Principal’s Message

The administration, faculty, and staff of Wade Hampton High School are excited about the endless possibilities for this school year. As principal, I want to welcome all students to Wade Hampton High School for another exhilarating and academically challenging school year.

I would like to take this opportunity to introduce both students and parents to our handbook. The student handbook is a vital tool. This handbook is published to make students and parents aware of expectations, procedures, and daily operations of the school. It is extremely important that both students and parents read the contents of this handbook in order to have a better understanding of the rights and responsibilities they have.

Information contained in this handbook will help students make informed decisions that impact their education. On behalf of the faculty and staff of Wade Hampton High School, I trust that this school year will be a most productive one. Again, we are excited and look forward to working with all students.

Eric Williams

THE WADE HAMPTON HIGH SCHOOL SEAL

Our seal represents who we are and what we stand for at Wade Hampton High School. This seal references the four areas in which we strive for excellence: scholarship, heritage, involvement, and values. It is these four character traits we feel the former General, Governor, and Senator Wade Hampton exemplified in the course of his life and that we try to emulate during our four years at Wade Hampton.

Scholarship is represented through a lamp and graduation diploma. The lamp is a symbol for the knowledge gained while in school. The diploma signifies the culmination of the education received at Wade Hampton High School. We take great pride in high academic achievements and consistently strive to attain such honors.

As much as we appreciate academic achievement, we also take great pride and honor in our school's heritage. The top of the diamond shaped seal displays the hat of General Wade Hampton, our school's namesake. A stripe through the center of the diamond seal has three stars on each side of the "WH" logo. These three stars designate the General's three-star rank and, thus, give us our school's nickname and mascot, "The Generals."

Along with our emphasis on academics and the pride we have in our citizenship and leadership heritage, our extracurricular involvement is symbolized in the bottom of the diamond seal. Our outstanding athletic program is represented by the winged shoe. The theatre masks of comedy and tragedy symbolize our exemplary fine arts program. Student participation and involvement in clubs, school government, athletics, and fine arts are key features at Wade Hampton High School. Through this involvement in these extracurricular activities, students learn to achieve and assimilate character traits necessary for productive citizenship in our American culture.

The values of Wade Hampton are expressed in the seal located on the front of the handbook. The State and American flags are representative of General Hampton's loyalty and service to state and country as a governor and senator, respectively. Likewise, we strive to serve our fellow man through selfless service and loyalty to our state and nation. The State flag also stands for Wade Hampton's devoted loyalty to South Carolina through all of its turmoil and strife, eventually becoming its governor and senator. We, here, will always remain loyal to our alma mater, state and nation. Finally, the gavel in the seal symbolizes leadership. Leadership is the ultimate aim of all the training and experiences we offer at Wade Hampton High School. By holding on to these values—exemplified by Wade Hampton—we create loyal students ready to be citizens who will serve and lead their community in the future.

Located behind the shield are two swords, the tools of General Wade Hampton. Surrounding the shield are phrases that exemplify our school. *Cum Audacia* is the school motto meaning "with audacity." *Leading like Generals* is the slogan of our school. It is this motto and slogan that we strive to embed in the minds of all students who attend and graduate from Wade Hampton.

Our scholarship, heritage, involvement, and values, the four areas in which we strive for excellence at Wade Hampton, are represented on the seal. Our seal signifies who we are and what we stand for at Wade Hampton High School.

ALMA MATER

We love Wade Hampton High, Our Alma Mater Dear
The Red and Gray are colors; That we always will revere;
The dusty web of time, Shall never dim her light;
For it is held aloft by those, Who cherish truth and right.

As years may come and go, Our love will here remain;
Re-echoing throughout the halls, The glory of her fame.
Our hearts will swell with pride, And ever grateful be;
We pledge anew, Wade Hampton High; Our love and loyalty.

WHHS ATHLETIC LOGO

The “WH” athletic logo is used in all sports, school stationery, and many of the clothing items sold in the school store. It is also the main visual piece on the school’s basketball floor and center of the football field. It is the focal point of the School Seal.

This keenly designed, popular and well-used logo was designed by Toriano McKinney, a graduate of the Wade Hampton High School class of 1995. Toriano was a wrestler and football player. He was inspired to design a new logo by former head football coach Dave Farnham who was seeking assistance in giving the athletic teams a new image in which the students would take pride. Toriano’s imagination and leadership is exemplary of the outstanding ideals we envision for all Wade Hampton graduates.

