drive.google.com/file/d/15IBE4LDlgVDB3zHxnu2RkDO6tAX6WW5m/view?usp=sharing>

- State-level **Military Honor Cord ceremony** for students joining the military upon graduation. Click [HERE](#) to read the memo from State superintendent Molly Spearman detailing the event including a link to sign up to participate. Seniors were also asked to complete a Google Form indicating their plans to attend the military upon graduation because they will receive a military cord to wear at graduation. We need to know the number of cords to order. This was posted in the senior Google Classroom but also linked [HERE](#).

Please make sure your student is checking their Senior Google Classroom regularly for posts. Scholarship information and College and/or Community Program information is posted constantly and is the main way we communicate information to students. Students should also be checking the Scholarship link in their **Schoolinks** account (located in their Student Backpack).

Seniors will need to complete their Senior Survey in the upcoming weeks...we will post this in the Google Classroom and in this parent newsletter. This is a very important survey as it tells us: 1-where to send their final transcript, 2- their plans after graduation, 3- how much scholarship money they've earned, along with some other important information. This will be their **TICKET OUT THE DOOR** for them to officially check out as a senior. More to come soon.

Midyear transcripts-

The 7th semester transcripts have been uploaded into Schoolinks and all grade-level students have access to their transcripts by logging into their Schoolinks account. From Schoolinks, students can email their transcript and print it out themselves. Informational videos are posted on the Schoolinks page if students need refreshers on navigating their Schoolinks account.

Class of 2022 (11th Graders)

A Class of 2022 page has been created to help answer questions for current Juniors! *Please visit this page prior to the IGP meeting so you can be informed.* <http://tiny.cc/Classof22>

LEVELS OF PROTECTION

Please see the new graphics below. They are designed to remind parents, teachers, and students of the way we use multiple protocols to layer protection against the transmission of COVID-19 within our school facilities. These are provided in English and Spanish. We hope this will provide a measure of reassurance for all.

MÚLTIPLES CAPAS DE PROTECCIÓN Y PREVENCIÓN

PROTOCOLOS COVID-19

**GREENVILLE COUNTY
SCHOOLS**
Inspire | Support | Prepare

MANEJAR EL RIESGO

El personal y los estudiantes se quedan en casa si están enfermos (aislados) o expuestos (cuarentena) para minimizar la transmisión potencial

MITIGAR LA TRANSMISIÓN A TRAVÉS DEL AIRE

Mantenga la distancia social usando 6 pies o 3 pies más divisores de plexiglás

Use máscaras para una capa adicional de protección contra las gotas respiratorias que viajan más allá de 6 pies o por encima/alrededor de plexiglás

Use máscaras al caminar por el edificio, en el autobús o en cualquier momento dentro de 6 pies u otros

MINIMIZAR LA TRANSMISIÓN A TRAVÉS DEL TACTO

Use estaciones de lavado / desinfección de manos para minimizar la transmisión a través del contacto

Desinfecte las superficies con frecuencia para minimizar la transmisión de la superficie

No compartir alimentos / bebidas

Las fuentes de agua permanecen apagadas/estaciones para llenar las botellas de agua están disponibles

MULTIPLE LAYERS OF PROTECTION & PREVENTION COVID-19 PROTOCOLS

MANAGE RISK

Staff and students stay home if sick (isolate) or exposed (quarantine) to minimize potential transmission

MITIGATE TRANSMISSION THROUGH THE AIR

Maintain social distance using 6 feet or 3 feet plus plexiglass dividers

Wear masks for added layer of protection against respiratory droplets that travel beyond 6 feet or over/around plexiglass

Wear masks when walking through building, on the bus, or anytime within 6 feet or others

MINIMIZE TRANSMISSION THROUGH TOUCH

Use hand washing/sanitizing stations to minimize transmission through contact

Sanitize surfaces frequently to minimize surface transmission

No sharing of food/drink

STUDENT ATTENDANCE (IN-PERSON STUDENTS)

We have heard from a significant number of parents who do not want to commit their student to the Virtual Program for the remainder of this school year (because they may not have the option to return to in-person class if conditions improve), but they also do not want to send their children in accord with the current attendance plan because of the high COVID spread in our community. To ensure consistency across the district:

- Be reminded that parents have the ability to “excuse” 10 of their children’s absences. As Principal, Dr. Grant has the option of considering hardships or individual circumstances to allow further absences.
- Once parents make the choice between the Virtual and Traditional programs, their children are expected to follow that program’s attendance plan. They are not allowed to choose the traditional (in-person) and simultaneously stay home for full-time eLearning.
- At the high school level, students who are “excused” by a parent note can participate in eLearning during those 10 days since classes are being livestreamed and eLearning is still occurring for the 25% of in-person students who are home each day on the 75% plan.
- When students are not physically present in the building **on a scheduled attendance day**, students will be marked absent, whether they are elementary, middle, or high school students.

PARENT BACKPACK ACCOUNTS

Please create your parent backpack account if you have not already done so by going to <https://www.gcsbackpack.com/signin.aspx>

Here you can check your student's grades in real time, attendance, and receive text/email notifications sent by the School. After completing the steps to create the account, you will receive a confirmation email telling you to visit the school to verify your identity.

To complete verification...

1. Email a copy of your Government ID to Guidance Clerks (Mrs. Kirven) at rkirven@greenville.k12.sc.us or (Mrs. Childers) at mchilders@greenville.k12.sc.us.
2. One proof of custody is required (See photo below).
3. Please ensure your student's name is attached.
4. This has to be done prior to your account being approved by the school.

UNDERCLASSMEN DUES

Underclassmen (Grades 9-11) Dues are collected each year to support the projects associated with the corresponding graduation classes. **The Class Dues are \$5!**

This applies to Virtual students and in-person/E-learning students.

Students/Parents can one of three ways:

1. Pay dues to students' 1st Block teacher
2. Pay in the front office
3. Pay online at MySchoolBucks.com

SCHOOLINKS

Schoolinks is a new program that replaced Naviance as students' college and career portfolio. There are many features that the School Counseling Department is still learning about and will be sharing with students in the coming weeks. Students can now access and download their transcripts by logging into their Schoolinks account via Student Backpack in the Education Apps. Seniors will use Schoolinks to track college applications and request transcripts be sent to colleges. For a video guide and pdf information, visit the [School Counseling webpage](#).
