

Lead Like Generals (Summer Week 1)

Student and Parent Edition

Thank You for a Great School Year

Dear Wade Hampton Families,

On behalf of the Wade Hampton faculty and staff, I want to send a heartfelt gratitude for allowing us to inspire, engage, teach, coach, and simply know your students this year.

By far, we had an unimaginable ending to this school year! I don't think any of us could have imagined this year would have ended this way. However, the fortitude and perseverance that lives in our community gives me confidence that the future will be bright.

I want to acknowledge and thank all of you for whatever role you played in guiding students during the distance e-learning journey. As a fellow parent, the e-learning process stretched me in many ways. I've heard many interesting and quite humorous stories about other parents' home-schooling experience. Thank you for "staying the course."

This was definitely a true testament to the power of partnership between parents and teachers. We recognize that it is only through the support and partnership of our parents and community that we are able to provide such a positive and productive school climate, no matter where we are physically. The administration, faculty, and staff of Wade Hampton High School promise to work hard in our preparations for another productive school year.

We are unsure of what the start of next year will look like. We will continue to work with district and state leaders as we plan for a safe place for students and staff. No matter the circumstance, I am confident in the Wade Hampton community's ability to make the necessary adjustments needed to support students.

We will be in contact with you throughout the summer with details as we learn them.

HAVE A GREAT SUMMER!!!!

Dr. Carlos C. Grant