WHHS MISSION

STUDENT RESPONSIBILITY for HANDBOOK

Students are responsible for reading this handbook and knowing its content. ALL students at Wade Hampton HS are instructed to show this handbook to their parent/guardian. Any parent/guardian wishing a copy of this handbook should contact the main office. All contents of this handbook can be accessed on the school's website. This handbook also serves as a student planner, homework assignment recorder, and hall pass when dated and initialed by a teacher or administrator. Each student is issued a handbook/planner at the beginning of the year. **ALL STUDENTS MUST HAVE ONE!** If lost, students and parents may purchase another handbook for \$5.00 from the school's bookkeeper.

DISCLAIMER

Neither this handbook nor any part of it should be construed as a contract itself. This handbook is not intended to be comprehensive. It is to serve as a guide for the students, parents, and faculty of Wade Hampton High School. The school reserves the right to make changes or exceptions to statements in this handbook. Final interpretation of all school rules and regulations is left to the principal of the school.

Discipline policies included in this publication are based on information at time of printing. District discipline policies are outlined in Parent Express, the Greenville County Schools' parent newsletter, which will be mailed in early August.

GENERAL STUDENT INFORMATION

VISITORS—Visitors are not allowed on campus unless permission has been granted from the office. Students are not allowed to invite family members, visiting relatives, or friends to school to visit classes. Parents are always welcome, and with permission from the office, they may visit the campus at any time. **ALL VISITORS MUST SIGN-IN AT THE MAIN OFFICE AND DISPLAY A VISITORS BADGE WHILE ON CAMPUS.**

BUILDING HOURS - The building will be open for student access from 7:45 a.m. to 4:15 p.m. each school day.

STUDENT MESSAGES and/or DELIVERIES—Only messages from a parent or guardian that are an immediate emergency will be given to students. Packages, flowers, birthday gifts and lunches will not be delivered to students. Students should make sure that parents/guardians know this policy.

FUND RAISING—Any fund raising by a school organization must have the written approval of the principal and club sponsor.

VALUABLES—Due to possible theft or loss, students are advised not to bring large sums of money or valuable items to school. Wall lockers and locker rooms in the gym cannot be completely secured. The school will not be responsible for student losses.

LOST and FOUND—A lost and found department is located in the front office. Found articles should be turned in so they may be returned to the proper owner and property losses should be reported to the front office clerk. It is strongly recommended that students not bring money or expensive items to school. Items left at the end of the school year will be donated to charity.

HANDICAP or DISABILITY—It is the responsibility of the parent and student to bring to the attention of the school (counselor and/or Administrator) any serious physical, mental, or emotional handicap/illness a student may have. Please arrange a conference to discuss appropriate accommodations. Use of the elevator is only permitted with a confirmed doctor's note.

BOOKS, UNIFORMS, or SCHOOL-ISSUED MATERIALS—Students are responsible for textbooks, library books, and any other materials issued by teachers or coaches. Any lost or damaged book, lock, or uniform—regardless of the circumstances—**MUST** be paid for before another will be issued to the student. These must also be accounted for at the end of the school year or when the student withdraws or graduates.

CHANGE IN PERSONAL DATA or INFORMATION—Accurate and up-to-date phone numbers and addresses are critical for the school to contact a student's parent/guardian should they become ill or get injured during school. **Report all changes of address to the Guidance Office. Proof is required.**

EMERGENCY EVACUATION PROCEDURES—A planned program for evacuation of all personnel and students exists in our Emergency Preparedness Program designed for all emergencies. A chart showing the evacuation plan is posted in each area of the school building. Students should ensure that they are familiar with fire drill instructions posted near doors in each room. When an emergency drill signal is given, students should rise quickly and go quietly and orderly in single file to the location for that emergency. Complete silence is required for additional safety instructions.

DISTRIBUTION OF LITERATURE – Pamphlets, posters, or literature of any kind cannot be distributed on school grounds without the administration’s approval. This includes the distribution of political material for public offices.

FRATERNITIES, SORORITIES, GANGS, AND OTHER SECRET ORGANIZATIONS— Secret organizations of any type and their activities are strictly forbidden at WHHS. This includes naming initiations and wearing of fraternity, sorority, or gang emblems or “colors” (bandannas, hats, etc.).

HEALTH ROOM—Any student who becomes ill should report to the health room with a pass from the teacher. If it becomes necessary to leave school, the nurse will contact parents to coordinate arrangements for dismissal. Students are not allowed to leave the Health Room without permission from the nurse, nor should they stay for an extended time. **A dismissal from the Health Room is NOT considered as a medical absence.**

MEDICATION—The only medication that can be given out by the school nurse are those brought by a parent. Parents are required to bring prescription medication to school and provide FORM MED-1 before any prescription medication may be left at school. If your child must self-administer medication at school FORM MED-2 is required before medication is brought to school. A parent may provide written authorization for over-the-counter medication to be kept and administered in the health room using FORM MED-3. **Students are NOT permitted to keep any medication with them while at school.**

INSURANCE—Students are urged to consider the school accident insurance plan offered at the first of the school year. Any student who suffers an accident or injury during the school day or at any school-related event should report the incident immediately to the nurse. An accident report must be completed.

