

Good morning parents! Below is some important information regarding the current school closure. Please continue to remind your student to login daily to access their eLearning assignments. Teachers are available during normal school hours via email and Google Classroom should your student have questions.

- Resources for families

- [Coronavirus \(COVID-19\) Monitoring and Response Bulletin](#)

Please continue to monitor information from GCS concerning the spread of coronavirus. This bulletin is updated regularly. [Please click here to read the full bulletin.](#)

- Despite mandatory school closures learning can continue for students across the state! South Carolina ETV and the S. C. Department of Education have partnered to use the power of television to broadcast streamlined, curriculum-based programming for the state's pre-K through 12th grade students. Access ETV's site here:
https://www.scetv.org/at-home-learning?utm_source=e-newsletter&utm_medium=email&utm_campaign=Coronavirus_Educational_broadcasts

- Report Cards

- Report cards will be ready on Friday. Please access report cards via Parent Portal. If parents would like a print copy please notify the school and we will mail you a print copy. (Note: We will only mail report cards to the primary address we have on file.)

- Meals/WiFi

- GCS WiFi is available at all schools in the parking lot – students do not have to go to their specific school to use the WiFi, they can go to the closest school to their home. WiFi is also available from 10-noon at the free meal sites served by our buses. A full list is available on the website. Please remember students only need access to WiFi long enough to download assignments or turn in work. They do not have to have WiFi while completing assignments.
 - 24 additional sites will begin serving free meals to children 18 and younger (and special needs adults up through the age of 21). WiFi will be available at each location via the building's network or the bus WiFi. Pick up is between 10-noon each weekday. The additional drop-off sites are listed below
