### Student Material Pick Up Schedule (Aug 17-21)

If you did not make it out for the Materials Pick, we will make sure students pick up their items when they come to school next week. This includes chromebooks, chargers, AP textbooks, ID's, parking passes, class schedules, class specific supplies (art, etc) and return

Emergency Contact Forms. If you are a student in our Virtual Academy, please stop by Monday, August 24th for your items.

## Student Emergency Form

The [Student Emergency Form](#) is needed at the beginning of the school year from all students (including students who are taking virtual classes). Please use the link below to print out the form and bring it with you next week. If you are unable to print this form at home, we will have copies available for students to bring home for parents. If you have any questions please call the school at 864-355-0100.

## Student Parking Passes

Parking permits will be issued to students who have purchased them on the dates students are scheduled to receive chromebooks and other materials for the beginning of the school year. Before being issued a permit, all debt must be cleared. Students are reminded that parking permits match the randomly assigned parking space number, and must be visibly displayed in the vehicle each day. Please email Coach Choplin with questions.

## WHHS Public Calendar