LOCKERS/LOCKS—When lockers are assigned and combinations are known by students, they may not trade lockers. Students’ lockers are only as safe as they keep them. Students should keep combinations confidential and keep their lockers locked at all times. The administration reserves the right to search a student’s locker when deemed necessary.

SUBSTITUTE TEACHERS—Substitute teachers are guests in our school and should be treated as such. A substitute teacher has the same authority as a regular classroom teacher at all times and with all students.

ID BADGES - For safety and identification, all faculty, staff and students must wear a school issued ID badge and school-issued lanyard (issued the current school year) when on school grounds. This ID must be clearly visible at all times (cannot be inside jacket or shirt). Wearing another person’s ID will result in suspension. If an ID is lost, cracked or defaced, a student must replace it immediately. The cost is \$5.00. If a student does not bring the ID badge to school, a temporary ID badge must be obtained before school begins, or immediately upon returning from a Career Center or Fine Arts Center. For the first three temporary ID badges, there is no charge. For the 4th and 5th offenses the student may purchase a temporary ID for \$1.00 or be assigned a one hour detention. After five temporary ID badges are obtained during the school year, the student must purchase a new ID Badge or the student will be placed in ISS until the parent can come to purchase a new ID for the student. Failure to have an ID badge when school starts will cause the student to be placed in ISS at any time during the day that the offense is discovered. **Range of Consequences:** Parent notification, detention, ISS, and suspension.

SCHOOL RULES—STANDARDS OF CONDUCT

An atmosphere of mutual respect between students and teachers is most conducive to good discipline. However, it is the student who is responsible for establishing and maintaining respect in any classroom. The general responsibility to exercise discipline rests with every Wade Hampton High School teacher. All WHHS teachers, regardless of whether they teach a particular student or not, are given this authority at any place on the WHHS campus and at all school activities.

WHHS's mission is to EDUCATE, INSPIRE, and EMPOWER. The WHHS faculty and staff are proud to serve the students in this honorable mission. Students come to WHHS to learn. They follow the rules set up to ensure that their school is safe, orderly, and that the environment is optimal for learning. As mentioned above in the expectations, students have a defined duty to follow all school rules. Simply put, when rules are not followed, the learning environment is compromised. For students who do not follow rules, the following sections explain consequences if rules are broken.

Unacceptable behaviors, whether listed or not, will not be tolerated. South Carolina law permits disciplinary actions, including suspension and expulsion, for commission of any crime, gross immorality, gross misbehavior, persistent disobedience, or violation of written rules and regulations of the school board or State Board, and when the presence of the student is detrimental to the best interest of the school.

In addition to the consequences of misbehavior listed, school officials shall use all available school and community resources to diagnose and deal effectively with students who have persistent or severe behavior problems. Students whose offenses may also constitute a violation of criminal law will be reported to appropriate law enforcement officials.

The expression "on school property" includes school buses and off-campus school sponsored activities. **Behavior off school property, at any time or in any place, may also subject a student to disciplinary action.**

Wade Hampton High School conducts its programs and activities involving admission and treatment of students, employment, teaching, research, and public service in a non-discriminatory manner as prescribed by Federal Law and Regulations.

STUDENT RIGHTS—If a student is accused of an offense, the student or parent/guardian must be given oral or written notice of the charges against him/her. If he/she denies them, he/she must be given an explanation of the evidence against them. He/she must be given an opportunity to present the version of what happened. Greenville County Schools supports the right of individual students to express their religious beliefs as long as the expression does not interfere with the rights of others or the operation of school.

STUDENT CONDUCT – The rules regarding student conduct are in effect on the school grounds during, before and after school hours; and off the school grounds at a school activity, function or event. They apply in route to and from school on a school bus or any other school vehicle, as well as at a bus stop.

DISOBEDIENCE, DISRESPECT, or DISRUPTIVE BEHAVIOR - ALL teachers are given the authority over all students at any place on the WHHS campus and at all school activities. Students are required to obey school rules. Failure to do so will result in a disciplinary offense. At no time may a student be rude or disrespectful to a teacher or any faculty or staff member. **Range of Consequences:** Parent notification, detention, ISS, counseling, suspension, or recommendation for expulsion.

