

Woodland Elementary School Email Form

Last year in our efforts to reduce cost, waste and clutter of photocopied correspondence from school worked great. We received a lot of positive comments and are continuing the policy this year. Please note that Administration and your child's teacher will be the only one with this information.

Even if you provided your email address, last year, you will need to provide it again this year. We do not retain records year to year.

Parent(s) Name: _____

Primary Email Address: _____

Student Name: _____

Teacher Name: _____

I do not have email at this time: _____

Return completed form to your student's teacher or office personnel. One form per student