SEXUAL HARASSMENT / MISCONDUCT OF A SEXUAL NATURE Comments, threats, conversations, coercion, actions, jokes, teasing, or intimidation when they are of a sexual nature and are unwelcome by those exposed to them, whether they are staff members, visitors, or other students, are forbidden. Any student (or the parent/guardian of a student) who believes he/she has been subjected to such behavior should immediately contact the school principal, assistant principal, guidance counselor, or a teacher to report the behavior. *Range of Consequences:* The administration will take appropriate disciplinary action, including possible criminal charges.

THREATS, HARASSMENT, HAZING, INTIMIDATION, BLACKMAIL, BULLYING or DISPLAY OF GANG SIGNS OR SYMBOLS - Threats of force, threats of injury, harassment, intimidation, bullying, blackmail, and hazing are forbidden and may violate state law. Hazing is any activity that humiliates, degrades, abuses or endangers another person, regardless of the person's willingness to participate. Gang activity will not be tolerated. This includes gang related signs, symbols and paraphernalia. *Range of Consequences:* Parent notification and suspension. The administration will take disciplinary action which may include a recommendation for expulsion.

REPORTING BULLING, DISCRIMINATION, HARASSMENT AND INTIMIDATION - The District is committed to fostering an environment that both promotes learning and prevents disruptions in the educational process. Accordingly, the District prohibits all forms of bullying, discrimination, harassment, or intimidation. As provided in Board Policy and Administrative Rule JC DAG, students and parents may file a report of bullying, discrimination, harassment or intimidation by other students, employees of the District, or third parties involved in the school setting.

All reports should be filed with the principal or his or her designee. Reports may also be filed by a student's parent. If the allegation is against the school's administration, the student or parent should file a report directly with the District's Parent Resource Representative. (See Policy JA for contact information). Anonymous reports may be made, but those reports must provide the District with adequate information in order to begin an investigation.

Investigations and Consequences

All reports will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions reasonably calculated to end the harassment, intimidation or bullying, and prevent such misconduct from occurring again. The student and his/her parent shall be informed of the results of the investigation and shall be advised how to report any subsequent problems. However, any discipline of students or staff shall remain confidential.

If the investigation determines that inappropriate conduct has occurred, the administration shall take reasonable, timely, age-appropriate, and effective corrective action. Examples of corrective action include, but are not limited to, disciplinary action against the aggressor, up to and including termination of an employee or expulsion of a student. The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report. The District also prohibits any person from falsely accusing another person.

Appeals

Notification of the outcome of the investigation will be issued in writing to the complainant and the complainant will be informed of the right to appeal. An appeal related to disability discrimination or harassment should be made to the District's 504 Coordinator. An appeal regarding color, race, or national origin should be made to the District's Title VI Coordinator. An appeal regarding sexual harassment, or gender discrimination should be made to the District's Title IX Coordinator. (See Policy JA for contact information). A complainant may then appeal the decision to the Superintendent or his/her designee.

Appeals (continued)

SMOKING, POSSESSION of TOBACCO PRODUCTS or SMOKING PARAPHERNALIA (including E-CIGARETTES/PARAPHERNALIA) Smoking, possession, or use of tobacco products or smoking paraphernalia (lighters, matches, pipes, e-cigarettes/paraphernalia, etc.) is prohibited on school property. **Range of Consequences:** Suspension and possible fine.

DRUGS and ALCOHOL - the following violations are prohibited:

*Possession, sale, or distribution of alcoholic beverages, illegal drugs, or narcotics, any other controlled substances, or drug paraphernalia

*Unauthorized possession, use, or distribution of a controlled substance or medication

*Coming onto school property at any time after use of any alcoholic beverage, illegal drug, or toxic substance, as evidenced by scent, actions, or admission. **Range of Consequences:** Suspension with recommendation for expulsion, criminal charges.

WEAPONS - Possession of any kind of weapon is not permitted on school property. "Weapon" includes, but is not limited to guns, brass or other metal knuckles, razors, box openers, paint ball guns, airsoft guns, knives, or any other device or object that is possessed or used with the intention of inflicting bodily injury or death. **Range of Consequences:** Suspension with recommendation for expulsion, criminal charges.

DRUG AND WEAPONS CHECKS

The School District of Greenville County, in cooperation with the Greenville County Sheriff, will conduct drug and weapons checks with dogs during the school year as a part of a program to ensure Safe and Drug Free Schools. Additionally, the school will conduct locker checks and visual car checks randomly throughout the year. Students who drive cars should be aware that illegal items found in cars are considered the same as his/her personal items.

Offenses resulting in ASD include, but are not limited to the following: First offenses for tardies, disrespect, disruptions, off limits, uncooperative, use of mild profanity, littering, lying, or no materials. If a student misses a one-hour detention, the detention will be doubled to a two-hour detention. If a student misses the two-hour detention, the student will be suspended.

Level 2: IN-SCHOOL SUSPENSION

In-School Suspension (ISS) will be held daily in the ISS room. Students assigned to the ISS room must arrive on time and be ready to perform work all day. They will have their lunch alone as a group (students are to either bring lunch or have money to buy a lunch from the food line - they will NOT be allowed to use vending machines or the school store). If a student is removed from a class for disciplinary reasons, the student will be placed in ISS.

Level 3: OUT-OF-SCHOOL SUSPENSION

Out-of-School Suspension (OSS) will be assigned to students for serious or excessive disciplinary violations. Offenses resulting in OSS include, but are not limited to the following: Refusal to obey school employee, cutting or leaving school or class, disrespect, disruptions, theft, fighting, inciting a fight, physical abuse, sexual harassment, profanity to staff, bullying or intimidation, vandalism, tobacco products, fireworks, blackmail or extortion, excessive tardies, ID violations, and invasion of privacy.

Level 4: RECOMMENDATION FOR EXPULSION

Recommendation for Expulsion is the most serious level and is for extreme violations of the Student Code of Conduct. Students will be recommended for expulsion (full removal from school) for offenses such as, but not limited to: bomb threat; possession, use or transfer of weapons; sexual offenses; arson; distribution, sale, purchase, manufacture, use, being under the influence of, or unlawful possession of alcohol or a controlled substance; threatening to take the life or inflict bodily harm upon a school employee or member of their family; and ganging.

STUDENT SPEAKERS at SCHOOL-SPONSORED ACTIVITIES

The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment.

Student speakers at school-sponsored activities, including graduations, may not be selected on a basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, evenhanded criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed, such speech is attributable to the school and may not include prayer or religious content. A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District's behavior code or substantially disruptive to the school environment.

BYOD (BRING YOUR OWN DEVICE) POLICY

THE SCHOOL DISTRICT OF GREENVILLE COUNTY STUDENT ACCEPTABLE USE POLICY AGREEMENT

The School District of Greenville County provides computer, network, e-mail and Internet access to students as part of the learning environment. While these systems have the power to deliver a huge number of resources to our classrooms, their ability to serve students depends on the responsible and ethical use of them by every student. GCS may install software and/or hardware to monitor and record all information system resources, usage, including e-mail and Website visits. The district retains the right to record or inspect any and all files stored on district systems. Students are advised that serious disciplinary action may result from evidence of prohibited activity obtained through monitoring or inspection of electronic messages, files or electronic storage devices.

“Acceptable use” of these systems is use that is consistent with the instructional goals of the District. If you break “acceptable use” rules, you may lose the privilege to use both classroom computers and/or the Internet. Further disciplinary and/or legal action may be taken at the discretion of school administration. The District takes precautions by using filtering software to keep inappropriate Internet sites and e-mail out of the classroom. The District does not supervise individual e-mail accounts, a Parent Portal is available that permits the supervision of your child’s e-mail account.

Parents may choose for their child not to have access to the Internet at school; however, students who do not have access to the Internet will not be able to access e-mail or web based programs that teachers may be using in class.

Your child has agreed to the terms and conditions of this document upon acceptance of the school handbook. Violation of any of the terms or conditions will result in disciplinary action and/or involvement of law enforcement. Willful destruction of any computer equipment or software will be considered vandalism, and may warrant the involvement of local law officials.

Parents, and guardians, by you and your child agreeing to this acceptable use policy you will insure that GCS computer equipment is handled with care and respect. Only GCS ETS personnel are allowed to repair or modify GCS computer equipment hardware and software. Do not add, modify, repair, remove, reconfigure or otherwise tamper with any device on the network infrastructure. Do not perform unauthorized access; use or attempt unauthorized access or use of District information systems. “Hacking tools” which may be used for “computer hacking” as defined in the South Carolina Computer crime act, may not be possessed on any district premise or run or loaded on any district system. Do not use school computers for illegal activities such as planting viruses, hacking, or attempted unauthorized access to any system. This is an automatic recommendation for expulsion.

You may only use personal mobile devices for approved BYOD activities. Any written text, graphics or executable files created, downloaded, displayed, or exchanged with another student or teacher must be for education-related purposes only. Do not bypass or attempt to bypass any of the District’s security or content filtering safeguards. Do not use school computers for commercial purposes. Follow copyright laws at all times.

If you have questions about the legality of using software, text, graphics, or music you find online, ask your teacher or media specialist. Keep your password secret. You will be held responsible for all computer activities associated with your password. Do not allow another person to use the computer under your district login. All online communication must be polite and not threatening or offensive in any way.

The District has the right to review any e-mail sent or received using District equipment and e-mail accounts. Do not give out personal information or photos through online communications. Never give out your phone number, social security number, full name, age, home address, or any other personal information. Home directories are provided to students for educational related work. Students should not store personal or non-school related work in home directories. The District reserves the right to review the contents of a student’s home directory.

Please contact your school if you do not want your child to have access to the Internet and e-mail.

STUDENT PARKING/DRIVING INFORMATION

STUDENT PARKING - All vehicles must be registered. A “Mirror Tag” will designate official registration. The cost for registration and a parking tag in the main parking lot is \$50. The cost for registration and a parking tag in the satellite parking lot is \$25. Students must register each car that may be used on campus on their registration form. The mirror tag may be transferred to and from each car that the student registers on the form. **CARS MUST DISPLAY A MIRROR TAG** in order to be parked in either of the two identified parking lots. All other parking areas (except the student parking lots) are unauthorized for student parking. Students should immediately exit their cars in the student parking areas upon arriving at school and enter the building. Students should take all needed materials for the school day with them when they leave their cars. **THEY WILL NOT BE ALLOWED TO RETURN TO THE PARKING LOT DURING THE SCHOOL DAY** unless they have permission from an administrator. Students are reminded to roll up the windows and lock their doors. The school makes every effort to protect students’ cars and property. However, the school is **NOT** responsible for thefts and other vandalism to students’ cars and property.

The following are the traffic and parking rules:

- **Speed limit is 8 miles per hour & loud music is not allowed.**
- **Cars are to drive only in the driving lanes when arriving or departing. Driving across parking spaces is not allowed.**
- **Cars must be parked in a clearly marked parking space.**
- **Students parking in unauthorized areas adjacent to campus are subject to being towed.**
- **Students must exit their cars immediately upon arriving.**
- **Parking passes may not be transferred to another student.**
- **Parking in the faculty lot is strictly forbidden.**

Range of Consequences: VIOLATIONS OF PARKING LOT RULES AND PROCEDURES COULD RESULT IN FINES, SUSPENSION, LOSS OF CAMPUS PARKING PRIVILEGES, AND OTHER DISCIPLINARY ACTION.

DRIVING TO VOCATIONAL CENTERS

An application must be filled out and given to the JUNIOR class administrator for approval. No student will be authorized to drive to a career center unless he/she has written permission from their parent/guardian, the administrator, and the career director. Students will be allowed to ride with other students only after completing the proper paperwork and getting approval. Stops are not allowed while traveling between the locations. Students must report directly to the career center or to the school. Students that arrive to school before 3rd period begins must report to the cafeteria. Students and parents must understand that the school is not responsible for any accident, vandalism, or stolen property that may occur while a student is driving or at the career centers. Violations of these rules may result in loss of permit and suspension.

ATTENDANCE REGULATIONS

All children (by SC State Law) are required to attend a public or private school beginning at the age of five and continuing until their 17th birth date. Students are counted present only when they are actually in school and in class, on homebound instruction, or present at an activity authorized by the school principal. Absences are defined as either lawful (excused) or unlawful (unexcused). Absences, either lawful or unlawful or a combination, **MAY NOT EXCEED FIVE (5) days** per full unit on a 4X4 block schedule (or 3 absences in a ½ unit course). Missing more than half of a class (45 min.) constitutes an absence.

LAWFUL ABSENCE:

1. Personal illness of a child shall be verified by a statement from a physician. Medical notes are subject to verification by a high school official. The phone number of the physician must be on the note.
2. Serious illness or death of an immediate family member shall be verified by a statement from the doctor within two (2) days of the student's return to school.
3. Absences for religious holidays should be requested in advance. These requests must be made to the principal in writing.
4. Absences for extreme hardships may be approved by the principal. These approval should be pre-arranged.

UNLAWFUL ABSENCE—Any student absent, with or without the knowledge of the parent, which does not meet the conditions for a lawful absence shall be counted as unlawful and will not be excused.

ABSENCE FROM SCHOOL and ADMISSION to CLASSES after ABSENCES—It is expected that a written note from the parent/guardian accompany the student upon their return to school from any absence. This note should be taken to the Attendance Office immediately upon arrival on campus from the absence. The note must contain the following items:

1. The exact reason for the absence. Be specific on illnesses... “upset stomach,” “severe headache,” “sore throat,” “nausea,” etc.
2. Dates of the absence.
3. Signature of the parent/guardian WITH A PHONE NUMBER WHERE PARENT CAN BE REACHED DURING THE DAY.
4. This note must be taken to the Attendance Office to obtain an “Admission Slip” as soon as the student arrives on campus from the absence. NOTE: Students who are late to class because they are obtaining an “Admission Slip” in the Attendance Office will be charged with an unexcused tardy.

The note will not be accepted if this information is not included and the student will be charged with an unexcused and unlawful absence until a proper note is received in the Attendance Office. Any “unlawful” absence beyond the 5th absence will result in the student not receiving credit for the particular class.

EXTENDED ILLNESSES—Students and parents should be aware of the opportunity to obtain “Homebound” instruction should the student have to miss school for any extended length of time. Once a parent or student realizes he/she will be out for an extended length of time, he/she can apply for a “Homebound” instructor to visit the home 5 hours per week to keep the student current with his/her studies. The parent or student should contact his/her counselor immediately for information on procedures. Medical homebound instruction cannot be approved until a physician certifies that the student is medically unable to attend school, even with the aid of transportation, but may profit from instruction. Therefore, a note from the doctor specifying the need for the student to be out for an extended time must be obtained and faxed with the proper paperwork to the homebound office. The superintendent of the school district, or his or her designee, must then approve or deny the medical homebound instruction request.

EARLY DISMISSALS—In order to be dismissed from school early, a student must bring a written note from a parent to the Attendance Office at the beginning of the day. The note must have a phone number that is on file with the school. The student will not be dismissed if a parent cannot be reached. An early dismissal slip will be written and the student should drop by the FRONT OFFICE during class change to pick up the slip. This slip authorizes the student to leave school at the designated time. **REMINDER:** Classes missed for an early dismissal count toward the first 5 days of allowable absences in any one class. Any student returning from an early dismissal must bring the yellow dismissal slip to attendance to obtain an admit slip. Phone calls for an early dismissal **will not** be accepted (this includes parent phone calls). Being dismissed from the nurse’s office **DOES COUNT AS AN ABSENCE**.

TARDY (TIME OUT OF CLASS) POLICY —A tardy consists of any time missed from class for any reason. A student who arrives late to school or to class is tardy. At WHHS, all teachers will close their doors when the tardy bell rings. Students have five minutes to change classes. Any student who is tardy to school after 9:30 a.m. must go to the attendance office to obtain a pass. After 9:30 the student is counted absent for the class. Students, who are not in class when the tardy bell rings, will report directly to that class. Students will be allowed three (3) tardies (or “time out of class”) to class. On the fourth and fifth tardies, students will be assigned detention by the teacher. Teachers will write a referral on the sixth tardy, and any tardies beyond the sixth. All tardies beyond the sixth will result in suspension from school. **If a student does not attend at least half of a class, the student will be counted absent (not tardy) for that class period.** **Consequences:** Parent notification, detention, suspension. The following are acceptable as “Excused Tardy”:

- Medical appointment for student (must have note from doctor)
- Court appearance (must have note from court)

PROCEDURES FOR MAKE-UP WORK—Students have 5 days after returning to school from an excused absence to make-up missed work or tests that were assigned while they were absent.

ACADEMIC INFORMATION

HOMEWORK/MISSED ASSIGNMENTS—Students should be taught study techniques at home, including the wise scheduling and use of time for both daily and long-range assignments. Within five days of a student’s return from an excused absence, the student must work out provisions for making up missed work with the teachers. Students should spend some time each day reading independently. This time should not be considered part of homework and should include a variety of types of reading. Recommended time: 60 – 150 minutes per day in grades 9-12

EXAMINATIONS—Under no circumstances can exams be given early or in advance of the regularly scheduled exam dates.

SCHEDULE CHANGES — Prior to the first day of school, an effort will be made to make changes that fall in the following categories:

- Already received credit for class on schedule
- A prerequisite course is needed that the student has not taken (or failed)
- The course was not requested during registration period
- If student did not return registration form, request changes will not be honored

REPORT CARDS and PROGRESS REPORTS—Students will receive *four report cards* during the year, one for each nine-week grading period. A student **MUST** achieve a grade of 60 to receive passing credit for any one course. *Progress reports* are given out four times during the year, at the midpoint of each 9-week grading period. A progress report is indicative of a student’s current grade for a single four and a half week period.

PARENT PORTAL - ACCESSING STUDENT INFORMATION

Parents are able to access a new version of the Parent Portal. This allows parents to view student grades, discipline, and attendance on a daily basis. More information, including parent password, can be obtained from the School Counseling Office or the Front Office.

TRANSCRIPTS – Students should check their Counselors website for up-to-date information. Seniors are allowed to have free electronic transcripts (through Naviance) sent to colleges. If a paper transcript is requested, the first three will be free. Additional paper transcripts cost \$1.00. Transcripts requested after graduation will cost \$5.00.

SENIOR PRIVILEGES—Seniors assigned to senior homerooms are eligible for the following privileges:

- May be released 2 minutes early (at teacher’s discretion) to attend lunch
- May be released 2 minutes early (at teacher’s discretion) from 4th period
- May serve detention at the end of scheduled classes.
- May have a permanent early dismissal (must leave campus immediately).

DESIGNATIONS for GRADUATION CEREMONY

Valedictorian and Salutatorian—These are the highest and second highest ranking seniors after the seventh semester. They receive numerous honors and awards. They are also two of the main speakers at the graduation ceremony.

Senior Speaker—Elected by his/her fellow classmates; this honored person is the other main speaker at the graduation ceremony.

Junior Marshals—The top ranking juniors are selected as Junior Marshals. They act as official escorts for the graduation exercises and are allowed to take their final exams with the seniors. The ranking is calculated after the fifth semester of the student’s high school careers. Students are not declared a Junior Marshal until an audit of grades is completed to make final decisions. The number is determined by the number of graduates in the senior class.

Cords/Ropes and Stoles—Graduation cords are worn at Graduation by seniors who have earned the honor from a recognized school organization and approved by the school. Members of the National Honor Society who have earned the honor wear stoles.

WHHS ATHLETIC INFORMATION

The information in this section contains vital information about participation in interscholastic athletics at WHHS. Please NOTE: The U. S. Supreme Court has ruled that participation on athletic teams and in extracurricular clubs and organizations are a privilege and not a right. The Court has interpreted this privilege even more in declaring that it is expected when one joins such an organization or team, he/she actually relinquishes some of their personal rights. Furthermore, one should understand that participating on a school team or in an organization places the student in a position of representing his/her school and in essence a public relations ambassador for WHHS. It is an expectation that student conduct on the field or court in a WHHS uniform be exemplary. However, conduct off the field or court, regardless of the time of year – whether in or out of season – is also expected to be worthy of your school and, most importantly, yourself. One should realize that conduct that brings dishonor upon yourself, your school or team – regardless of where or when – will be addressed by your coach or sponsor, the Athletic Director, or the school. Dishonorable action off school grounds may result in the following range of consequences: counseling, extra work, suspension for the activities of the team or club, or expulsion from the team or organization.

The following should acquaint all prospective and active student-athletes and parents with the academic requirements, attendance policies and other requirements as set forth by the State of South Carolina and the South Carolina High School League (SCHSL), and the policies governing student athletes on the local level. Students and parents should make themselves familiar with this information. Should one desire, complete access to the full Handbook of rules of the SCHSL (the governing agency for high school athletics in the state) and a wealth of other information (including playoff brackets) can be viewed at www.schsl.org. Wade Hampton athletic programs and schedules can be accessed by visiting the school's website, www.greenville.k12.sc.us/whhs.

Wade Hampton High School believes that it is an honor and privilege to participate on any athletic team. It is important that you are made aware of the rules and regulations of the material below which is relevant to your participation from the standpoint of eligibility as well as the policies included.

SPECTATOR CODE OF CONDUCT—Teams shall be supported with enthusiasm and dedication, because strong spectator support is a vital part of the high school competition experience. We expect good sportsmanship from players and coaches, and they have a right to expect the same from spectators. Therefore, we urge students, alumni, and friends to cheer their teams to victory while upholding those ideals our school has nurtured during the long history of Wade Hampton High School. **Our spectators should be courteous, judicious in choice of expression, and mannerly to all others. The scoreboard will reflect the quality of the teams in competition. The kind of support given by the spectators will showcase the character of our school's fans.**

EXPECTATIONS OF THE ATHLETES—WHHS athletes have a duty to:

1. Achieve maximum academic performance in all of their classes.
2. Follow all the rules established by the coach for their sport, the athletic department, the school, the School District, and the SCHSL.
3. Make a full commitment to their team and teammates as evidenced by
 - Hard work and regular attendance at practices and games
 - Cooperation and conscientious practice and play
 - Mental and physical preparedness
 - Winning attitude, achieved by incorporating team play, ethical conduct, sportsmanship, and fairness into one's participation.
4. Encourage players to offer their opinions at appropriate times and places as part of their learning experience.

PARTICIPATION—An athlete is encouraged to participate in more than one sport. Participation in a sport shall not hinder the athlete's chance of participating in another sport. However, an athlete who quits or is removed from a sport will become ineligible for any other sport, or that sport's conditioning program, until the end of the original sport's season. For example: a player who quits a fall sport shall not be allowed to participate in a winter sport until the fall season for the original team has ended. Additionally, if an athlete quits or is removed from one sport, he/she cannot participate on another sport team within the same season. An athlete may participate on two different teams in the same season provided both coaches mutually agree.
